CBC Settlement Funding Announces Completion of BBRIV 2014-A Private Placement Note Offering

Conshohocken, PA 11/26/2014 — Structured settlement finance company, CBC Settlement Funding, LLC (“CBC”), announced the completion of its fourth private placement backed by structured settlement and fixed annuity payments. CBC issued through its subsidiary BBRIV, LLC \$21,814,000 of fixed rate asset backed notes with a yield of 5.39%.

William Skyrn, CBC Settlement Funding, LLC CEO and Co-founder, commented, “We are thrilled by the show of support from our investors. It is an exciting time as we see an increase in the level of interest in our receivables.” Mr. Skyrn concluded, “We are extremely pleased with the execution of this transaction resulting from increased institutional demand due to the attractive yields relative to the risk profile of the asset class.”

ABOUT STRUCTURED SETTLEMENTS

Structured settlements are commonly used in the settlement of personal injury lawsuits to spread payouts over 10, 20 or 30 years. The secondary market for structured settlement annuity transfers is a highly regulated market place offering clients liquidity options for otherwise inflexible assets. In 2002, Congress passed IRC 5891 affirming the tax benefits of structured settlements but requiring compliance with all applicable state or federal laws. Today, 48 states have enacted structured settlement protection acts requiring court review and approval of each structured settlement transfer.
