Item 1.01 Entry into a Material Definitive Agreement

As previously disclosed, in September 2015, a wildfire (the “2015 Butte fire”) ignited and spread in Amador and Calaveras Counties in Northern California. Beginning on October 8, 2017, multiple wildfires spread through Northern California, including Napa, Sonoma, Butte, Humboldt, Mendocino, Lake, Nevada, and Yuba Counties, as well as in the area surrounding Yuba City (the “2017 Northern California wildfires”). On November 8, 2018, a wildfire began near the city of Paradise, Butte County, California (the “2018 Camp fire”). The 2015 Butte fire, the 2017 Northern California wildfires and the 2018 Camp fire are collectively referred to herein as the “Wildfires.”

Also as previously disclosed, on January 29, 2019, PG&E Corporation and its subsidiary, Pacific Gas and Electric Company (the “Utility,” and together with PG&E Corporation, the “Debtors”), filed voluntary petitions for relief under chapter 11 of title 11 (“Chapter 11”) of the United States Code in the U.S. Bankruptcy Court for the Northern District of California (the “Bankruptcy Court”). The Debtors’ Chapter 11 cases are being jointly administered under the caption *In re: PG&E Corporation and Pacific Gas and Electric Company*, Case No. 19-30088 (DM) (the “Chapter 11 Cases”).

On June 18, 2019, the Debtors entered into PSAs (as defined below) with certain local public entities providing for an aggregate of \$1.0 billion to be paid by the Debtors to such public entities pursuant to the Debtors’ Chapter 11 plan of reorganization (the “Debtor Plan”) in order to settle such public entities’ claims against the Debtors relating to the Wildfires (collectively, “Wildfire Claims”), upon the terms and conditions set forth therein. The Debtor Plan currently is under development and has not yet been filed with the Bankruptcy Court. The Debtors have entered into a Plan Support Agreement as to Plan Treatment of Public Entities’ Wildfire Claims (each, a “PSA”) with each of the following public entities or group of public entities, as applicable: (i) the City of Clearlake, the City of Napa, the City of Santa Rosa, the County of Lake, the Lake County Sanitation District, the County of Mendocino, Napa County, the County of Nevada, the County of Sonoma, the Sonoma County Agricultural Preservation and Open Space District, the Sonoma County Community Development Commission, the Sonoma County Water Agency, the Sonoma Valley County Sanitation District and the County of Yuba (collectively, the “2017 Northern California Wildfire Public Entities”); (ii) the Town of Paradise; (iii) the County of Butte; (iv) the Paradise Recreation & Park District; (v) the County of Yuba; and (vi) the Calaveras County Water District. For purposes of each PSA, the government entities that are party to such PSA are referred to herein as “Supporting Public Entities.”

Each PSA provides that the Debtor Plan will include, among other things, the following elements: (a) following the effective date of the Debtor Plan, the Debtors will remit a Settlement Amount (as defined below) in the amount set forth below to the applicable Supporting Public Entities in full and final satisfaction and discharge of their Wildfire Claims, and (b) subject to the Supporting Public Entities voting affirmatively to accept the Debtor Plan, following the effective date of the Debtor Plan, the Debtors will create and promptly fund \$10.0 million to a segregated fund to be used by the Supporting Public Entities collectively in connection with the defense or resolution of claims against the Supporting Public Entities by third parties relating to the Wildfires (“Third Party Claims”). The “Settlement Amount” set forth in each PSA is as follows: (i) for the 2017 Northern California Wildfire Public Entities, \$415.0 million (which amount will be allocated among such entities), (ii) for the Town of Paradise, \$270.0 million, (iii) for the County of Butte, \$252.0 million, (iv) for the Paradise Recreation & Park District, \$47.5 million, (v) for the County of Yuba, \$12.5 million, and (vi) for the Calaveras County Water District, \$3.0 million.

Each PSA provides that, subject to certain terms and conditions, the Supporting Public Entities will support the Debtor Plan with respect to its treatment of their respective Wildfire Claims, including by voting to accept the Debtor Plan in the Chapter 11 Cases.

Each PSA may be terminated by the applicable Supporting Public Entities under certain circumstances, including (i) if the Federal Office of Emergency Management or the California Office of Emergency Services fails to agree that no reimbursement is required from the Supporting Public Entities on account of assistance rendered by either agency in connection with the Wildfires, and (ii) by any individual Supporting Public Entity, if a material amount of Third Party Claims is filed against such Supporting Public Entity and such Third Party Claims are not released pursuant to the Debtor Plan. Each PSA may be terminated by the Debtors under certain circumstances, including if (i) the Debtors do not obtain the consent, or the waiver of the lack of consent as a defense, of the Debtors’ insurance carriers for the policy years 2017 and 2018, (ii) the Board of Directors of either Debtor determines in good faith that continued performance under the PSA would be inconsistent with the exercise of its fiduciary duties, and (iii) any Supporting Public Entity terminates a PSA, in which case the Debtors may terminate any other PSA.

The description of the PSAs contained herein is qualified in its entirety by reference to the full text of each PSA, copies of which are filed as Exhibits 10.1, 10.2, 10.3, 10.4, 10.5, and 10.6 and are incorporated by reference herein.

The PSAs only address the Wildfire Claims of the Supporting Public Entities and only to the extent set forth therein. As described in the Debtors' Quarterly Report on Form 10-Q for the quarterly period ended March 31, 2019, the Debtors are subject to a substantial number of claims from other claimants, including individuals, insurance carriers and other government entities. In addition, there can be no assurance that the Debtors will successfully develop, consummate or implement the Debtor Plan which will ultimately require Bankruptcy Court, creditor and regulatory approval.

At March 31, 2019, the Debtors' consolidated balance sheet reflected liabilities of \$14 billion related to third-party claims in connection with the 2018 Camp fire and the 2017 Northern California wildfires and liabilities of \$212 million related to third-party claims in respect of the 2015 Butte fire. The Utility is actively engaged in settlement discussions with various claimholders related to the Wildfires. As more information about the potential liabilities in connection with the Wildfires becomes known, management estimates and assumptions regarding the financial impact of the Wildfires may result in material increases to the loss accrued. The financial statements of PG&E Corporation and the Utility for the quarterly period ending June 30, 2019 have not yet been prepared. In connection with such preparation process, the Debtors will take into account the PSAs and all relevant information with respect to management estimates and assumptions regarding the financial impact of the Wildfires and the amount of the associated loss accrual.

Item 7.01 Regulation FD Disclosure

On June 19, 2019, the Utility issued a news release announcing, among other things, the entry into the PSAs. A copy of this news release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

The information being furnished in this Item 7.01 and in Exhibit 99.1 shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section.

The Debtors shall not be required to obtain Bankruptcy Court approval of entry into this Agreement (other than to the extent the settlement and compromises and the Plan Treatment contemplated by this Agreement are being approved pursuant to a Confirmation Order in respect of a Debtor Plan at such time as the Debtors determine to seek such approval).

(l) “Wildfire Claims” means any and all past, present or future Claims against the Released Parties in any way relating to the Fires, including all those that were pleaded or asserted or could have been pleaded or asserted based on the factual allegations set forth in the Operative Complaints or were filed or could be filed by the Supporting Public Entities in connection with the Chapter 11 Cases whether arising under California law or any other applicable

2. Debtor Plan Terms.

(a) The Debtor Plan shall be in form and substance satisfactory to the Debtors in their sole discretion and shall provide for, among other things, the treatment and resolution of all Claims and interests in a manner acceptable to the Debtors; *provided that*, the Debtor Plan must be consistent with the provisions of this Agreement and provide for the Plan Treatment.

(b) The Debtor Plan shall provide for full and complete releases from the Public Entities Releasing Parties in favor of the Released Parties, contain the following material terms, and result in the following occurrences relating to the Supporting Public Entities and their Wildfire Claims:

(i) Treatment of Supporting Public Entities' Wildfire Claims. On the Effective Date, or as soon as practicable thereafter but in no event later than 30 days after the Effective Date, the Company shall remit, or cause to be remitted, to the Supporting Public Entities, in full and final satisfaction and discharge of their Wildfire Claims, the Settlement Payment of \$415 million payable to the law firm of Baron & Budd's Trust Account (the "Plan Treatment"), subject to the allocation of that amount among the Supporting Public Entities as reflected on Exhibit A to be attached to this Agreement prior to the filing of the Debtor Plan with the Bankruptcy Court. Without in any way limiting the fact that the Settlement Payment shall be in full and final settlement, release and discharge of all Wildfire Claims of the Supporting Public Entities, the Settlement Payment shall be in restitution for any economic damages or harm incurred, and all other Wildfire Claims of the Supporting Public Entities (including any Claims for attorneys' fees and the costs of any investigation, subject to a possible 503(b) application) shall be

released and discharged for no additional consideration. The Parties agree that the Company did not participate in the allocation of the Settlement Payments among the Supporting Public Entities; provided, however, the Company shall support the Plan Treatment (and will not take any position in opposition to the allocation provided therein) and the incorporation of the Plan Treatment in any Debtor Plan. As detailed in Section 20, the Plan Treatment shall not constitute an admission or concession on the part of any Party of any claim or fault or liability or damages or defense whatsoever.

(ii) Segregated Defense Fund. Subject to the Plan Support Public Entities affirmatively voting to accept the Debtors' Plan, the Debtors' Plan shall further provide for the creation of a single segregated fund for the benefit of the Plan Support Public Entities in the amount of \$ 10 million to be funded promptly, but no less than 30 days after the Effective Date, and the Debtors shall be obligated to use such fund to reimburse the Plan Support Public Entities for any and all legal fees and costs associated with the defense or resolution of any Third Party Claims against the Supporting Public Entities. Such fund shall be maintained by the Debtors until the later of (a) the expiration of the applicable limitations period for any and all such Third-Party Claims and (b) the conclusion of all litigation involving Third Party Claims, including appeals.

(iii) Debtor Releases. Subject to payment in full by the Company of the Settlement Payment to Baron & Budd's Trust Account, in addition to the Public Entities Releasing Parties providing full and complete releases in favor of the Released Parties, any and all of the Supporting Public Entities' Wildfire Claims shall be deemed satisfied, released and discharged in accordance with Section 1141 of the Bankruptcy Code and other applicable law, and forever barred to the fullest extent permitted by law (collectively, the "**Plan Release**").

(iv) Public Entity Releases. Debtors and the Reorganized Debtors and the Debtors' and the Reorganized Debtors' predecessors, successors, assigns, subsidiaries, affiliates, current and former officers and directors, principals, shareholders, members, partners, managers, employees, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors, and other professionals shall fully and completely release and forever discharge the Public Entities Releasing Parties from any and all claims, debts, causes of action, agreements and/or liabilities whatsoever, both at law and in equity, that such entities ever had, now have or may hereafter have against the Public Entities Releasing Parties pertaining to, or arising directly or indirectly from or related in any way to the Fires.

3. Agreements of the Supporting Public Entities.

(a) Agreement to Support.

(i) Subject to the Supporting Public Entities Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entities agree that, as long as the Debtor Plan is consistent with this Agreement, the Supporting Public Entities shall use all reasonable efforts during the Plan Support Period to support the Debtor Plan with respect to the Debtor's Plan Treatment of the Wildfire Claims, in accordance with the terms set forth herein, and to act in good faith to consummate the Plan Treatment with respect to the Supporting Public Entities' Wildfire Claims in a timely manner.

(ii) Subject to the Supporting Public Entities Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entities agree that the Settlement Payment is reasonable and sufficient in order to liquidate, settle and resolve all of the Supporting Public Entities' Wildfire Claims against the Company including those alleged in the Operative Complaints and that they will not object to any Debtor Plan or any other plan on the grounds that the Settlement Payment is unreasonable or insufficient in any way. The Supporting Public Entities also agree that they will not support any plan that provides for any different recovery from the Settlement Payment, unless this Agreement has been terminated pursuant to the terms hereof.

(iii) Subject to the Supporting Public Entities Consent Right and the terms and conditions of this Agreement, the Supporting Public Entities agree to the Plan Treatment of their Wildfire Claims and, if the Debtor Plan is confirmed by the Bankruptcy Court, to take reasonable actions necessary to consummate the Debtor Plan with respect to the Plan Treatment of the Wildfire Claims.

(iv) Subject to the Supporting Public Entities Consent Right and the terms and conditions of this Agreement, the Supporting Public Entities agree that they shall not directly or indirectly, or encourage any other entity to directly or indirectly to: (A) object to, delay, impede, or take any other action or any inaction to interfere with the acceptance, implementation, consummation, or amendment (whether before or after confirmation) of the Plan Treatment of the Supporting Public Entities' Wildfire Claims in the Debtor Plan, *provided* that in the case of an amendment, to the extent required by the terms of this Agreement, the Company has obtained the consent of the Supporting Public Entities; (B) seek, solicit, encourage, formulate, consent to, propose, file, support, negotiate, vote for, or take any other action in furtherance of any treatment of the Supporting Public Entities' Wildfire Claims in any restructuring, workout, merger, consolidation, business combination, joint venture, partnership, or sale of assets, plan of arrangement, or plan of reorganization for the Debtors other than the Plan Treatment in the Debtor Plan, including, for the avoidance of doubt, making or supporting any filings with the Bankruptcy Court (or instructing or authorizing their counsel to make any statement on the record at any hearing in the Chapter 11 Cases), or making or supporting any press release, press report or comparable public statement, or filing with respect to any alternative or competing treatment of the Wildfire Claims proposed with respect to any other restructuring, workout, plan of arrangement, or plan of reorganization, other than the Debtor Plan; (C) exercise any right or remedy for the enforcement, collection, or recovery of any Wildfire Claim against the Debtors or any direct or indirect subsidiaries of the Debtors that are not Debtors; and/or (D) otherwise support the treatment of the Wildfire Claims proposed in any plan or sale process proposed by any entity other than the Debtors.

(b) **Voting.** Subject to the Supporting Public Entities' Consent Right, the terms and conditions of this Agreement, and the receipt by the Supporting Public Entities of a Disclosure Statement approved by the Bankruptcy Court and other solicitation materials in respect to the Debtor Plan providing for the Plan Treatment and otherwise consistent with this Agreement, the Supporting Public Entities agree that, for the duration of the Plan Support Period, they shall, to the extent the Supporting Public Entities are entitled to vote on such a Debtor Plan (but subject to Section 3(d) below): (i) timely vote (or cause to be voted) all of their Wildfire Claims to accept the Debtor Plan as it pertains to the Plan Treatment of the Wildfire Claims by delivering their duly

executed and completed ballot or ballots, as applicable, accepting the Debtor Plan on a timely basis following commencement of the solicitation of acceptances of the Debtor Plan in accordance with sections 1125 and 1126 of the Bankruptcy Code, (ii) not change or withdraw the Wildfire Claim vote (or cause or direct such vote to be changed or withdrawn), (iii) timely vote (or cause to be voted) their Wildfire Claims against (and shall not directly or indirectly, through any person or entity, seek, solicit, propose, support, assist, engage in negotiations in connection with or participate in the formulation, preparation, filing or prosecution of) any plan, plan proposal, restructuring proposal, offer of dissolution, winding up, liquidation, sale or disposition of assets, reorganization, merger or restructuring of the Company other than the Debtor Plan.

(c) Transfers. During the Plan Support Period, the Supporting Public Entities shall not sell, use, loan, pledge, assign, transfer, permit the participation in, or otherwise dispose of (each, a “**Transfer**”) directly or indirectly, in whole or in part, any of their Wildfire Claims or any ownership (including any beneficial ownership) ¹ in their Wildfire Claims, or any option thereon or any right or interest therein (including grant any proxies, deposit any interest in any of their Wildfire Claims into a voting trust or enter into a voting agreement with respect to any such Wildfire Claims). Any Transfer made in violation of this Section 2(c) shall be void *ab initio* and the Company shall have the right to enforce the voiding of such Transfer.

(d) Retention of Rights as to Non-Wildfire Claims. Notwithstanding anything to the contrary in this Agreement, the Supporting Public Entities shall have the right to (i) assert any and all Non-Wildfire Claims they may have in the Chapter 11 Cases against the Debtors, (ii) defend any objections or other disputes with respect to any Non-Wildfire Claims they may have in the Chapter 11 Cases against the Debtors, (iii) object to the Debtor Plan solely with respect to any provisions therein providing for the treatment or payment of any Non-Wildfire Claims they may have in the Chapter 11 Cases against the Debtors, and (iv) vote their Non-Wildfire Claims in any manner deemed appropriate to the Supporting Public Entity holding such Non-Wildfire Claim, in such Supporting Public Entity’s sole discretion.

(e) Certain Tax Matters. In furtherance of the Plan Treatment, the Supporting Public Entities agree to file all applicable United States federal, state and local tax returns, filings and submissions in a manner consistent with treatment of all amounts distributable as restitution, including any filings required to be made by the Supporting Public Entities under Section 6050X of the U.S. Internal Revenue Code. As may be reasonably requested by the Company, the Supporting Public Entities shall reasonably cooperate with the Company in connection with the Company’s preparation and filing of any applicable tax returns, filings or submissions and any audit or other tax proceeding with respect thereto, to the extent related to this Agreement; provided, however, the Supporting Public Entities shall not be obligated to incur any unreimbursed out-of-pocket cost, expense or liability in connection with such cooperation.

(f) The Parties acknowledge and agree that (i) the Supporting Public Entities did not demand and the Company did not agree that any portion of the Settlement Payment is on account of any claims or damages of the Supporting Public Entities as to which any monies or benefits

¹ As used herein, the term “**beneficial ownership**” means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Claims or the right to acquire such Claims.

were provided, are being provided, or will be provided to the Supporting Public Entities from California Office of Emergency Services (“ **OES** ”), the Federal Emergency Management Agency (“ **FEMA** ”) or any other government payment or assistance, or any insurers or re-insurers of the Supporting Public Entities, (ii) the Settlement Payment and Plan Treatment provided for in this Agreement does not evidence any settlement of any claims the OES, FEMA or any other government entity or agency, or the Supporting Public Entities’ insurers or re-insurers may have against the Company, and (iii) nothing in this Agreement in any way releases, limits, modifies or in any way affects any claims that OES, FEMA, or any other government entity or agency, or the Supporting Public Entities’ insurers or re-insurers may have against the Company (including, but not limited to, any insurance provider subrogation claims).

4. Agreements of the Company.

(a) Filing of Supporting Public Entities’ Claims. Subject to the terms and conditions of this Agreement, the Supporting Public Entities, in order to protect their rights if this Agreement is terminated, may file timely proofs of claim in the Chapter 11 Cases in any amount the Supporting Public Entities deem appropriate evidencing any and all Claims they may have against the Debtors, including but not limited to the Wildfire Claims; provided, however, the Debtors shall not object to, seek any setoff with respect to, dispute the amount of, or otherwise contest any Wildfire Claim submitted by a Supporting Public Entity during the Plan Support Period and shall affirmatively support the Plan Treatment of the Supporting Public Entities’ Wildfire Claims consistent with this Agreement; provided further that the Supporting Public Entities hereby acknowledge and agree that the Settlement Payment is a reasonable amount to fully liquidate, settle and resolve all Wildfire Claims regardless of the Claim amount that may be asserted in such proofs of Claim and the Supporting Public Entities, with the exception of filing the proofs of Claim provided for in this section, will not during the Plan Support Period take any public or private position to the contrary. For avoidance of doubt, if this Agreement is terminated, the Debtors may object to any proofs of claim filed by the Supporting Public Entities on any basis whatsoever.

(b) Covenants. Subject to the terms and conditions hereof, unless compliance is waived in writing by the Supporting Public Entities, the Company agrees that during the Plan Support Period they shall:

(i) prepare or cause to be prepared the Debtor Plan, Disclosure Statement and all relevant motions, applications, orders, agreements and other documents directly related thereto, each of which, for the avoidance of doubt, shall contain terms and conditions consistent with the Plan Treatment;

(ii) provide draft copies of the foregoing documents that the Company intends to file with the Bankruptcy Court to counsel for the Supporting Public Entities as soon as reasonably practicable prior to such documents being filed with the Bankruptcy Court, and to consult in good faith with counsel for the Supporting Public Entities regarding the form and substance of any of the foregoing documents in advance of the filing, execution, distribution or use (as applicable) thereof;

(iii) include the necessary provisions in any Debtor Plan proposed by the Debtors to effectuate the Plan Treatment and to carry out the terms of this Agreement;

(iv) support and take all commercially reasonable efforts to facilitate the solicitation and confirmation of the Debtor Plan, including the Plan Treatment, and take all reasonably necessary actions to consummate the Debtor Plan, including the Plan Treatment, and the transactions contemplated thereby;

(v) unless pursuant to a fiduciary obligation under Section 4(b), (A) cease and cause to be terminated any ongoing solicitation, discussions and negotiations with respect to any alternative plan that is not consistent with the Plan Treatment; (B) not, directly or indirectly, seek, solicit, negotiate, support, engage in or initiate discussions relating to, or enter into any agreements relating to any alternative plan that is not consistent with the Plan Treatment; (C) not solicit or direct any person or entity, including any of its representatives or members of the Company's board of directors (or equivalent) or any direct or indirect holders of existing equity securities of the Company, to undertake any of the foregoing;

(vi) use reasonable best efforts to obtain the consent, or the waiver of lack of consent as a defense, of the Company's insurance carriers for the policy years 2017 and 2018 in a timely manner and in no event later than the date the Debtors commence solicitation of votes on the Debtor Plan; and

(c) Fiduciary Duty Obligations. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the board of directors, or any such similar governing body of any Company entity to take any action, or to refrain from taking any action, with respect to the Debtor Plan or any contemplated restructuring transactions to the extent such board of directors or other such similar governing body determines that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or would be inconsistent with the exercise of its fiduciary duties under applicable law.

5. Termination of Agreement.

(a) Automatic Termination. Unless waived or modified by agreement between the Parties, this Agreement shall terminate automatically, without any further action required by any Party (i) upon the occurrence of the Effective Date and the receipt of the Settlement Payment by the law firm of Baron & Budd's Trust Account or (ii) upon the effective date of a plan of reorganization in the Chapter 11 Cases confirmed by the Bankruptcy Court other than the Debtor Plan, without affecting any obligations that the Supporting Public Entities have with respect to said non-Debtor plan of reorganization under this Agreement.

(b) Mutual Termination. This Agreement may be terminated by mutual agreement of the Parties upon the receipt of written notice delivered in accordance with Section 19 hereof.

(c) General Termination Events. The Agreement may be terminated by either Party, by the delivery to the other Party of a written notice in accordance with Section 19 hereof, upon the occurrence and continuation of any of the following events:

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment or order enjoining the consummation of or rendering illegal the Debtor Plan, and either (A) such ruling, judgment or

order has been issued at the request of or with the acquiescence of the Company, or (B) in all other circumstances, such ruling, judgment or order has not been stayed, reversed or vacated within 90 calendar days after such issuance; or

(ii) the Bankruptcy Court enters an order (A) converting any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code or (B) dismissing any of the Chapter 11 Cases.

(d) Supporting Public Entities Termination Event. This Agreement may be terminated by the Supporting Public Entities, or any one of them individually (as to itself only, in which event the Settlement Payment will be correspondingly reduced in accordance with the allocations as set forth in Exhibit A), by the delivery to the Company and the other Supporting Public Entities of a written notice in accordance with Section 19 hereof by the Supporting Public Entities, if:

(i) the Federal Emergency Management Agency (FEMA) or the California Office of Emergency Services (COES) fail to agree in writing that no reimbursement is required from the Supporting Public Entities on account of any assistance rendered by either agency in connection with the Fires from the Settlement Payment to be paid by the Debtors to the Supporting Public Entities under the Debtor Plan as provided in Section 2(b)(i) hereof, and that the Supporting Public Entities are released from any obligation to pursue any of the claims held by FEMA or COES against the Company; or

(ii) the Debtors file with the Bankruptcy Court a Debtor Plan that provides for any Settlement Payment to the Supporting Public Entities in a collective total amount less than \$415 million, the Bankruptcy Court modifies any filed Debtor Plan so as to provide for any settlement payment to the Supporting Public Entities in a collective total amount less than \$415 million or such Debtor Plan is otherwise materially inconsistent with the Plan Treatment; or

(iii) the Company breaches or otherwise fails to perform, in any material respect, any of the representations, warranties, agreements, or covenants of the Company set forth in this Agreement, which breach or failure remains uncured upon the earlier of: (A) five days prior to the Effective Date of the Debtor Plan, or (B) the expiration of 15 days after the receipt by the Company from the Supporting Public Entities of written notice of such breach or failure to perform; or

(iv) with respect to any individual Supporting Public Entity, prior to the expiration of the time period for notices of claims to be timely filed against that Supporting Public Entity, a material amount of Third Party Claims (materiality being determined with respect to the circumstances of the particular Supporting Public Entity) have been noticed against such individual Supporting Public

Entity and (a) the Debtors file with the Bankruptcy Court a Debtor Plan that does not provide for a release of all Third Party Claims against that Supporting Public Entity or (b) the Bankruptcy Court rules that it will not approve a release of all Third Party Claims against such Supporting Public Entity. Under the circumstances described in subpart (b) of the preceding sentence in which the Court rules that it will not approve a release of all Third Party Claims against such Supporting Public Entity and that Supporting Public Entity exercises its right to terminate this Agreement under this Section 5(d)(iv), the Supporting Public Entity shall have the right to revoke its vote in favor of the Debtor Plan and file an opposition to the plan should they so choose. For purposes hereof, Third Party Claims shall mean any and all past, present or future claims against the Supporting Public Entities in any way relating to the Fires held by entities or individuals other than the Debtors or the Plan Support Public Entities, including but not limited to claims by individual plaintiffs or subrogated insurance carriers against the Supporting Public Entities for personal injuries, property damage, reimbursement of insurance payments and/or wrongful death relating in any way to the Fires.

(e) This Agreement may be terminated by the Company, by the delivery to the Supporting Public Entities of a written notice in accordance with Section 19 hereof by the Company upon a Company Termination Event.

A “Company Termination Event” shall mean any of the following:

(i) the failure to obtain the consent, or the waiver of lack of consent as a defense, of the Company’s insurance carriers for the policy years 2017 and 2018;

(ii) the breach in any material respect by the Supporting Public Entities of any of the representations, warranties or covenants of the Supporting Public Entities set forth in this Agreement, which breach remains uncured for a period of 15 days after the receipt by the Supporting Public Entities from the Company of written notice of such breach;

(iii) the board of directors, managers, or similar governing body, as applicable, of any Company entity determines in good faith that continued performance under this Agreement would be inconsistent with the exercise of its fiduciary duties under applicable law; or

(iv) the termination of any Public Entity PSA between the Company and any Plan Support Public Entity for any reason and by any entity pursuant to the terms of that Public Entity PSA. For the avoidance of doubt, in the event that any individual Plan Support Public Entity terminates their Public Entity PSA just as to itself, the Company shall have the right pursuant to this provision to terminate all Public Entity PSAs.

(f) Effect of Termination. Upon the termination of this Agreement in accordance with this Section 5, and except as provided in Section 13 hereof, this Agreement shall forthwith become void and of no further force or effect and each Party shall, except as provided

otherwise in this Agreement, be immediately released from its liabilities, obligations, commitments, undertakings and agreements under or related to this Agreement and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Debtor Plan and contemplated restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement; provided, however, that in no event shall any such termination relieve a Party from liability for its breach or non-performance of its obligations hereunder prior to the date of such termination. Upon any such termination of this Agreement, the Supporting Public Entities may, upon written notice to the Company and the other Parties, revoke their vote or any consents given prior to such termination, whereupon any such vote or consent shall be deemed, for all purposes, to be null and void *ab initio* and shall not be considered or otherwise used in any manner by the Parties in connection with the Debtor Plan and contemplated restructuring and this Agreement. Notwithstanding anything to the contrary herein, the Supporting Public Entities shall not have a right to terminate this Agreement if a default or failure (including by action, inaction or misrepresentation) by the Supporting Public Entities of their obligations, undertakings, representations, warranties, or covenants hereunder is the cause, directly or indirectly, of the event giving rise to the right to terminate.

6. Good Faith Cooperation; Further Assurances.

Subject to the terms and conditions hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Party to carry out the purposes and intent of this Agreement.

7. Representations and Warranties.

Each Party represents and warrants to the other Party that the following statements are true, correct and complete as of the date hereof:

(a) such Party has the corporate, governmental entity, or similar authority to enter into this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court; and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized;

(b) the execution, delivery, and performance by such Party of this Agreement does not and will not (A) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar organization, constitutive or other governing documents) or those of any of its subsidiaries, or (B) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party;

(c) the execution, delivery, and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or notice to, or other action, with or by, any federal, state, or governmental authority or regulatory body, except such filings as may be necessary and/or required by the SEC and, in the case of the Debtors, any requisite approval of the Bankruptcy Court; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court.

The Supporting Public Entities further represent and warrant to the Company that they (A)(i) are the owners of all the Supporting Public Entities' Claims, including the Wildfire Claims, and, prior to the date hereof, have made no assignment, sale, participation, grant, conveyance, pledge or other Transfer of any such Claims to any person that is not a party to this Agreement and have not entered into any other agreement to assign, sell participate, grant, convey, pledge, or otherwise transfer, in whole or in part, any portion of their right, title, or interests in any of the Claims that are inconsistent or conflict with the representations, warranties of such Supporting Public Entities herein or that would render them otherwise unable to comply with this Agreement and perform their obligations hereunder, either generally or with respect to any specific Claims, (ii) have the sole investment or voting discretion with respect to such Claims, (iii) have the full power and authority to vote on, and take action with respect to, and consent to matters concerning such Claims, or exchange or Transfer such Claims, (iv) have the full power and authority to bind or act on behalf of the beneficial owners of such Claims, if any and (v) do not own any other Claims and (B) other than pursuant to this Agreement, such Claims are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, or other limitation on disposition or encumbrance of any kind that would prevent in any way the Supporting Public Entities' performance of their obligations hereunder as of the date hereof and at the time such obligations are required to be performed.

8. Mediation Communications Privilege and Confidentiality.

Any and all communications, information, and/or documents related and leading up to, including during any and all parts of a mediation and/or settlement negotiation process, including the preparation of this Agreement, are confidential, and will not be disclosed to any third-party without the prior written consent of the Parties, except (a) to enforce any term of this Agreement, (b) to the extent required to be disclosed in mandatory filings with the U.S. Securities and Exchange Commission, (c) to the extent required or necessary to receive legal, tax or accounting advice, (d) as otherwise required by law, (e) to the extent required to be disclosed in mandatory filings with the U.S. Internal Revenue Service; (f) to the extent such terms have already been publicly disclosed as permitted by this paragraph; and (g) as required to effectuate the covenants of the Parties herein in connection with the Chapter 11 Cases (including in any Definitive Document). Prior to any Party's initial public disclosure of confidential information or communications pursuant to this paragraph, that Party shall permit the other Party to review a draft of such initial public disclosure and shall in good faith consider any edits proposed by the other Party. The Parties also agree that they shall not take the position in any public communication that the amount of the Settlement Payment or the Plan Treatment are not a reasonable amount to fully liquidate, settle and resolve all the Plan Support Public Entities' Wildfire Claims in a confirmed plan.

9. Amendments and Waivers.

This Agreement, including any exhibits or schedules hereto, may not be waived, modified, amended or supplemented except in a writing signed by the Company and the Supporting Public Entities.

10. Effectiveness.

This Agreement shall become effective and binding on the Parties, to the fullest extent permissible under applicable law, on the Plan Support Effective Date, and not before such date.

11. Governing Law; Jurisdiction; Jury Trial and Section 1542 Waivers.

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of California and applicable federal law, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the Bankruptcy Court and each Party hereby irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, Courts of the State of California and of the United States District Court of the Northern District of California, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the Bankruptcy Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the proceeding in such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES

HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

(d) IN CONNECTION WITH THE PLAN RELEASE, THE PUBLIC ENTITY RELEASING PARTIES ACKNOWLEDGE THAT THEY HAVE BEEN ADVISED BY THEIR ATTORNEYS CONCERNING, AND ARE FAMILIAR WITH, CALIFORNIA CIVIL CODE § 1542 AND, TO THE EXTENT SAID PROVISION APPLIES TO THIS AGREEMENT, THE SUPPORTING PUBLIC ENTITY RELEASING PARTIES EXPRESSLY WAIVE ANY AND ALL RIGHTS AND BENEFITS THEY MAY HAVE UNDER *CALIFORNIA CIVIL CODE §1542*, AS WELL AS UNDER ANY OTHER STATE OR FEDERAL STATUTE OR COMMON LAW PRINCIPLE OF SIMILAR EFFECT. *CALIFORNIA CIVIL CODE §1542* PROVIDES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTION HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

12. Specific Performance/Remedies.

It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by a Party and the non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys' fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy (or the posting of any bond), including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder.

13. Survival.

Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Parties set forth in the following Sections: 5(f), 7, 8, 11, 12, 14, 15, 16, 17, 18, 19, 20, and 21 hereof (and any defined terms used in any such Sections) shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided, however, that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

14. Headings.

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

15. Successors and Assigns; Severability; Several Obligations.

This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 15 shall be deemed to permit Transfers

of the Supporting Public Entities' Claims. If any provision of this Agreement, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

16. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary hereof.

17. Prior Negotiations; Entire Agreement.

This Agreement constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company and the Supporting Public Entities shall continue in full force and effect.

18. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement may be delivered by facsimile or otherwise, which shall be deemed to be an original for the purposes of this paragraph.

20. Reservation of Rights; No Admission.

(a) Nothing contained herein shall limit the rights of any Party to appear as a party in interest in the Chapter 11 Cases so long as such appearance is consistent with such Party's obligations hereunder.

(b) This Agreement and the Debtor Plan are part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. Pursuant to Rule 408 of the Federal Rule of Evidence, any applicable state rules of evidence and any other applicable law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be

admissible into evidence in any proceeding other than a proceeding to enforce its terms. This Agreement shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of either Party of any claim or fault or liability or damages whatsoever. Each of the Parties reserves all rights with respect to claims or defenses which it has asserted or could assert.

21. No Solicitation; Representation by Counsel; Interpretation; Adequate Information.

(a) This Agreement is not and shall not be deemed to be a solicitation for votes in favor of the Debtor Plan in the Chapter 11 Cases. The acceptances of the Supporting Public Entities with respect to the Debtor Plan will not be solicited until the Supporting Public Entities have received the Debtor Plan, the Disclosure Statement, and related ballots and solicitation materials, each as approved by the Bankruptcy Court.

(b) When a reference is made in this Agreement to a Section, Exhibit or Schedule, such reference shall be to a Section, Exhibit or Schedule, respectively, of or attached to this Agreement unless otherwise indicated. Unless the context of this Agreement otherwise requires, (a) words using the singular or plural number also include the plural or singular number, respectively, (b) the terms “hereof,” “herein,” “hereby” and derivative or similar words refer to this entire Agreement, (c) the words “include,” “includes,” and “including” when used herein shall be deemed in each case to be followed by the words “without limitation,” and (d) the word “or” shall not be exclusive and shall be read to mean “and/or.”

(c) Each Party acknowledges that it has had an opportunity to receive information from the other Party and that it has been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(d) Each Party hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the relevant Claims and the operations, businesses, financial and other conditions and prospects of the Company.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

EXHIBIT A
ALLOCATION OF THE PLAN TREATMENT

**PLAN SUPPORT AGREEMENT AS TO PLAN TREATMENT
OF PUBLIC ENTITY'S WILDFIRE CLAIMS**

This PLAN SUPPORT AGREEMENT (as amended, supplemented or otherwise modified from time to time in accordance with the terms hereof, this “**Agreement**”), dated as of June 18, 2019, is entered into by and among the following parties:

- (i) PG&E Corporation (“**PG&E Corp.**”) and Pacific Gas and Electric Company (the “**Utility**”), as debtors and debtors in possession (collectively, the “**Company**” or the “**Debtors**”); and
- (ii) Town of Paradise, a California municipal corporation (the “**Supporting Public Entity**”).

The Company and the Supporting Public Entity are referred to herein as the “**Parties**” and individually as a “**Party**.”

WHEREAS, on January 29, 2019 (the “**Petition Date**”), the Debtors commenced voluntary cases (the “**Chapter 11 Cases**”) under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Northern District of California (the “**Bankruptcy Court**”), which Chapter 11 Cases have been consolidated by order of the Bankruptcy Court for procedural purposes only and are being jointly administered under case number 19-30088 (DM);

WHEREAS, during the course of the Chapter 11 Cases, the Debtors intend to file a joint chapter 11 plan of reorganization or separate chapter 11 plans of reorganization (such filed plan or plans, or any other filed plan or plans in the Chapter 11 Cases supported by the Debtors, the “**Debtor Plan**”) and a related disclosure statement or disclosure statements, as applicable (the “**Disclosure Statement**”);

WHEREAS, as of the date hereof, the Supporting Public Entity holds certain Wildfire Claims (as defined below) against the Released Parties (as defined below) including those embodied and alleged in the Operative Complaints (as defined below);

WHEREAS the Parties have engaged in arm’s length, good-faith discussions regarding the treatment of the Supporting Public Entity’s Wildfire Claims in the Debtor Plan;

WHEREAS, the Supporting Public Entity, as part of a global resolution that includes separate agreements between the Company and the City of Clearlake, the City of Napa, the City of Santa Rosa, the County of Lake, Lake County Sanitation District, the County of Mendocino, Napa County, the County of Nevada, the County of Sonoma, the Sonoma County Agricultural Preservation and Open Space District, Sonoma County Community Development Commission, Sonoma County Water Agency, Sonoma Valley County Sanitation District, the County of Yuba, Butte County, Paradise Park and Recreation District, and Calaveras County Water District, respectively (the “**Additional Supporting Public Entities**” and, together with the Supporting Public Entity, the “**Plan Support Public Entities**”), have agreed to support the Plan Treatment (as

defined below) of the Supporting Public Entity's Wildfire Claims in accordance with the terms set forth herein, and each of the Plan Support Public Entities are entering into separate substantially similar plan support agreements with the Company (each, a "**Public Entity PSA**" and, collectively, the "**Public Entity PSAs**");

WHEREAS, the Company and the Supporting Public Entity have agreed upon an amount of \$270 million (the "**Settlement Payment**") to be paid to the Supporting Public Entity by the Company pursuant to the Debtor Plan in order to liquidate, settle and resolve and discharge all of the Supporting Public Entity's Wildfire Claims against the Released Parties including those alleged in the Operative Complaints;

WHEREAS, for and in consideration of the payment of the Settlement Payment by the Company to the Supporting Public Entity pursuant to the Debtor Plan (and satisfaction of the Company's other obligations under this Agreement) and the releases to be provided by the Supporting Public Entity as to its Wildfire Claims, the Parties have agreed to support the Plan Treatment of the Wildfire Claims in a Debtor Plan, subject to and in accordance with the terms set forth in this Agreement;

WHEREAS, the Debtor Plan will provide for, among other key terms, the treatment, satisfaction and discharge of the Supporting Public Entity's Wildfire Claims as well as releases in favor of the Released Parties by the Public Entity Releasing Parties (as defined below) with respect to the Supporting Public Entity's Wildfire Claims;

WHEREAS, the amounts payable in resolution, satisfaction and discharge in accordance with this Agreement and the Plan Treatment, are intended by the Parties as a fair and reasonable amount of restitution for economic damages incurred, with all other Wildfire Claims of the Supporting Public Entity being released and discharged;

WHEREAS, the Parties desire to express to each other their mutual support and commitment with respect to the Plan Treatment of the Wildfire Claims in a Debtor Plan incorporating the matters and the terms discussed herein;

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and incorporating and affirming the accuracy of the Recitals stated above, the Parties, intending to be legally bound, agree as follows:

1. Certain Definitions.

As used in this Agreement, the following terms have the following meanings:

(a) "Claim" has the meaning ascribed to such term under section 101(5) of the Bankruptcy Code.

(b) "Definitive Documents" means the Debtor Plan, the Disclosure Statement and any order approving the Disclosure Statement (the "**Disclosure Statement Order**"), and any

(g) “Plan Support Effective Date” means the date upon which the Debtors and each Plan Support Public Entity has fully executed and delivered the applicable Public Entity PSA to each other. For the avoidance of doubt, this Agreement shall not be effective as to any Party until the Debtors and each of the Plan Support Public Entities has executed a Public Entity PSA. The Debtors shall not be required to obtain Bankruptcy Court approval of entry into this Agreement (other than to the extent the settlement and compromises and the Plan Treatment contemplated by this Agreement are being approved pursuant to a Confirmation Order in respect of a Debtor Plan at such time as the Debtors determine to seek such approval).

(k) “Supporting Public Entity Consent Right” means the Supporting Public Entity’s right to consent to or approve a Definitive Document, which right shall apply solely to the extent the Definitive Document (i) is not consistent in any material respect with this Agreement; (ii) adversely affects, directly or indirectly, in any material respect the Supporting Public Entity’s recoveries or treatment under the Debtor Plan with respect to the Supporting Public Entity’s Wildfire Claims, as compared to the Plan Treatment (as defined below), other than such different treatment that may be consented to, in writing, by the Supporting Public Entity, (iii) materially adversely affects, directly or indirectly, the obligations the Supporting Public Entity may have pursuant to this Agreement, or (iv) materially adversely affects the interests of the Supporting Public Entity with respect to any future acts or omissions of the Reorganized Debtors. If a Definitive Document is a court order, the Supporting Public Entity’s right to consent to or approve such order shall apply solely with respect to the form and substance of the proposed order submitted to the Court and solely to the extent such proposed order provides treatment for the Supporting Public Entity’s Claims that is not consistent in any material respect with this Agreement, the Debtor Plan or Disclosure Statement.

(l) “Wildfire Claims” means any and all past, present or future Claims against the Released Parties in any way relating to the Fires, including all those that were pleaded or asserted or could have been pleaded or asserted based on the factual allegations set forth in the Operative Complaints or were filed or could be filed by the Supporting Public Entity in connection with the Chapter 11 Cases whether arising under California law or any other applicable law of the United States (state or federal) or any other jurisdiction, in each case whether such claims are absolute or contingent, direct or indirect, known or unknown, foreseen or unforeseen, in contract, tort or in equity, under any theory of law. Wildfire Claims include, but are not limited to, Claims against the Released Parties to recover general and/or specific damages resulting from the Fires, including: pavement fatigue, damage to culverts, ecosystem service losses, municipal budget adjustments/reallocation, lost revenue and tax impacts, local share of reimbursed fire clean-up costs, future estimated infrastructure costs, water service losses, lost landfill capacity, costs related to unmet housing (*e.g.* , housing market impact due to the Fires and adjustments for increased homeless population), hazard mitigation costs (including, watershed restoration and hazardous tree removal expenses; damages for repair, depreciation and/or replacement of damaged, destroyed,

For avoidance of doubt and without prejudice to the Debtors' right to object to any such claim, "Wildfire Claims" shall not include a claim in the Chapter 11 Cases for substantial contribution under Section 503(b) of the Bankruptcy Code.

2. Debtor Plan Terms.

(a) The Debtor Plan shall be in form and substance satisfactory to the Debtors in their sole discretion and shall provide for, among other things, the treatment and resolution of all Claims and interests in a manner acceptable to the Debtors; *provided that*, the Debtor Plan must be consistent with the provisions of this Agreement and provide for the Plan Treatment.

(b) The Debtor Plan shall provide for full and complete releases from the Public Entity Releasing Parties in favor of the Released Parties, contain the following material terms, and result in the following occurrences relating to the Supporting Public Entity and its Wildfire Claims:

(i) Treatment of Supporting Public Entity's Wildfire Claims. On the Effective Date, or as soon as practicable thereafter but in no event later than 30 days after the Effective Date, the Company shall remit, or cause to be remitted, to the Supporting Public Entity, in full and final satisfaction and discharge of its Wildfire Claims, the Settlement Payment of \$270 million payable to the law firm of Baron & Budd's Trust Account (the "Plan Treatment") prior to the filing of the Debtor Plan with the Bankruptcy Court. Without in any way limiting the fact that the Settlement Payment shall be in full and final settlement, release and discharge of all Wildfire Claims of the Supporting Public Entity, the Settlement Payment shall be in restitution for any economic damages or harm incurred, and all other Wildfire Claims of the Supporting Public Entity (including any Claims for attorneys' fees and the costs of any investigation, subject to a possible 503(b) application) shall be released and discharged for no additional consideration. The Company shall support the Plan Treatment and the incorporation of the Plan Treatment in any Debtor Plan. As detailed in Section 20, the Plan Treatment shall not constitute an admission or concession on the part of any Party of any claim or fault or liability or damages or defense whatsoever.

(ii) Segregated Defense Fund. Subject to the Plan Support Public Entities affirmatively voting to accept the Debtors' Plan, the Debtors' Plan shall further provide for the creation of a single segregated fund for the benefit of the Plan Support Public Entities in the amount of \$10 million to be funded promptly, but no less than 30 days after the Effective Date, and the Debtors shall be obligated to use such fund to reimburse the Plan Support Public Entities for any and all legal fees and costs associated with the defense or resolution of any Third Party

Claims against the Supporting Public Entity. Such fund shall be maintained by the Debtors until the later of (a) the expiration of the applicable limitations period for any and all such Third-Party Claims and (b) the conclusion of all litigation involving Third Party Claims, including appeals.

(iii) **Debtor Releases.** Subject to payment in full by the Company of the Settlement Payment to Baron & Budd's Trust Account, in addition to the Public Entity Releasing Parties providing full and complete releases in favor of the Released Parties, any and all of the Supporting Public Entity's Wildfire Claims shall be deemed satisfied, released and discharged in accordance with Section 1141 of the Bankruptcy Code and other applicable law, and forever barred to the fullest extent permitted by law (collectively, the "Plan Release").

(iv) **Public Entity Releases.** Debtors and the Reorganized Debtors and the Debtors' and the Reorganized Debtors' predecessors, successors, assigns, subsidiaries, affiliates, current and former officers and directors, principals, shareholders, members, partners, managers, employees, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors, and other professionals shall fully and completely release and forever discharge the Public Entity Releasing Parties from any and all claims, debts, causes of action, agreements and/or liabilities whatsoever, both at law and in equity, that such entities ever had, now have or may hereafter have against the Public Entity Releasing Parties pertaining to, or arising directly or indirectly from or related in any way to the Fires.

3. Agreements of the Supporting Public Entity.

(a) Agreement to Support.

(i) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that, as long as the Debtor Plan is consistent with this Agreement, the Supporting Public Entity shall use all reasonable efforts during the Plan Support Period to support the Debtor Plan with respect to the Debtor's Plan Treatment of the Wildfire Claims, in accordance with the terms set forth herein, and to act in good faith to consummate the Plan Treatment with respect to the Supporting Public Entity's Wildfire Claims in a timely manner.

(ii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that the Settlement Payment is reasonable and sufficient in order to liquidate, settle and resolve all of the Supporting Public Entity's Wildfire Claims against the Company including those alleged in the Operative Complaints and that it will not object to any Debtor Plan or any other plan on the grounds that the Settlement Payment is unreasonable or insufficient in any way. The Supporting Public Entity also agrees that it will not support any plan that provides for any different recovery from the Settlement Payment, unless this Agreement has been terminated pursuant to the terms hereof.

(iii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees to the Plan Treatment of its

Wildfire Claims and, if the Debtor Plan is confirmed by the Bankruptcy Court, to take reasonable actions necessary to consummate the Debtor Plan with respect to the Plan Treatment of the Wildfire Claims.

(iv) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees that it shall not directly or indirectly, or encourage any other entity to directly or indirectly to: (A) object to, delay, impede, or take any other action or any inaction to interfere with the acceptance, implementation, consummation, or amendment (whether before or after confirmation) of the Plan Treatment of the Supporting Public Entity's Wildfire Claims in the Debtor Plan, *provided* that in the case of an amendment, to the extent required by the terms of this Agreement, the Company has obtained the consent of the Supporting Public Entity; (B) seek, solicit, encourage, formulate, consent to, propose, file, support, negotiate, vote for, or take any other action in furtherance of any treatment of the Supporting Public Entity's Wildfire Claims in any restructuring, workout, merger, consolidation, business combination, joint venture, partnership, or sale of assets, plan of arrangement, or plan of reorganization for the Debtors other than the Plan Treatment in the Debtor Plan, including, for the avoidance of doubt, making or supporting any filings with the Bankruptcy Court (or instructing or authorizing their counsel to make any statement on the record at any hearing in the Chapter 11 Cases), or making or supporting any press release, press report or comparable public statement, or filing with respect to any alternative or competing treatment of the Wildfire Claims proposed with respect to any other restructuring, workout, plan of arrangement, or plan of reorganization, other than the Debtor Plan; (C) exercise any right or remedy for the enforcement, collection, or recovery of any Wildfire Claim against the Debtors or any direct or indirect subsidiaries of the Debtors that are not Debtors ; and/or (D) otherwise support the treatment of the Wildfire Claims proposed in any plan or sale process proposed by any entity other than the Debtors .

(b) Voting. Subject to the Supporting Public Entity Consent Right, the terms and conditions of this Agreement, and the receipt by the Supporting Public Entity of a Disclosure Statement approved by the Bankruptcy Court and other solicitation materials in respect to the Debtor Plan providing for the Plan Treatment and otherwise consistent with this Agreement, the Supporting Public Entity agrees that, for the duration of the Plan Support Period, it shall, to the extent the Supporting Public Entity is entitled to vote on such a Debtor Plan (but subject to Section 3(d) below): (i) timely vote (or cause to be voted) all of its Wildfire Claims to accept the Debtor Plan as it pertains to the Plan Treatment of the Wildfire Claims by delivering its duly executed and completed ballot or ballots, as applicable, accepting the Debtor Plan on a timely basis following commencement of the solicitation of acceptances of the Debtor Plan in accordance with sections 1125 and 1126 of the Bankruptcy Code, (ii) not change or withdraw the Wildfire Claim vote (or cause or direct such vote to be changed or withdrawn), (iii) timely vote (or cause to be voted) its Wildfire Claims against (and shall not directly or indirectly, through any person or entity, seek, solicit, propose, support, assist, engage in negotiations in connection with or participate in the formulation, preparation, filing or prosecution of) any plan, plan proposal, restructuring proposal, offer of dissolution, winding up, liquidation, sale or disposition of assets, reorganization, merger or restructuring of the Company other than the Debtor Plan.

(c) **Transfers.** During the Plan Support Period, the Supporting Public Entity shall not sell, use, loan, pledge, assign, transfer, permit the participation in, or otherwise dispose of (each, a “**Transfer**”) directly or indirectly, in whole or in part, any of its Wildfire Claims or any ownership (including any beneficial ownership) ¹ in its Wildfire Claims, or any option thereon or any right or interest therein (including grant any proxies, deposit any interest in any of its Wildfire Claims into a voting trust or enter into a voting agreement with respect to any such Wildfire Claims). Any Transfer made in violation of this Section 2(c) shall be void *ab initio* and the Company shall have the right to enforce the voiding of such Transfer.

(d) **Retention of Rights as to Non-Wildfire Claims.** Notwithstanding anything to the contrary in this Agreement, the Supporting Public Entity shall have the right to (i) assert any and all Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (ii) defend any objections or other disputes with respect to any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (iii) object to the Debtor Plan solely with respect to any provisions therein providing for the treatment or payment of any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, and (iv) vote its Non-Wildfire Claims in any manner deemed appropriate to the Supporting Public Entity, in its sole discretion.

(e) **Certain Tax Matters.** In furtherance of the Plan Treatment, the Supporting Public Entity agrees to file all applicable United States federal, state and local tax returns, filings and submissions in a manner consistent with treatment of all amounts distributable as restitution, including any filings required to be made by the Supporting Public Entity under Section 6050X of the U.S. Internal Revenue Code. As may be reasonably requested by the Company, the Supporting Public Entity shall reasonably cooperate with the Company in connection with the Company’s preparation and filing of any applicable tax returns, filings or submissions and any audit or other tax proceeding with respect thereto, to the extent related to this Agreement; provided, however, the Supporting Public Entity shall not be obligated to incur any unreimbursed out-of-pocket cost, expense or liability in connection with such cooperation.

(f) The Parties acknowledge and agree that (i) the Supporting Public Entity did not demand and the Company did not agree that any portion of the Settlement Payment is on account of any claims or damages of the Supporting Public Entity as to which any monies or benefits were provided, are being provided, or will be provided to the Supporting Public Entity from California Office of Emergency Services (“**OES**”), the Federal Emergency Management Agency (“**FEMA**”) or any other government payment or assistance, or any insurers or re-insurers of the Supporting Public Entity, (ii) the Settlement Payment and Plan Treatment provided for in this Agreement does not evidence any settlement of any claims the OES, FEMA or any other government entity or agency, or the Supporting Public Entity’s insurers or re-insurers may have against the Company, and (iii) nothing in this Agreement in any way releases, limits, modifies or in any way affects any claims that OES, FEMA, or any other government entity or agency, or the Supporting Public Entity’s insurers or re-insurers may have against the Company (including, but not limited to, any insurance provider subrogation claims).

¹ As used herein, the term “**beneficial ownership**” means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Claims or the right to acquire such Claims.

4. Agreements of the Company.

(a) Filing of Supporting Public Entity's Claims. Subject to the terms and conditions of this Agreement, the Supporting Public Entity, in order to protect its rights if this Agreement is terminated, may file timely proofs of claim in the Chapter 11 Cases in any amount the Supporting Public Entity deems appropriate evidencing any and all Claims it may have against the Debtors, including but not limited to the Wildfire Claims; provided, however, the Debtors shall not object to, seek any setoff with respect to, dispute the amount of, or otherwise contest any Wildfire Claim submitted by the Supporting Public Entity during the Plan Support Period and shall affirmatively support the Plan Treatment of the Supporting Public Entity's Wildfire Claims consistent with this Agreement; provided further that the Supporting Public Entity hereby acknowledges and agrees that the Settlement Payment is a reasonable amount to fully liquidate, settle and resolve all of its Wildfire Claims regardless of the Claim amount that may be asserted in such proofs of Claim and the Supporting Public Entity, with the exception of filing the proofs of Claim provided for in this section, will not during the Plan Support Period take any public or private position to the contrary. For avoidance of doubt, if this Agreement is terminated, the Debtors may object to any proofs of claim filed by the Supporting Public Entity on any basis whatsoever.

(b) Covenants. Subject to the terms and conditions hereof, unless compliance is waived in writing by the Supporting Public Entity, the Company agrees that during the Plan Support Period they shall:

(i) prepare or cause to be prepared the Debtor Plan, Disclosure Statement and all relevant motions, applications, orders, agreements and other documents directly related thereto, each of which, for the avoidance of doubt, shall contain terms and conditions consistent with the Plan Treatment;

(ii) provide draft copies of the foregoing documents that the Company intends to file with the Bankruptcy Court to counsel for the Supporting Public Entity as soon as reasonably practicable prior to such documents being filed with the Bankruptcy Court, and to consult in good faith with counsel for the Supporting Public Entity regarding the form and substance of any of the foregoing documents in advance of the filing, execution, distribution or use (as applicable) thereof;

(iii) include the necessary provisions in any Debtor Plan proposed by the Debtors to effectuate the Plan Treatment and to carry out the terms of this Agreement;

(iv) support and take all commercially reasonable efforts to facilitate the solicitation and confirmation of the Debtor Plan, including the Plan Treatment, and take all reasonably necessary actions to consummate the Debtor Plan, including the Plan Treatment, and the transactions contemplated thereby;

(v) unless pursuant to a fiduciary obligation under Section 4(b), (A) cease and cause to be terminated any ongoing solicitation, discussions and negotiations with

respect to any alternative plan that is not consistent with the Plan Treatment; (B) not, directly or indirectly, seek, solicit, negotiate, support, engage in or initiate discussions relating to, or enter into any agreements relating to any alternative plan that is not consistent with the Plan Treatment; (C) not solicit or direct any person or entity, including any of its representatives or members of the Company's board of directors (or equivalent) or any direct or indirect holders of existing equity securities of the Company, to undertake any of the foregoing;

(vi) use reasonable best efforts to obtain the consent, or the waiver of lack of consent as a defense, of the Company's insurance carriers for the policy years 2017 and 2018 in a timely manner and in no event later than the date the Debtors commence solicitation of votes on the Debtor Plan; and

(c) Fiduciary Duty Obligations. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the board of directors, or any such similar governing body of any Company entity to take any action, or to refrain from taking any action, with respect to the Debtor Plan or any contemplated restructuring transactions to the extent such board of directors or other such similar governing body determines that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or would be inconsistent with the exercise of its fiduciary duties under applicable law.

5. Termination of Agreement.

(a) Automatic Termination. Unless waived or modified by agreement between the Parties, this Agreement shall terminate automatically, without any further action required by any Party (i) upon the occurrence of the Effective Date and the receipt of the Settlement Payment by the law firm of Baron & Budd's Trust Account or (ii) upon the effective date of a plan of reorganization in the Chapter 11 Cases confirmed by the Bankruptcy Court other than the Debtor Plan, without affecting any obligations that the Supporting Public Entity has with respect to said non-Debtor plan of reorganization under this Agreement.

(b) Mutual Termination. This Agreement may be terminated by mutual agreement of the Parties upon the receipt of written notice delivered in accordance with Section 19 hereof.

(c) General Termination Events. The Agreement may be terminated by either Party, by the delivery to the other Party of a written notice in accordance with Section 19 hereof, upon the occurrence and continuation of any of the following events:

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment or order enjoining the consummation of or rendering illegal the Debtor Plan, and either (A) such ruling, judgment or order has been issued at the request of or with the acquiescence of the Company, or (B) in all other circumstances, such ruling, judgment or order has not been stayed, reversed or vacated within 90 calendar days after such issuance; or

(ii) the Bankruptcy Court enters an order (A) converting any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code or (B) dismissing any of the Chapter 11 Cases.

(d) Supporting Public Entity Termination Event. This Agreement may be terminated by the Supporting Public Entity by the delivery to the Company of a written notice in accordance with Section 19 hereof by the Supporting Public Entity, if:

(i) the Federal Emergency Management Agency (FEMA) or the California Office of Emergency Services (COES) fail to agree in writing that no reimbursement is required from the Supporting Public Entity on account of any assistance rendered by either agency in connection with the Fires from the Settlement Payment to be paid by the Debtors to the Supporting Public Entity under the Debtor Plan as provided in Section 2(b)(i) hereof, and that the Supporting Public Entity is released from any obligation to pursue any of the claims held by FEMA or COES against the Company; or

(ii) the Debtors file with the Bankruptcy Court a Debtor Plan that provides for any Settlement Payment to the Supporting Public Entity in a total amount less than \$270 million, the Bankruptcy Court modifies any filed Debtor Plan so as to provide for any settlement payment to the Supporting Public Entity in a total amount less than \$270 million or such Debtor Plan is otherwise materially inconsistent with the Plan Treatment; or

(iii) the Company breaches or otherwise fails to perform, in any material respect, any of the representations, warranties, agreements, or covenants of the Company set forth in this Agreement, which breach or failure remains uncured upon the earlier of: (A) five days prior to the Effective Date of the Debtor Plan, or (B) the expiration of 15 days after the receipt by the Company from the Supporting Public Entity of written notice of such breach or failure to perform; or

(iv) With respect to the Supporting Public Entity, prior to December 31, 2019, a material amount of Third Party Claims (materiality being determined with respect to the circumstances of the Supporting Public Entity) have been noticed against the Supporting Public Entity and (a) the Debtors file with the Bankruptcy Court a Debtor Plan that does not provide for a release of all Third Party Claims against the Supporting Public Entity or (b) the Bankruptcy Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity. Under the circumstances described in subpart (b) of the preceding sentence in which the Court rules that it will not approve a release of all Third Party Claims against the

Supporting Public Entity and the Supporting Public Entity exercises its right to terminate this Agreement under this Section 5(d)(iv), the Supporting Public Entity shall have the right to revoke its vote in favor of the Debtor Plan and file an opposition to the plan should it so choose. For purposes hereof, Third Party Claims shall mean any and all past, present or future claims against the Supporting Public Entity in any way relating to the Fires held by entities or individuals other than the Debtors or the Plan Support Public Entities, including but not limited to claims by individual plaintiffs or subrogated insurance carriers against the Supporting Public Entity for personal injuries, property damage, reimbursement of insurance payments and/or wrongful death relating in any way to the Fires.

(e) This Agreement may be terminated by the Company, by the delivery to the Supporting Public Entity of a written notice in accordance with Section 19 hereof by the Company upon a Company Termination Event.

A “Company Termination Event” shall mean any of the following:

(i) the failure to obtain the consent, or the waiver of lack of consent as a defense, of the Company’s insurance carriers for the policy years 2017 and 2018;

(ii) the breach in any material respect by the Supporting Public Entity of any of the representations, warranties or covenants of the Supporting Public Entity set forth in this Agreement, which breach remains uncured for a period of 15 days after the receipt by the Supporting Public Entity from the Company of written notice of such breach;

(iii) the board of directors, managers, or similar governing body, as applicable, of any Company entity determines in good faith that continued performance under this Agreement would be inconsistent with the exercise of its fiduciary duties under applicable law; or

(iv) the termination of any Public Entity PSA between the Company and any Plan Support Public Entity for any reason and by any entity pursuant to the terms of that Public Entity PSA. For the avoidance of doubt, in the event that any individual Plan Support Public Entity terminates their Public Entity PSA just as to itself, the Company shall have the right pursuant to this provision to terminate all Public Entity PSAs.

(f) Effect of Termination. Upon the termination of this Agreement in accordance with this Section 5, and except as provided in Section 13 hereof, this Agreement shall forthwith become void and of no further force or effect and each Party shall, except as provided otherwise in this Agreement, be immediately released from its liabilities, obligations, commitments, undertakings and agreements under or related to this Agreement and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Debtor Plan and contemplated restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement; provided, however, that in no event shall any such termination relieve a Party from liability for its breach or non-performance of its

obligations hereunder prior to the date of such termination. Upon any such termination of this Agreement, the Supporting Public Entity may, upon written notice to the Company and the other Parties, revoke its vote or any consents given prior to such termination, whereupon any such vote or consent shall be deemed, for all purposes, to be null and void ab initio and shall not be considered or otherwise used in any manner by the Parties in connection with the Debtor Plan and contemplated restructuring and this Agreement. Notwithstanding anything to the contrary herein, the Supporting Public Entity shall not have a right to terminate this Agreement if a default or failure (including by action, inaction or misrepresentation) by the Supporting Public Entity of its obligations, undertakings, representations, warranties, or covenants hereunder is the cause, directly or indirectly, of the event giving rise to the right to terminate.

6. Good Faith Cooperation; Further Assurances.

Subject to the terms and conditions hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Party to carry out the purposes and intent of this Agreement.

7. Representations and Warranties.

Each Party represents and warrants to the other Party that the following statements are true, correct and complete as of the date hereof:

(a) such Party has the corporate, governmental entity, or similar authority to enter into this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court; and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized;

(b) the execution, delivery, and performance by such Party of this Agreement does not and will not (A) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar organization, constitutive or other governing documents) or those of any of its subsidiaries, or (B) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party;

(c) the execution, delivery, and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or notice to, or other action, with or by, any federal, state, or governmental authority or regulatory body, except such filings as may be necessary and/or required by the SEC and, in the case of the Debtors, any requisite approval of the Bankruptcy Court; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court.

The Supporting Public Entity further represents and warrants to the Company that it (A)(i) is the owner of all the Supporting Public Entity's Claims, including the Wildfire Claims, and, prior to the date hereof, has made no assignment, sale, participation, grant, conveyance, pledge or other Transfer of any such Claims to any person that is not a party to this Agreement and has not entered into any other agreement to assign, sell participate, grant, convey, pledge, or otherwise transfer, in whole or in part, any portion of its right, title, or interests in any of the Claims that are inconsistent or conflict with the representations, warranties of the Supporting Public Entity herein or that would render it otherwise unable to comply with this Agreement and perform its obligations hereunder, either generally or with respect to any specific Claims, (ii) has the sole investment or voting discretion with respect to such Claims, (iii) has the full power and authority to vote on, and take action with respect to, and consent to matters concerning such Claims, or exchange or Transfer such Claims, (iv) has the full power and authority to bind or act on behalf of the beneficial owners of such Claims, if any and (v) does not own any other Claims and (B) other than pursuant to this Agreement, such Claims are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, or other limitation on disposition or encumbrance of any kind that would prevent in any way the Supporting Public Entity's performance of its obligations hereunder as of the date hereof and at the time such obligations are required to be performed.

8. Mediation Communications Privilege and Confidentiality.

Any and all communications, information, and/or documents related and leading up to, including during any and all parts of a mediation and/or settlement negotiation process, including the preparation of this Agreement, are confidential, and will not be disclosed to any third-party without the prior written consent of the Parties, except (a) to enforce any term of this Agreement, (b) to the extent required to be disclosed in mandatory filings with the U.S. Securities and Exchange Commission, (c) to the extent required or necessary to receive legal, tax or accounting advice, (d) as otherwise required by law, (e) to the extent required to be disclosed in mandatory filings with the U.S. Internal Revenue Service; (f) to the extent such terms have already been publicly disclosed as permitted by this paragraph; and (g) as required to effectuate the covenants of the Parties herein in connection with the Chapter 11 Cases (including in any Definitive Document). Prior to any Party's initial public disclosure of confidential information or communications pursuant to this paragraph, that Party shall permit the other Party to review a draft of such initial public disclosure and shall in good faith consider any edits proposed by the other Party. The Parties also agree that they shall not take the position in any public communication that the amount of the Settlement Payment or the Plan Treatment are not a reasonable amount to fully liquidate, settle and resolve all the Plan Support Public Entities' Wildfire Claims in a confirmed plan.

9. Amendments and Waivers.

This Agreement, including any exhibits or schedules hereto, may not be waived, modified, amended or supplemented except in a writing signed by the Company and the Supporting Public Entity.

10. Effectiveness.

This Agreement shall become effective and binding on the Parties, to the fullest extent permissible under applicable law, on the Plan Support Effective Date, and not before such date.

11. Governing Law; Jurisdiction; Jury Trial and Section 1542 Waivers.

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of California and applicable federal law, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the Bankruptcy Court and each Party hereby irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, Courts of the State of California and of the United States District Court of the Northern District of California, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the Bankruptcy Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the proceeding in such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

(d) IN CONNECTION WITH THE PLAN RELEASE, THE PUBLIC ENTITY RELEASING PARTIES ACKNOWLEDGE THAT THEY HAVE BEEN ADVISED BY THEIR ATTORNEYS CONCERNING, AND ARE FAMILIAR WITH, CALIFORNIA CIVIL CODE §

1542 AND, TO THE EXTENT SAID PROVISION APPLIES TO THIS AGREEMENT, THE SUPPORTING PUBLIC ENTITY RELEASING PARTIES EXPRESSLY WAIVE ANY AND ALL RIGHTS AND BENEFITS THEY MAY HAVE UNDER CALIFORNIA CIVIL CODE §1542, AS WELL AS UNDER ANY OTHER STATE OR FEDERAL STATUTE OR COMMON LAW PRINCIPLE OF SIMILAR EFFECT. *CALIFORNIA CIVIL CODE* §1542 PROVIDES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTION HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

12. Specific Performance/Remedies.

It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by a Party and the non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys' fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy (or the posting of any bond), including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder.

13. Survival.

Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Parties set forth in the following Sections: 5(f), 7, 8, 11, 12, 14, 15, 16, 17, 18, 19, 20, and 21 hereof (and any defined terms used in any such Sections) shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided, however, that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

14. Headings.

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

15. Successors and Assigns; Severability; Several Obligations.

This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 15 shall be deemed to permit Transfers of the Supporting Public Entity's Claims. If any provision of this Agreement, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall

continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

16. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary hereof.

17. Prior Negotiations; Entire Agreement.

This Agreement constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company and the Supporting Public Entity shall continue in full force and effect.

18. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement may be delivered by facsimile or otherwise, which shall be deemed to be an original for the purposes of this paragraph.

(b) This Agreement and the Debtor Plan are part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. Pursuant to Rule 408 of the Federal Rule of Evidence, any applicable state rules of evidence and any other applicable law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms. This Agreement shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of either Party of any claim or fault or liability or damages whatsoever.

Each of the Parties reserves all rights with respect to claims or defenses which it has asserted or could assert.

21. No Solicitation; Representation by Counsel; Interpretation; Adequate Information.

(c) Each Party acknowledges that it has had an opportunity to receive information from the other Party and that it has been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(d) Each Party hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the relevant Claims and the operations, businesses, financial and other conditions and prospects of the Company.

For the avoidance of doubt, this Agreement shall not be effective as to any Party until the Debtors and each of the Plan Support Public Entities has executed a Public Entity PSA. The Debtors shall not be required to obtain Bankruptcy Court approval of entry into this Agreement (other than to the extent the settlement and compromises and the Plan Treatment contemplated by this Agreement are being approved pursuant to a Confirmation Order in respect of a Debtor Plan at such time as the Debtors determine to seek such approval).

(l) “Wildfire Claims” means any and all past, present or future Claims against the Released Parties in any way relating to the Fires, including all those that were pleaded or asserted or could have been pleaded or asserted based on the factual allegations set forth in the Operative Complaints or were filed or could be filed by the Supporting Public Entity in connection with the Chapter 11 Cases whether arising under California law or any other applicable law of the United States (state or federal) or any other jurisdiction, in each case whether such claims are absolute or contingent, direct or indirect, known or unknown, foreseen or unforeseen, in contract, tort or in equity, under any theory of law. 2. Debtor Plan Terms

(a) The Debtor Plan shall be in form and substance satisfactory to the Debtors in their sole discretion and shall provide for, among other things, the treatment and resolution of all Claims and interests in a manner acceptable to the Debtors; *provided that*, the Debtor Plan must be consistent with the provisions of this Agreement and provide for the Plan Treatment.

(b) The Debtor Plan shall provide for full and complete releases from the Public Entity Releasing Parties in favor of the Released Parties, contain the following material terms, and result in the following occurrences relating to the Supporting Public Entity and its Wildfire Claims:

(i) Treatment of Supporting Public Entity's Wildfire Claims. On the Effective Date, or as soon as practicable thereafter but in no event later than 30 days after the Effective Date, the Company shall remit, or cause to be remitted, to the Supporting Public Entity, in full and final satisfaction and discharge of its Wildfire Claims, the Settlement Payment of \$252 million payable to the law firm of Baron & Budd's Trust Account (the "Plan Treatment") prior to the filing of the Debtor Plan with the Bankruptcy Court. As detailed in Section 20, the Plan Treatment shall not constitute an admission or concession on the part of any Party of any claim or fault or liability or damages or defense whatsoever.

(ii) Segregated Defense Fund. Subject to the Plan Support Public Entities affirmatively voting to accept the Debtors' Plan, the Debtors' Plan shall further provide for the creation of a single segregated fund for the benefit of the Plan Support Public Entities in the amount of \$10 million to be funded promptly, but no less than 30 days after the Effective Date, and the Debtors shall be obligated to use such fund to reimburse the Plan Support Public Entities for any and all legal fees and costs associated with the defense or resolution of any Third Party Claims against the Supporting Public Entity. Such fund shall be maintained by the Debtors until the later of (a) the expiration of the applicable limitations period for any and all such Third-Party Claims and (b) the conclusion of all litigation involving Third Party Claims, including appeals.

3. Agreements of the Supporting Public Entity.

(a) Agreement to Support.

(i) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that, as long as the Debtor Plan is consistent with this Agreement, the Supporting Public Entity shall use all reasonable efforts during the Plan Support Period to support the Debtor Plan with respect to the Debtor's Plan Treatment of the Wildfire Claims, in accordance with the terms set forth herein, and to act in good faith to consummate the Plan Treatment with respect to the Supporting Public Entity's Wildfire Claims in a timely manner.

(ii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that the Settlement Payment is reasonable and sufficient in order to liquidate, settle and resolve all of the Supporting Public Entity's Wildfire Claims against the Company including those alleged in the Operative Complaints and that it will not object to any Debtor Plan or any other plan on the grounds that the Settlement Payment is unreasonable or insufficient in any way. The Supporting Public Entity also agrees that it will not support any plan that provides for any different recovery from the Settlement Payment, unless this Agreement has been terminated pursuant to the terms hereof.

(iii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees to the Plan Treatment of its Wildfire Claims and, if the Debtor Plan is confirmed by the Bankruptcy Court, to take reasonable actions necessary to consummate the Debtor Plan with respect to the Plan Treatment of the Wildfire Claims.

(iv) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees that it shall not directly or indirectly, or encourage any other entity to directly or indirectly to: (A) object to, delay, impede,

or take any other action or any inaction to interfere with the acceptance, implementation, consummation, or amendment (whether before or after confirmation) of the Plan Treatment of the Supporting Public Entity's Wildfire Claims in the Debtor Plan, *provided* that in the case of an amendment, to the extent required by the terms of this Agreement, the Company has obtained the consent of the Supporting Public Entity; (B) seek, solicit, encourage, formulate, consent to, propose, file, support, negotiate, vote for, or take any other action in furtherance of any treatment of the Supporting Public Entity's Wildfire Claims in any restructuring, workout, merger, consolidation, business combination, joint venture, partnership, or sale of assets, plan of arrangement, or plan of reorganization for the Debtors other than the Plan Treatment in the Debtor Plan, including, for the avoidance of doubt, making or supporting any filings with the Bankruptcy Court (or instructing or authorizing their counsel to make any statement on the record at any hearing in the Chapter 11 Cases), or making or supporting any press release, press report or comparable public statement, or filing with respect to any alternative or competing treatment of the Wildfire Claims proposed with respect to any other restructuring, workout, plan of arrangement, or plan of reorganization, other than the Debtor Plan; (C) exercise any right or remedy for the enforcement, collection, or recovery of any Wildfire Claim against the Debtors or any direct or indirect subsidiaries of the Debtors that are not Debtors; and/or (D) otherwise support the treatment of the Wildfire Claims proposed in any plan or sale process proposed by any entity other than the Debtors.

(b) **Voting**. Subject to the Supporting Public Entity Consent Right, the terms and conditions of this Agreement, and the receipt by the Supporting Public Entity of a Disclosure Statement approved by the Bankruptcy Court and other solicitation materials in respect to the Debtor Plan providing for the Plan Treatment and otherwise consistent with this Agreement, the Supporting Public Entity agrees that, for the duration of the Plan Support Period, it shall, to the extent the Supporting Public Entity is entitled to vote on such a Debtor Plan (but subject to Section 3(d) below): (i) timely vote (or cause to be voted) all of its Wildfire Claims to accept the Debtor Plan as it pertains to the Plan Treatment of the Wildfire Claims by delivering its duly executed and completed ballot or ballots, as applicable, accepting the Debtor Plan on a timely basis following commencement of the solicitation of acceptances of the Debtor Plan in accordance with sections 1125 and 1126 of the Bankruptcy Code, (ii) not change or withdraw the Wildfire Claim vote (or cause or direct such vote to be changed or withdrawn), (iii) timely vote (or cause to be voted) its Wildfire Claims against (and shall not directly or indirectly, through any person or entity, seek, solicit, propose, support, assist, engage in negotiations in connection with or participate in the formulation, preparation, filing or prosecution of) any plan, plan proposal, restructuring proposal, offer of dissolution, winding up, liquidation, sale or disposition of assets, reorganization, merger or restructuring of the Company other than the Debtor Plan.

(c) **Transfers**. During the Plan Support Period, the Supporting Public Entity shall not sell, use, loan, pledge, assign, transfer, permit the participation in, or otherwise dispose of (each, a "**Transfer**") directly or indirectly, in whole or in part, any of its Wildfire Claims or any ownership (including any beneficial ownership)¹ in its Wildfire Claims, or any option thereon or

¹ As used herein, the term "**beneficial ownership**" means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Claims or the right to acquire such Claims.

any right or interest therein (including grant any proxies, deposit any interest in any of its Wildfire Claims into a voting trust or enter into a voting agreement with respect to any such Wildfire Claims). Any Transfer made in violation of this Section 2(c) shall be void ab initio and the Company shall have the right to enforce the voiding of such Transfer.

(d) Retention of Rights as to Non-Wildfire Claims. Notwithstanding anything to the contrary in this Agreement, the Supporting Public Entity shall have the right to (i) assert any and all Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (ii) defend any objections or other disputes with respect to any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (iii) object to the Debtor Plan solely with respect to any provisions therein providing for the treatment or payment of any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, and (iv) vote its Non-Wildfire Claims in any manner deemed appropriate to the Supporting Public Entity, in its sole discretion.

(e) Certain Tax Matters. In furtherance of the Plan Treatment, the Supporting Public Entity agrees to file all applicable United States federal, state and local tax returns, filings and submissions in a manner consistent with treatment of all amounts distributable as restitution, including any filings required to be made by the Supporting Public Entity under Section 6050X of the U.S. Internal Revenue Code. As may be reasonably requested by the Company, the Supporting Public Entity shall reasonably cooperate with the Company in connection with the Company's preparation and filing of any applicable tax returns, filings or submissions and any audit or other tax proceeding with respect thereto, to the extent related to this Agreement; provided, however, the Supporting Public Entity shall not be obligated to incur any unreimbursed out-of-pocket cost, expense or liability in connection with such cooperation.

(f) The Parties acknowledge and agree that (i) the Supporting Public Entity did not demand and the Company did not agree that any portion of the Settlement Payment is on account of any claims or damages of the Supporting Public Entity as to which any monies or benefits were provided, are being provided, or will be provided to the Supporting Public Entity from California Office of Emergency Services ("OES"), the Federal Emergency Management Agency ("FEMA") or any other government payment or assistance, or any insurers or re-insurers of the Supporting Public Entity, (ii) the Settlement Payment and Plan Treatment provided for in this Agreement does not evidence any settlement of any claims the OES, FEMA or any other government entity or agency, or the Supporting Public Entity's insurers or re-insurers may have against the Company, and (iii) nothing in this Agreement in any way releases, limits, modifies or in any way affects any claims that OES, FEMA, or any other government entity or agency, or the Supporting Public Entity's insurers or re-insurers may have against the Company (including, but not limited to, any insurance provider subrogation claims).

4. Agreements of the Company.

(a) Filing of Supporting Public Entity's Claims. Subject to the terms and conditions of this Agreement, the Supporting Public Entity, in order to protect its rights if this Agreement is terminated, may file timely proofs of claim in the Chapter 11 Cases in any amount the Supporting Public Entity deems appropriate evidencing any and all Claims it may have against the Debtors, including but not limited to the Wildfire Claims; provided, however, the Debtors shall not object to, seek any setoff with respect to, dispute the amount of, or otherwise contest any

Wildfire Claim submitted by the Supporting Public Entity during the Plan Support Period and shall affirmatively support the Plan Treatment of the Supporting Public Entity's Wildfire Claims consistent with this Agreement; provided further that the Supporting Public Entity hereby acknowledges and agrees that the Settlement Payment is a reasonable amount to fully liquidate, settle and resolve all of its Wildfire Claims regardless of the Claim amount that may be asserted in such proofs of Claim and the Supporting Public Entity, with the exception of filing the proofs of Claim provided for in this section, will not during the Plan Support Period take any public or private position to the contrary. For avoidance of doubt, if this Agreement is terminated, the Debtors may object to any proofs of claim filed by the Supporting Public Entity on any basis whatsoever.

(b) Covenants. Subject to the terms and conditions hereof, unless compliance is waived in writing by the Supporting Public Entity, the Company agrees that during the Plan Support Period they shall:

(i) prepare or cause to be prepared the Debtor Plan, Disclosure Statement and all relevant motions, applications, orders, agreements and other documents directly related thereto, each of which, for the avoidance of doubt, shall contain terms and conditions consistent with the Plan Treatment;

(ii) provide draft copies of the foregoing documents that the Company intends to file with the Bankruptcy Court to counsel for the Supporting Public Entity as soon as reasonably practicable prior to such documents being filed with the Bankruptcy Court, and to consult in good faith with counsel for the Supporting Public Entity regarding the form and substance of any of the foregoing documents in advance of the filing, execution, distribution or use (as applicable) thereof;

(iii) include the necessary provisions in any Debtor Plan proposed by the Debtors to effectuate the Plan Treatment and to carry out the terms of this Agreement;

(iv) support and take all commercially reasonable efforts to facilitate the solicitation and confirmation of the Debtor Plan, including the Plan Treatment, and take all reasonably necessary actions to consummate the Debtor Plan, including the Plan Treatment, and the transactions contemplated thereby;

(v) unless pursuant to a fiduciary obligation under Section 4(b), (A) cease and cause to be terminated any ongoing solicitation, discussions and negotiations with respect to any alternative plan that is not consistent with the Plan Treatment; (B) not, directly or indirectly, seek, solicit, negotiate, support, engage in or initiate discussions relating to, or enter into any agreements relating to any alternative plan that is not consistent with the Plan Treatment; (C) not solicit or direct any person or entity, including any of its representatives or members of the Company's board of directors (or equivalent) or any direct or indirect holders of existing equity securities of the Company, to undertake any of the foregoing;

(vi) use reasonable best efforts to obtain the consent, or the waiver of lack of consent as a defense, of the Company's insurance carriers for the policy years 2017 and

2018 in a timely manner and in no event later than the date the Debtors commence solicitation of votes on the Debtor Plan; and

(c) Fiduciary Duty Obligations. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the board of directors, or any such similar governing body of any Company entity to take any action, or to refrain from taking any action, with respect to the Debtor Plan or any contemplated restructuring transactions to the extent such board of directors or other such similar governing body determines that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or would be inconsistent with the exercise of its fiduciary duties under applicable law.

5. Termination of Agreement.

(a) Automatic Termination. Unless waived or modified by agreement between the Parties, this Agreement shall terminate automatically, without any further action required by any Party (i) upon the occurrence of the Effective Date and the receipt of the Settlement Payment by the law firm of Baron & Budd's Trust Account or (ii) upon the effective date of a plan of reorganization in the Chapter 11 Cases confirmed by the Bankruptcy Court other than the Debtor Plan, without affecting any obligations that the Supporting Public Entity has with respect to said non-Debtor plan of reorganization under this Agreement.

(b) Mutual Termination. This Agreement may be terminated by mutual agreement of the Parties upon the receipt of written notice delivered in accordance with Section 19 hereof.

(c) General Termination Events. The Agreement may be terminated by either Party, by the delivery to the other Party of a written notice in accordance with Section 19 hereof, upon the occurrence and continuation of any of the following events:

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment or order enjoining the consummation of or rendering illegal the Debtor Plan, and either (A) such ruling, judgment or order has been issued at the request of or with the acquiescence of the Company, or (B) in all other circumstances, such ruling, judgment or order has not been stayed, reversed or vacated within 90 calendar days after such issuance; or

(ii) the Bankruptcy Court enters an order (A) converting any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code or (B) dismissing any of the Chapter 11 Cases.

(d) Supporting Public Entity Termination Event. This Agreement may be terminated by the Supporting Public Entity by the delivery to the Company of a written notice in accordance with Section 19 hereof by the Supporting Public Entity, if:

(i) the Federal Emergency Management Agency (FEMA) or the California Office of Emergency Services (COES) fail to agree in writing that no reimbursement is required from the Supporting Public Entity on account of any assistance rendered by

either agency in connection with the Fires from the Settlement Payment to be paid by the Debtors to the Supporting Public Entity under the Debtor Plan as provided in Section 2(b)(i) hereof, and that the Supporting Public Entity is released from any obligation to pursue any of the claims held by FEMA or COES against the Company; or

(ii) the Debtors file with the Bankruptcy Court a Debtor Plan that provides for any Settlement Payment to the Supporting Public Entity in a total amount less than \$252 million, the Bankruptcy Court modifies any filed Debtor Plan so as to provide for any settlement payment to the Supporting Public Entity in a total amount less than \$252 million or such Debtor Plan is otherwise materially inconsistent with the Plan Treatment; or

(iii) the Company breaches or otherwise fails to perform, in any material respect, any of the representations, warranties, agreements, or covenants of the Company set forth in this Agreement, which breach or failure remains uncured upon the earlier of: (A) five days prior to the Effective Date of the Debtor Plan, or (B) the expiration of 15 days after the receipt by the Company from the Supporting Public Entity of written notice of such breach or failure to perform; or

(iv) With respect to the Supporting Public Entity, prior to December 31, 2019, a material amount of Third Party Claims (materiality being determined with respect to the circumstances of the Supporting Public Entity) have been noticed against the Supporting Public Entity and (a) the Debtors file with the Bankruptcy Court a Debtor Plan that does not provide for a release of all Third Party Claims against the Supporting Public Entity or (b) the Bankruptcy Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity. Under the circumstances described in subpart (b) of the preceding sentence in which the Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity and the Supporting Public Entity exercises its right to terminate this Agreement under this Section 5(d)(iv), the Supporting Public Entity shall have the right to revoke its vote in favor of the Debtor Plan and file an opposition to the plan should it so choose. For purposes hereof, Third Party Claims shall mean any and all past, present or future claims against the Supporting Public Entity in any way relating to the Fires held by entities or individuals other than the Debtors or the Plan Support Public Entities, including but not limited to claims by individual plaintiffs or subrogated insurance carriers against the Supporting Public Entity for personal injuries, property damage, reimbursement of insurance payments and/or wrongful death relating in any way to the Fires.

(e) This Agreement may be terminated by the Company, by the delivery to the Supporting Public Entity of a written notice in accordance with Section 19 hereof by the Company upon a Company Termination Event.

A “Company Termination Event” shall mean any of the following:

(i) the failure to obtain the consent, or the waiver of lack of consent as a defense, of the Company’s insurance carriers for the policy years 2017 and 2018;

(ii) the breach in any material respect by the Supporting Public Entity of any of the representations, warranties or covenants of the Supporting Public Entity set forth in this Agreement, which breach remains uncured for a period of 15 days after the receipt by the Supporting Public Entity from the Company of written notice of such breach;

(iii) the board of directors, managers, or similar governing body, as applicable, of any Company entity determines in good faith that continued performance under this Agreement would be inconsistent with the exercise of its fiduciary duties under applicable law; or

(iv) the termination of any Public Entity PSA between the Company and any Plan Support Public Entity for any reason and by any entity pursuant to the terms of that Public Entity PSA. For the avoidance of doubt, in the event that any individual Plan Support Public Entity terminates their Public Entity PSA just as to itself, the Company shall have the right pursuant to this provision to terminate all Public Entity PSAs.

(f) Effect of Termination. Upon the termination of this Agreement in accordance with this Section 5, and except as provided in Section 13 hereof, this Agreement shall forthwith become void and of no further force or effect and each Party shall, except as provided otherwise in this Agreement, be immediately released from its liabilities, obligations, commitments, undertakings and agreements under or related to this Agreement and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Debtor Plan and contemplated restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement; provided, however, that in no event shall any such termination relieve a Party from liability for its breach or non-performance of its obligations hereunder prior to the date of such termination. Upon any such termination of this Agreement, the Supporting Public Entity may, upon written notice to the Company and the other Parties, revoke its vote or any consents given prior to such termination, whereupon any such vote or consent shall be deemed, for all purposes, to be null and void *ab initio* and shall not be considered or otherwise used in any manner by the Parties in connection with the Debtor Plan and contemplated restructuring and this Agreement. Notwithstanding anything to the contrary herein, the Supporting Public Entity shall not have a right to terminate this Agreement if a default or failure (including by action, inaction or misrepresentation) by the Supporting Public Entity of its obligations, undertakings, representations, warranties, or covenants hereunder is the cause, directly or indirectly, of the event giving rise to the right to terminate.

6. Good Faith Cooperation; Further Assurances.

Subject to the terms and conditions hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Party to carry out the purposes and intent of this Agreement.

7. Representations and Warranties.

Each Party represents and warrants to the other Party that the following statements are true, correct and complete as of the date hereof:

(a) such Party has the corporate, governmental entity, or similar authority to enter into this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court; and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized;

(b) the execution, delivery, and performance by such Party of this Agreement does not and will not (A) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar organization, constitutive or other governing documents) or those of any of its subsidiaries, or (B) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party;

(c) the execution, delivery, and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or notice to, or other action, with or by, any federal, state, or governmental authority or regulatory body, except such filings as may be necessary and/or required by the SEC and, in the case of the Debtors, any requisite approval of the Bankruptcy Court; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court.

The Supporting Public Entity further represents and warrants to the Company that it (A)(i) is the owner of all the Supporting Public Entity's Claims, including the Wildfire Claims, and, prior to the date hereof, has made no assignment, sale, participation, grant, conveyance, pledge or other Transfer of any such Claims to any person that is not a party to this Agreement and has not entered into any other agreement to assign, sell participate, grant, convey, pledge, or otherwise transfer, in whole or in part, any portion of its right, title, or interests in any of the Claims that are inconsistent or conflict with the representations, warranties of the Supporting Public Entity herein or that would render it otherwise unable to comply with this Agreement and perform its obligations hereunder, either generally or with respect to any specific Claims, (ii) has the sole investment or voting discretion with respect to such Claims, (iii) has the full power and authority to vote on, and take action with respect to, and consent to matters concerning such Claims, or exchange or Transfer such Claims, (iv) has the full power and authority to bind or act on behalf of the beneficial owners of such Claims, if any and (v) does not own any other Claims and (B) other than pursuant to this Agreement, such Claims are free and clear of any pledge, lien, security

interest, charge, claim, equity, option, proxy, voting restriction, or other limitation on disposition or encumbrance of any kind that would prevent in any way the Supporting Public Entity's performance of its obligations hereunder as of the date hereof and at the time such obligations are required to be performed.

8. Mediation Communications Privilege and Confidentiality.

Any and all communications, information, and/or documents related and leading up to, including during any and all parts of a mediation and/or settlement negotiation process, including the preparation of this Agreement, are confidential, and will not be disclosed to any third-party without the prior written consent of the Parties, except (a) to enforce any term of this Agreement, (b) to the extent required to be disclosed in mandatory filings with the U.S. Securities and Exchange Commission, (c) to the extent required or necessary to receive legal, tax or accounting advice, (d) as otherwise required by law, (e) to the extent required to be disclosed in mandatory filings with the U.S. Internal Revenue Service; (f) to the extent such terms have already been publicly disclosed as permitted by this paragraph; and (g) as required to effectuate the covenants of the Parties herein in connection with the Chapter 11 Cases (including in any Definitive Document). Prior to any Party's initial public disclosure of confidential information or communications pursuant to this paragraph, that Party shall permit the other Party to review a draft of such initial public disclosure and shall in good faith consider any edits proposed by the other Party. The Parties also agree that they shall not take the position in any public communication that the amount of the Settlement Payment or the Plan Treatment are not a reasonable amount to fully liquidate, settle and resolve all the Plan Support Public Entities' Wildfire Claims in a confirmed plan.

9. Amendments and Waivers.

This Agreement, including any exhibits or schedules hereto, may not be waived, modified, amended or supplemented except in a writing signed by the Company and the Supporting Public Entity.

10. Effectiveness.

This Agreement shall become effective and binding on the Parties, to the fullest extent permissible under applicable law, on the Plan Support Effective Date, and not before such date.

11. Governing Law; Jurisdiction; Jury Trial and Section 1542 Waivers.

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of California and applicable federal law, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the Bankruptcy Court and each Party hereby irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, Courts of the State of California and of the United States District Court

of the Northern District of California, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the Bankruptcy Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the proceeding in such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

(d) IN CONNECTION WITH THE PLAN RELEASE, THE PUBLIC ENTITY RELEASING PARTIES ACKNOWLEDGE THAT THEY HAVE BEEN ADVISED BY THEIR ATTORNEYS CONCERNING, AND ARE FAMILIAR WITH, CALIFORNIA CIVIL CODE § 1542 AND, TO THE EXTENT SAID PROVISION APPLIES TO THIS AGREEMENT, THE SUPPORTING PUBLIC ENTITY RELEASING PARTIES EXPRESSLY WAIVE ANY AND ALL RIGHTS AND BENEFITS THEY MAY HAVE UNDER *CALIFORNIA CIVIL CODE §1542*, AS WELL AS UNDER ANY OTHER STATE OR FEDERAL STATUTE OR COMMON LAW PRINCIPLE OF SIMILAR EFFECT. *CALIFORNIA CIVIL CODE §1542* PROVIDES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

12. Specific Performance/Remedies.

It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by a Party and the non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys'

fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy (or the posting of any bond), including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder.

13. Survival.

Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Parties set forth in the following Sections: 5(f), 7, 8, 11, 12, 14, 15, 16, 17, 18, 19, 20, and 21 hereof (and any defined terms used in any such Sections) shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided, however, that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

14. Headings.

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

15. Successors and Assigns; Severability; Several Obligations.

This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 15 shall be deemed to permit Transfers of the Supporting Public Entity's Claims. If any provision of this Agreement, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

16. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary hereof.

17. Prior Negotiations; Entire Agreement.

This Agreement constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company and the Supporting Public Entity shall continue in full force and effect.

18. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement may be delivered by facsimile or otherwise, which shall be deemed to be an original for the purposes of this paragraph.

Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(d) Each Party hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the relevant Claims and the operations, businesses, financial and other conditions and prospects of the Company.

The Company shall support the Plan Treatment and the incorporation of the Plan Treatment in any Debtor Plan. As detailed in Section 20, the Plan Treatment shall not constitute an admission or concession on the part of any Party of any claim or fault or liability or damages or defense whatsoever.

(ii) Segregated Defense Fund. Subject to the Plan Support Public Entities affirmatively voting to accept the Debtors' Plan, the Debtors' Plan shall further provide for the creation of a single segregated fund for the benefit of the Plan Support Public Entities in the amount of \$10 million to be funded promptly, but no less than 30 days after the Effective Date, and the Debtors shall be obligated to use such fund to reimburse the Plan Support Public Entities for any and all legal fees and costs associated with the defense or resolution of any Third Party Claims against the Supporting Public Entity. Such fund shall be maintained by the Debtors until the later of (a) the expiration of the applicable limitations period for any and all such Third-Party Claims and (b) the conclusion of all litigation involving Third Party Claims, including appeals.

(iii) Debtor Releases. Subject to payment in full by the Company of the Settlement Payment to Baron & Budd's Trust Account, in addition to the Public Entity Releasing

3. Agreements of the Supporting Public Entity.

(a) Agreement to Support.

(i) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that, as long as the Debtor Plan is consistent with this Agreement, the Supporting Public Entity shall use all reasonable efforts during the Plan Support Period to support the Debtor Plan with respect to the Debtor's Plan Treatment of the Wildfire Claims, in accordance with the terms set forth herein, and to act in good faith to consummate the Plan Treatment with respect to the Supporting Public Entity's Wildfire Claims in a timely manner.

(ii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that the Settlement Payment is reasonable and sufficient in order to liquidate, settle and resolve all of the Supporting Public Entity's Wildfire Claims against the Company including those alleged in the Operative Complaints and that it will not object to any Debtor Plan or any other plan on the grounds that the Settlement Payment is unreasonable or insufficient in any way. The Supporting Public Entity also agrees that it will not support any plan that provides for any different recovery from the Settlement Payment, unless this Agreement has been terminated pursuant to the terms hereof.

(iii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees to the Plan Treatment of its Wildfire Claims and, if the Debtor Plan is confirmed by the Bankruptcy Court, to take reasonable actions necessary to consummate the Debtor Plan with respect to the Plan Treatment of the Wildfire Claims.

(iv) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees that it shall not directly or indirectly, or encourage any other entity to directly or indirectly to: (A) object to, delay, impede,

or take any other action or any inaction to interfere with the acceptance, implementation, consummation, or amendment (whether before or after confirmation) of the Plan Treatment of the Supporting Public Entity's Wildfire Claims in the Debtor Plan, *provided* that in the case of an amendment, to the extent required by the terms of this Agreement, the Company has obtained the consent of the Supporting Public Entity; (B) seek, solicit, encourage, formulate, consent to, propose, file, support, negotiate, vote for, or take any other action in furtherance of any treatment of the Supporting Public Entity's Wildfire Claims in any restructuring, workout, merger, consolidation, business combination, joint venture, partnership, or sale of assets, plan of arrangement, or plan of reorganization for the Debtors other than the Plan Treatment in the Debtor Plan, including, for the avoidance of doubt, making or supporting any filings with the Bankruptcy Court (or instructing or authorizing their counsel to make any statement on the record at any hearing in the Chapter 11 Cases), or making or supporting any press release, press report or comparable public statement, or filing with respect to any alternative or competing treatment of the Wildfire Claims proposed with respect to any other restructuring, workout, plan of arrangement, or plan of reorganization, other than the Debtor Plan; (C) exercise any right or remedy for the enforcement, collection, or recovery of any Wildfire Claim against the Debtors or any direct or indirect subsidiaries of the Debtors that are not Debtors; and/or (D) otherwise support the treatment of the Wildfire Claims proposed in any plan or sale process proposed by any entity other than the Debtors.

(b) Voting. Subject to the Supporting Public Entity Consent Right, the terms and conditions of this Agreement, and the receipt by the Supporting Public Entity of a Disclosure Statement approved by the Bankruptcy Court and other solicitation materials in respect to the Debtor Plan providing for the Plan Treatment and otherwise consistent with this Agreement, the Supporting Public Entity agrees that, for the duration of the Plan Support Period, it shall, to the extent the Supporting Public Entity is entitled to vote on such a Debtor Plan (but subject to Section 3(d) below): (i) timely vote (or cause to be voted) all of its Wildfire Claims to accept the Debtor Plan as it pertains to the Plan Treatment of the Wildfire Claims by delivering its duly executed and completed ballot or ballots, as applicable, accepting the Debtor Plan on a timely basis following commencement of the solicitation of acceptances of the Debtor Plan in accordance with sections 1125 and 1126 of the Bankruptcy Code, (ii) not change or withdraw the Wildfire Claim vote (or cause or direct such vote to be changed or withdrawn), (iii) timely vote (or cause to be voted) its Wildfire Claims against (and shall not directly or indirectly, through any person or entity, seek, solicit, propose, support, assist, engage in negotiations in connection with or participate in the formulation, preparation, filing or prosecution of) any plan, plan proposal, restructuring proposal, offer of dissolution, winding up, liquidation, sale or disposition of assets, reorganization, merger or restructuring of the Company other than the Debtor Plan.

(c) Transfers. During the Plan Support Period, the Supporting Public Entity shall not sell, use, loan, pledge, assign, transfer, permit the participation in, or otherwise dispose of (each, a "**Transfer**") directly or indirectly, in whole or in part, any of its Wildfire Claims or any ownership (including any beneficial ownership)¹ in its Wildfire Claims, or any option thereon or

¹ As used herein, the term "**beneficial ownership**" means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Claims or the right to acquire such Claims.

any right or interest therein (including grant any proxies, deposit any interest in any of its Wildfire Claims into a voting trust or enter into a voting agreement with respect to any such Wildfire Claims). Any Transfer made in violation of this Section 2(c) shall be void *ab initio* and the Company shall have the right to enforce the voiding of such Transfer.

(d) Retention of Rights as to Non-Wildfire Claims. Notwithstanding anything to the contrary in this Agreement, the Supporting Public Entity shall have the right to (i) assert any and all Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (ii) defend any objections or other disputes with respect to any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (iii) object to the Debtor Plan solely with respect to any provisions therein providing for the treatment or payment of any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, and (iv) vote its Non-Wildfire Claims in any manner deemed appropriate to the Supporting Public Entity, in its sole discretion.

(e) Certain Tax Matters. In furtherance of the Plan Treatment, the Supporting Public Entity agrees to file all applicable United States federal, state and local tax returns, filings and submissions in a manner consistent with treatment of all amounts distributable as restitution, including any filings required to be made by the Supporting Public Entity under Section 6050X of the U.S. Internal Revenue Code. As may be reasonably requested by the Company, the Supporting Public Entity shall reasonably cooperate with the Company in connection with the Company's preparation and filing of any applicable tax returns, filings or submissions and any audit or other tax proceeding with respect thereto, to the extent related to this Agreement; provided, however, the Supporting Public Entity shall not be obligated to incur any unreimbursed out-of-pocket cost, expense or liability in connection with such cooperation.

(f) The Parties acknowledge and agree that (i) the Supporting Public Entity did not demand and the Company did not agree that any portion of the Settlement Payment is on account of any claims or damages of the Supporting Public Entity as to which any monies or benefits were provided, are being provided, or will be provided to the Supporting Public Entity from California Office of Emergency Services ("OES"), the Federal Emergency Management Agency ("FEMA") or any other government payment or assistance, or any insurers or re-insurers of the Supporting Public Entity, (ii) the Settlement Payment and Plan Treatment provided for in this Agreement does not evidence any settlement of any claims the OES, FEMA or any other government entity or agency, or the Supporting Public Entity's insurers or re-insurers may have against the Company, and (iii) nothing in this Agreement in any way releases, limits, modifies or in any way affects any claims that OES, FEMA, or any other government entity or agency, or the Supporting Public Entity's insurers or re-insurers may have against the Company (including, but not limited to, any insurance provider subrogation claims).

4. Agreements of the Company.

(a) Filing of Supporting Public Entity's Claims. Subject to the terms and conditions of this Agreement, the Supporting Public Entity, in order to protect its rights if this Agreement is terminated, may file timely proofs of claim in the Chapter 11 Cases in any amount the Supporting Public Entity deems appropriate evidencing any and all Claims it may have against the Debtors, including but not limited to the Wildfire Claims; provided, however, the Debtors shall not object to, seek any setoff with respect to, dispute the amount of, or otherwise contest any

Wildfire Claim submitted by the Supporting Public Entity during the Plan Support Period and shall affirmatively support the Plan Treatment of the Supporting Public Entity's Wildfire Claims consistent with this Agreement; provided further that the Supporting Public Entity hereby acknowledges and agrees that the Settlement Payment is a reasonable amount to fully liquidate, settle and resolve all of its Wildfire Claims regardless of the Claim amount that may be asserted in such proofs of Claim and the Supporting Public Entity, with the exception of filing the proofs of Claim provided for in this section, will not during the Plan Support Period take any public or private position to the contrary. For avoidance of doubt, if this Agreement is terminated, the Debtors may object to any proofs of claim filed by the Supporting Public Entity on any basis whatsoever.

(b) Covenants. Subject to the terms and conditions hereof, unless compliance is waived in writing by the Supporting Public Entity, the Company agrees that during the Plan Support Period they shall:

(i) prepare or cause to be prepared the Debtor Plan, Disclosure Statement and all relevant motions, applications, orders, agreements and other documents directly related thereto, each of which, for the avoidance of doubt, shall contain terms and conditions consistent with the Plan Treatment;

(ii) provide draft copies of the foregoing documents that the Company intends to file with the Bankruptcy Court to counsel for the Supporting Public Entity as soon as reasonably practicable prior to such documents being filed with the Bankruptcy Court, and to consult in good faith with counsel for the Supporting Public Entity regarding the form and substance of any of the foregoing documents in advance of the filing, execution, distribution or use (as applicable) thereof;

(iii) include the necessary provisions in any Debtor Plan proposed by the Debtors to effectuate the Plan Treatment and to carry out the terms of this Agreement;

(iv) support and take all commercially reasonable efforts to facilitate the solicitation and confirmation of the Debtor Plan, including the Plan Treatment, and take all reasonably necessary actions to consummate the Debtor Plan, including the Plan Treatment, and the transactions contemplated thereby;

(v) unless pursuant to a fiduciary obligation under Section 4(b), (A) cease and cause to be terminated any ongoing solicitation, discussions and negotiations with respect to any alternative plan that is not consistent with the Plan Treatment; (B) not, directly or indirectly, seek, solicit, negotiate, support, engage in or initiate discussions relating to, or enter into any agreements relating to any alternative plan that is not consistent with the Plan Treatment; (C) not solicit or direct any person or entity, including any of its representatives or members of the Company's board of directors (or equivalent) or any direct or indirect holders of existing equity securities of the Company, to undertake any of the foregoing;

(vi) use reasonable best efforts to obtain the consent, or the waiver of lack of consent as a defense, of the Company's insurance carriers for the policy years 2017 and

2018 in a timely manner and in no event later than the date the Debtors commence solicitation of votes on the Debtor Plan; and

(c) Fiduciary Duty Obligations. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the board of directors, or any such similar governing body of any Company entity to take any action, or to refrain from taking any action, with respect to the Debtor Plan or any contemplated restructuring transactions to the extent such board of directors or other such similar governing body determines that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or would be inconsistent with the exercise of its fiduciary duties under applicable law.

5. Termination of Agreement.

(a) Automatic Termination. Unless waived or modified by agreement between the Parties, this Agreement shall terminate automatically, without any further action required by any Party (i) upon the occurrence of the Effective Date and the receipt of the Settlement Payment by the law firm of Baron & Budd's Trust Account or (ii) upon the effective date of a plan of reorganization in the Chapter 11 Cases confirmed by the Bankruptcy Court other than the Debtor Plan, without affecting any obligations that the Supporting Public Entity has with respect to said non-Debtor plan of reorganization under this Agreement.

(b) Mutual Termination. This Agreement may be terminated by mutual agreement of the Parties upon the receipt of written notice delivered in accordance with Section 19 hereof.

(c) General Termination Events. The Agreement may be terminated by either Party, by the delivery to the other Party of a written notice in accordance with Section 19 hereof, upon the occurrence and continuation of any of the following events:

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment or order enjoining the consummation of or rendering illegal the Debtor Plan, and either (A) such ruling, judgment or order has been issued at the request of or with the acquiescence of the Company, or (B) in all other circumstances, such ruling, judgment or order has not been stayed, reversed or vacated within 90 calendar days after such issuance; or

(ii) the Bankruptcy Court enters an order (A) converting any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code or (B) dismissing any of the Chapter 11 Cases.

(d) Supporting Public Entity Termination Event. This Agreement may be terminated by the Supporting Public Entity by the delivery to the Company of a written notice in accordance with Section 19 hereof by the Supporting Public Entity, if:

(i) the Federal Emergency Management Agency (FEMA) or the California Office of Emergency Services (COES) fail to agree in writing that no reimbursement is required from the Supporting Public Entity on account of any assistance rendered by

either agency in connection with the Fires from the Settlement Payment to be paid by the Debtors to the Supporting Public Entity under the Debtor Plan as provided in Section 2(b)(i) hereof, and that the Supporting Public Entity is released from any obligation to pursue any of the claims held by FEMA or COES against the Company; or

(ii) the Debtors file with the Bankruptcy Court a Debtor Plan that provides for any Settlement Payment to the Supporting Public Entity in a total amount less than \$47.5 million, the Bankruptcy Court modifies any filed Debtor Plan so as to provide for any settlement payment to the Supporting Public Entity in a total amount less than \$47.5 million or such Debtor Plan is otherwise materially inconsistent with the Plan Treatment; or

(iii) the Company breaches or otherwise fails to perform, in any material respect, any of the representations, warranties, agreements, or covenants of the Company set forth in this Agreement, which breach or failure remains uncured upon the earlier of: (A) five days prior to the Effective Date of the Debtor Plan, or (B) the expiration of 15 days after the receipt by the Company from the Supporting Public Entity of written notice of such breach or failure to perform; or

(iv) With respect to the Supporting Public Entity, prior to December 31, 2019, a material amount of Third Party Claims (materiality being determined with respect to the circumstances of the Supporting Public Entity) have been noticed against the Supporting Public Entity and (a) the Debtors file with the Bankruptcy Court a Debtor Plan that does not provide for a release of all Third Party Claims against the Supporting Public Entity or (b) the Bankruptcy Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity. Under the circumstances described in subpart (b) of the preceding sentence in which the Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity and the Supporting Public Entity exercises its right to terminate this Agreement under this Section 5(d)(iv), the Supporting Public Entity shall have the right to revoke its vote in favor of the Debtor Plan and file an opposition to the plan should it so choose. For purposes hereof, Third Party Claims shall mean any and all past, present or future claims against the Supporting Public Entity in any way relating to the Fires held by entities or individuals other than the Debtors or the Plan Support Public Entities, including but not limited to claims by individual plaintiffs or subrogated insurance carriers against the Supporting Public Entity for personal injuries, property damage, reimbursement of insurance payments and/or wrongful death relating in any way to the Fires.

(e) This Agreement may be terminated by the Company, by the delivery to the Supporting Public Entity of a written notice in accordance with Section 19 hereof by the Company upon a Company Termination Event.

A “Company Termination Event” shall mean any of the following:

(i) the failure to obtain the consent, or the waiver of lack of consent as a defense, of the Company’s insurance carriers for the policy years 2017 and 2018;

(ii) the breach in any material respect by the Supporting Public Entity of any of the representations, warranties or covenants of the Supporting Public Entity set forth in this Agreement, which breach remains uncured for a period of 15 days after the receipt by the Supporting Public Entity from the Company of written notice of such breach;

(iii) the board of directors, managers, or similar governing body, as applicable, of any Company entity determines in good faith that continued performance under this Agreement would be inconsistent with the exercise of its fiduciary duties under applicable law; or (iv) the termination of any Public Entity PSA between the Company and any Plan Support Public Entity for any reason and by any entity pursuant to the terms of that Public Entity PSA. For the avoidance of doubt, in the event that any individual Plan Support Public Entity terminates their Public Entity PSA just as to itself, the Company shall have the right pursuant to this provision to terminate all Public Entity PSAs.

(f) Effect of Termination. Upon the termination of this Agreement in accordance with this Section 5, and except as provided in Section 13 hereof, this Agreement shall forthwith become void and of no further force or effect and each Party shall, except as provided otherwise in this Agreement, be immediately released from its liabilities, obligations, commitments, undertakings and agreements under or related to this Agreement and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Debtor Plan and contemplated restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement; provided, however, that in no event shall any such termination relieve a Party from liability for its breach or non-performance of its obligations hereunder prior to the date of such termination. Upon any such termination of this Agreement, the Supporting Public Entity may, upon written notice to the Company and the other Parties, revoke its vote or any consents given prior to such termination, whereupon any such vote or consent shall be deemed, for all purposes, to be null and void *ab initio* and shall not be considered or otherwise used in any manner by the Parties in connection with the Debtor Plan and contemplated restructuring and this Agreement. Notwithstanding anything to the contrary herein, the Supporting Public Entity shall not have a right to terminate this Agreement if a default or failure (including by action, inaction or misrepresentation) by the Supporting Public Entity of its obligations, undertakings, representations, warranties, or covenants hereunder is the cause, directly or indirectly, of the event giving rise to the right to terminate.

6. Good Faith Cooperation; Further Assurances.

Subject to the terms and conditions hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Party to carry out the purposes and intent of this Agreement.

7. Representations and Warranties.

Each Party represents and warrants to the other Party that the following statements are true, correct and complete as of the date hereof:

(a) such Party has the corporate, governmental entity, or similar authority to enter into this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court; and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized;

(b) the execution, delivery, and performance by such Party of this Agreement does not and will not (A) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar organization, constitutive or other governing documents) or those of any of its subsidiaries, or (B) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party;

(c) the execution, delivery, and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or notice to, or other action, with or by, any federal, state, or governmental authority or regulatory body, except such filings as may be necessary and/or required by the SEC and, in the case of the Debtors, any requisite approval of the Bankruptcy Court; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court.

The Supporting Public Entity further represents and warrants to the Company that it (A)(i) is the owner of all the Supporting Public Entity's Claims, including the Wildfire Claims, and, prior to the date hereof, has made no assignment, sale, participation, grant, conveyance, pledge or other Transfer of any such Claims to any person that is not a party to this Agreement and has not entered into any other agreement to assign, sell participate, grant, convey, pledge, or otherwise transfer, in whole or in part, any portion of its right, title, or interests in any of the Claims that are inconsistent or conflict with the representations, warranties of the Supporting Public Entity herein or that would render it otherwise unable to comply with this Agreement and perform its obligations hereunder, either generally or with respect to any specific Claims, (ii) has the sole investment or voting discretion with respect to such Claims, (iii) has the full power and authority to vote on, and take action with respect to, and consent to matters concerning such Claims, or exchange or Transfer such Claims, (iv) has the full power and authority to bind or act on behalf of the beneficial owners of such Claims, if any and (v) does not own any other Claims and (B) other than pursuant to this Agreement, such Claims are free and clear of any pledge, lien, security

interest, charge, claim, equity, option, proxy, voting restriction, or other limitation on disposition or encumbrance of any kind that would prevent in any way the Supporting Public Entity's performance of its obligations hereunder as of the date hereof and at the time such obligations are required to be performed.

8. Mediation Communications Privilege and Confidentiality.

Any and all communications, information, and/or documents related and leading up to, including during any and all parts of a mediation and/or settlement negotiation process, including the preparation of this Agreement, are confidential, and will not be disclosed to any third-party without the prior written consent of the Parties, except (a) to enforce any term of this Agreement, (b) to the extent required to be disclosed in mandatory filings with the U.S. Securities and Exchange Commission, (c) to the extent required or necessary to receive legal, tax or accounting advice, (d) as otherwise required by law, (e) to the extent required to be disclosed in mandatory filings with the U.S. Internal Revenue Service; (f) to the extent such terms have already been publicly disclosed as permitted by this paragraph; and (g) as required to effectuate the covenants of the Parties herein in connection with the Chapter 11 Cases (including in any Definitive Document). Prior to any Party's initial public disclosure of confidential information or communications pursuant to this paragraph, that Party shall permit the other Party to review a draft of such initial public disclosure and shall in good faith consider any edits proposed by the other Party. The Parties also agree that they shall not take the position in any public communication that the amount of the Settlement Payment or the Plan Treatment are not a reasonable amount to fully liquidate, settle and resolve all the Plan Support Public Entities' Wildfire Claims in a confirmed plan.

9. Amendments and Waivers.

This Agreement, including any exhibits or schedules hereto, may not be waived, modified, amended or supplemented except in a writing signed by the Company and the Supporting Public Entity.

10. Effectiveness.

This Agreement shall become effective and binding on the Parties, to the fullest extent permissible under applicable law, on the Plan Support Effective Date, and not before such date.

11. Governing Law; Jurisdiction; Jury Trial and Section 1542 Waivers.

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of California and applicable federal law, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the Bankruptcy Court and each Party hereby irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, Courts of the State of California and of the United States District Court

of the Northern District of California, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the Bankruptcy Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the proceeding in such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

(d) IN CONNECTION WITH THE PLAN RELEASE, THE PUBLIC ENTITY RELEASING PARTIES ACKNOWLEDGE THAT THEY HAVE BEEN ADVISED BY THEIR ATTORNEYS CONCERNING, AND ARE FAMILIAR WITH, CALIFORNIA CIVIL CODE § 1542 AND, TO THE EXTENT SAID PROVISION APPLIES TO THIS AGREEMENT, THE SUPPORTING PUBLIC ENTITY RELEASING PARTIES EXPRESSLY WAIVE ANY AND ALL RIGHTS AND BENEFITS THEY MAY HAVE UNDER *CALIFORNIA CIVIL CODE §1542*, AS WELL AS UNDER ANY OTHER STATE OR FEDERAL STATUTE OR COMMON LAW PRINCIPLE OF SIMILAR EFFECT. *CALIFORNIA CIVIL CODE §1542* PROVIDES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

12. Specific Performance/Remedies.

It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by a Party and the non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys'

fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy (or the posting of any bond), including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder.

13. Survival.

Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Parties set forth in the following Sections: 5(f), 7, 8, 11, 12, 14, 15, 16, 17, 18, 19, 20, and 21 hereof (and any defined terms used in any such Sections) shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided, however, that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

14. Headings.

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

15. Successors and Assigns; Severability; Several Obligations.

This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 15 shall be deemed to permit Transfers of the Supporting Public Entity's Claims. If any provision of this Agreement, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

16. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary hereof.

17. Prior Negotiations; Entire Agreement.

This Agreement constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company and the Supporting Public Entity shall continue in full force and effect.

18. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement may be delivered by facsimile or otherwise, which shall be deemed to be an original for the purposes of this paragraph.

(b) This Agreement and the Debtor Plan are part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. This Agreement shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of either Party of any claim or fault or liability or damages whatsoever. Each of the Parties reserves all rights with respect to claims or defenses which it has asserted or could assert.

21. No Solicitation; Representation by Counsel; Interpretation; Adequate Information.

(c) Each Party acknowledges that it has had an opportunity to receive information from the other Party and that it has been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(d) Each Party hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the relevant Claims and the operations, businesses, financial and other conditions and prospects of the Company.

**PLAN SUPPORT AGREEMENT AS TO PLAN TREATMENT OF PUBLIC ENTITY'S
WILDFIRE CLAIMS**

This PLAN SUPPORT AGREEMENT (as amended, supplemented or otherwise modified from time to time in accordance with the terms hereof, this “**Agreement**”), dated as of June 18, 2019, is entered into by and among the following parties:

(i) PG&E Corporation (“**PG&E Corp.**”) and Pacific Gas and Electric Company (the “**Utility**”), as debtors and debtors in possession (collectively, the “**Company**” or the “**Debtors**”); and

(ii) County of Yuba, a political subdivision (the “**Supporting Public Entity**”).

The Company and the Supporting Public Entity are referred to herein as the “**Parties**” and individually as a “**Party**.”

WHEREAS, on January 29, 2019 (the “**Petition Date**”), the Debtors commenced voluntary cases (the “**Chapter 11 Cases**”) under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Northern District of California (the “**Bankruptcy Court**”), which Chapter 11 Cases have been consolidated by order of the Bankruptcy Court for procedural purposes only and are being jointly administered under case number 19-30088 (DM);

WHEREAS, during the course of the Chapter 11 Cases, the Debtors intend to file a joint chapter 11 plan of reorganization or separate chapter 11 plans of reorganization (such filed plan or plans, or any other filed plan or plans in the Chapter 11 Cases supported by the Debtors, the “**Debtor Plan**”) and a related disclosure statement or disclosure statements, as applicable (the “**Disclosure Statement**”);

(ii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that the Settlement Payment is reasonable and sufficient in order to liquidate, settle and resolve all of the Supporting Public Entity's Wildfire Claims against the Company including those alleged in the Operative Complaints and that it will not object to any Debtor Plan or any other plan on the grounds that the Settlement Payment is unreasonable or insufficient in any way. The Supporting Public Entity also agrees that it will not support any plan that provides for any different recovery from the Settlement Payment, unless this Agreement has been terminated pursuant to the terms hereof.

(iii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees to the Plan Treatment of its Wildfire Claims and, if the Debtor Plan is confirmed by the Bankruptcy Court, to take reasonable actions necessary to consummate the Debtor Plan with respect to the Plan Treatment of the Wildfire Claims.

(iv) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees that it shall not directly or indirectly, or encourage any other entity to directly or indirectly to: (A) object to, delay, impede,

(b) **Voting**. Subject to the Supporting Public Entity Consent Right, the terms and conditions of this Agreement, and the receipt by the Supporting Public Entity of a Disclosure Statement approved by the Bankruptcy Court and other solicitation materials in respect to the Debtor Plan providing for the Plan Treatment and otherwise consistent with this Agreement, the Supporting Public Entity agrees that, for the duration of the Plan Support Period, it shall, to the extent the Supporting Public Entity is entitled to vote on such a Debtor Plan (but subject to Section 3(d) below): (i) timely vote (or cause to be voted) all of its Wildfire Claims to accept the Debtor Plan as it pertains to the Plan Treatment of the Wildfire Claims by delivering its duly executed and completed ballot or ballots, as applicable, accepting the Debtor Plan on a timely basis following commencement of the solicitation of acceptances of the Debtor Plan in accordance with sections 1125 and 1126 of the Bankruptcy Code, (ii) not change or withdraw the Wildfire Claim vote (or cause or direct such vote to be changed or withdrawn), (iii) timely vote (or cause to be voted) its Wildfire Claims against (and shall not directly or indirectly, through any person or entity, seek, solicit, propose, support, assist, engage in negotiations in connection with or participate in the formulation, preparation, filing or prosecution of) any plan, plan proposal, restructuring proposal, offer of dissolution, winding up, liquidation, sale or disposition of assets, reorganization, merger or restructuring of the Company other than the Debtor Plan.

(c) **Transfers**. During the Plan Support Period, the Supporting Public Entity shall not sell, use, loan, pledge, assign, transfer, permit the participation in, or otherwise dispose of (each, a " **Transfer** ") directly or indirectly, in whole or in part, any of its Wildfire Claims or any ownership (including any beneficial ownership) ¹ in its Wildfire Claims, or any option thereon or

¹ As used herein, the term " **beneficial ownership** " means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Claims or the right to acquire such Claims.

any right or interest therein (including grant any proxies, deposit any interest in any of its Wildfire Claims into a voting trust or enter into a voting agreement with respect to any such Wildfire Claims). Any Transfer made in violation of this Section 2(c) shall be void *ab initio* and the Company shall have the right to enforce the voiding of such Transfer.

(d) Retention of Rights as to Non-Wildfire Claims. Notwithstanding anything to the contrary in this Agreement, the Supporting Public Entity shall have the right to (i) assert any and all Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (ii) defend any objections or other disputes with respect to any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (iii) object to the Debtor Plan solely with respect to any provisions therein providing for the treatment or payment of any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, and (iv) vote its Non-Wildfire Claims in any manner deemed appropriate to the Supporting Public Entity, in its sole discretion.

(e) Certain Tax Matters. In furtherance of the Plan Treatment, the Supporting Public Entity agrees to file all applicable United States federal, state and local tax returns, filings and submissions in a manner consistent with treatment of all amounts distributable as restitution, including any filings required to be made by the Supporting Public Entity under Section 6050X of the U.S. Internal Revenue Code. As may be reasonably requested by the Company, the Supporting Public Entity shall reasonably cooperate with the Company in connection with the Company's preparation and filing of any applicable tax returns, filings or submissions and any audit or other tax proceeding with respect thereto, to the extent related to this Agreement; provided, however, the Supporting Public Entity shall not be obligated to incur any unreimbursed out-of-pocket cost, expense or liability in connection with such cooperation.

(f) The Parties acknowledge and agree that (i) the Supporting Public Entity did not demand and the Company did not agree that any portion of the Settlement Payment is on account of any claims or damages of the Supporting Public Entity as to which any monies or benefits were provided, are being provided, or will be provided to the Supporting Public Entity from California Office of Emergency Services ("OES"), the Federal Emergency Management Agency ("FEMA") or any other government payment or assistance, or any insurers or re-insurers of the Supporting Public Entity, (ii) the Settlement Payment and Plan Treatment provided for in this Agreement does not evidence any settlement of any claims the OES, FEMA or any other government entity or agency, or the Supporting Public Entity's insurers or re-insurers may have against the Company, and (iii) nothing in this Agreement in any way releases, limits, modifies or in any way affects any claims that OES, FEMA, or any other government entity or agency, or the Supporting Public Entity's insurers or re-insurers may have against the Company (including, but not limited to, any insurance provider subrogation claims).

4. Agreements of the Company.

(a) Filing of Supporting Public Entity's Claims. Subject to the terms and conditions of this Agreement, the Supporting Public Entity, in order to protect its rights if this Agreement is terminated, may file timely proofs of claim in the Chapter 11 Cases in any amount the Supporting Public Entity deems appropriate evidencing any and all Claims it may have against the Debtors, including but not limited to the Wildfire Claims; provided, however, the Debtors shall not object to, seek any setoff with respect to, dispute the amount of, or otherwise contest any

Wildfire Claim submitted by the Supporting Public Entity during the Plan Support Period and shall affirmatively support the Plan Treatment of the Supporting Public Entity's Wildfire Claims consistent with this Agreement; provided further that the Supporting Public Entity hereby acknowledges and agrees that the Settlement Payment is a reasonable amount to fully liquidate, settle and resolve all of its Wildfire Claims regardless of the Claim amount that may be asserted in such proofs of Claim and the Supporting Public Entity, with the exception of filing the proofs of Claim provided for in this section, will not during the Plan Support Period take any public or private position to the contrary. For avoidance of doubt, if this Agreement is terminated, the Debtors may object to any proofs of claim filed by the Supporting Public Entity on any basis whatsoever.

(b) Covenants. Subject to the terms and conditions hereof, unless compliance is waived in writing by the Supporting Public Entity, the Company agrees that during the Plan Support Period they shall:

(i) prepare or cause to be prepared the Debtor Plan, Disclosure Statement and all relevant motions, applications, orders, agreements and other documents directly related thereto, each of which, for the avoidance of doubt, shall contain terms and conditions consistent with the Plan Treatment;

(ii) provide draft copies of the foregoing documents that the Company intends to file with the Bankruptcy Court to counsel for the Supporting Public Entity as soon as reasonably practicable prior to such documents being filed with the Bankruptcy Court, and to consult in good faith with counsel for the Supporting Public Entity regarding the form and substance of any of the foregoing documents in advance of the filing, execution, distribution or use (as applicable) thereof;

(iii) include the necessary provisions in any Debtor Plan proposed by the Debtors to effectuate the Plan Treatment and to carry out the terms of this Agreement;

(iv) support and take all commercially reasonable efforts to facilitate the solicitation and confirmation of the Debtor Plan, including the Plan Treatment, and take all reasonably necessary actions to consummate the Debtor Plan, including the Plan Treatment, and the transactions contemplated thereby;

(v) unless pursuant to a fiduciary obligation under Section 4(b), (A) cease and cause to be terminated any ongoing solicitation, discussions and negotiations with respect to any alternative plan that is not consistent with the Plan Treatment; (B) not, directly or indirectly, seek, solicit, negotiate, support, engage in or initiate discussions relating to, or enter into any agreements relating to any alternative plan that is not consistent with the Plan Treatment; (C) not solicit or direct any person or entity, including any of its representatives or members of the Company's board of directors (or equivalent) or any direct or indirect holders of existing equity securities of the Company, to undertake any of the foregoing;

(vi) use reasonable best efforts to obtain the consent, or the waiver of lack of consent as a defense, of the Company's insurance carriers for the policy years 2017 and

2018 in a timely manner and in no event later than the date the Debtors commence solicitation of votes on the Debtor Plan; and

(c) Fiduciary Duty Obligations. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the board of directors, or any such similar governing body of any Company entity to take any action, or to refrain from taking any action, with respect to the Debtor Plan or any contemplated restructuring transactions to the extent such board of directors or other such similar governing body determines that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or would be inconsistent with the exercise of its fiduciary duties under applicable law.

5. Termination of Agreement.

(a) Automatic Termination. Unless waived or modified by agreement between the Parties, this Agreement shall terminate automatically, without any further action required by any Party (i) upon the occurrence of the Effective Date and the receipt of the Settlement Payment by the law firm of Baron & Budd's Trust Account or (ii) upon the effective date of a plan of reorganization in the Chapter 11 Cases confirmed by the Bankruptcy Court other than the Debtor Plan, without affecting any obligations that the Supporting Public Entity has with respect to said non-Debtor plan of reorganization under this Agreement.

(b) Mutual Termination. This Agreement may be terminated by mutual agreement of the Parties upon the receipt of written notice delivered in accordance with Section 19 hereof.

(c) General Termination Events. The Agreement may be terminated by either Party, by the delivery to the other Party of a written notice in accordance with Section 19 hereof, upon the occurrence and continuation of any of the following events:

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment or order enjoining the consummation of or rendering illegal the Debtor Plan, and either (A) such ruling, judgment or order has been issued at the request of or with the acquiescence of the Company, or (B) in all other circumstances, such ruling, judgment or order has not been stayed, reversed or vacated within 90 calendar days after such issuance; or

(ii) the Bankruptcy Court enters an order (A) converting any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code or (B) dismissing any of the Chapter 11 Cases.

(d) Supporting Public Entity Termination Event. This Agreement may be terminated by the Supporting Public Entity by the delivery to the Company of a written notice in accordance with Section 19 hereof by the Supporting Public Entity, if:

(i) the Federal Emergency Management Agency (FEMA) or the California Office of Emergency Services (COES) fail to agree in writing that no reimbursement is required from the Supporting Public Entity on account of any assistance rendered by

either agency in connection with the Fires from the Settlement Payment to be paid by the Debtors to the Supporting Public Entity under the Debtor Plan as provided in Section 2(b)(i) hereof, and that the Supporting Public Entity is released from any obligation to pursue any of the claims held by FEMA or COES against the Company; or

(ii) the Debtors file with the Bankruptcy Court a Debtor Plan that provides for any Settlement Payment to the Supporting Public Entity in a total amount less than \$12.5 million, the Bankruptcy Court modifies any filed Debtor Plan so as to provide for any settlement payment to the Supporting Public Entity in a total amount less than \$12.5 million or such Debtor Plan is otherwise materially inconsistent with the Plan Treatment; or

(iii) the Company breaches or otherwise fails to perform, in any material respect, any of the representations, warranties, agreements, or covenants of the Company set forth in this Agreement, which breach or failure remains uncured upon the earlier of: (A) five days prior to the Effective Date of the Debtor Plan, or (B) the expiration of 15 days after the receipt by the Company from the Supporting Public Entity of written notice of such breach or failure to perform; or

(iv) With respect to the Supporting Public Entity, prior to December 31, 2019, a material amount of Third Party Claims (materiality being determined with respect to the circumstances of the Supporting Public Entity) have been noticed against the Supporting Public Entity and (a) the Debtors file with the Bankruptcy Court a Debtor Plan that does not provide for a release of all Third Party Claims against the Supporting Public Entity or (b) the Bankruptcy Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity. Under the circumstances described in subpart (b) of the preceding sentence in which the Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity and the Supporting Public Entity exercises its right to terminate this Agreement under this Section 5(d)(iv), the Supporting Public Entity shall have the right to revoke its vote in favor of the Debtor Plan and file an opposition to the plan should it so choose. For purposes hereof, Third Party Claims shall mean any and all past, present or future claims against the Supporting Public Entity in any way relating to the Fires held by entities or individuals other than the Debtors or the Plan Support Public Entities, including but not limited to claims by individual plaintiffs or subrogated insurance carriers against the Supporting Public Entity for personal injuries, property damage, reimbursement of insurance payments and/or wrongful death relating in any way to the Fires.

(e) This Agreement may be terminated by the Company, by the delivery to the Supporting Public Entity of a written notice in accordance with Section 19 hereof by the Company upon a Company Termination Event.

A “Company Termination Event” shall mean any of the following:

(i) the failure to obtain the consent, or the waiver of lack of consent as a defense, of the Company’s insurance carriers for the policy years 2017 and 2018;

(ii) the breach in any material respect by the Supporting Public Entity of any of the representations, warranties or covenants of the Supporting Public Entity set forth in this Agreement, which breach remains uncured for a period of 15 days after the receipt by the Supporting Public Entity from the Company of written notice of such breach;

(iii) the board of directors, managers, or similar governing body, as applicable, of any Company entity determines in good faith that continued performance under this Agreement would be inconsistent with the exercise of its fiduciary duties under applicable law; or

(iv) the termination of any Public Entity PSA between the Company and any Plan Support Public Entity for any reason and by any entity pursuant to the terms of that Public Entity PSA. For the avoidance of doubt, in the event that any individual Plan Support Public Entity terminates their Public Entity PSA just as to itself, the Company shall have the right pursuant to this provision to terminate all Public Entity PSAs.

(f) Effect of Termination. Upon the termination of this Agreement in accordance with this Section 5, and except as provided in Section 13 hereof, this Agreement shall forthwith become void and of no further force or effect and each Party shall, except as provided otherwise in this Agreement, be immediately released from its liabilities, obligations, commitments, undertakings and agreements under or related to this Agreement and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Debtor Plan and contemplated restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement; provided, however, that in no event shall any such termination relieve a Party from liability for its breach or non-performance of its obligations hereunder prior to the date of such termination. Upon any such termination of this Agreement, the Supporting Public Entity may, upon written notice to the Company and the other Parties, revoke its vote or any consents given prior to such termination, whereupon any such vote or consent shall be deemed, for all purposes, to be null and void *ab initio* and shall not be considered or otherwise used in any manner by the Parties in connection with the Debtor Plan and contemplated restructuring and this Agreement. Notwithstanding anything to the contrary herein, the Supporting Public Entity shall not have a right to terminate this Agreement if a default or failure (including by action, inaction or misrepresentation) by the Supporting Public Entity of its obligations, undertakings, representations, warranties, or covenants hereunder is the cause, directly or indirectly, of the event giving rise to the right to terminate.

6. Good Faith Cooperation; Further Assurances.

Subject to the terms and conditions hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Party to carry out the purposes and intent of this Agreement.

7. Representations and Warranties.

Each Party represents and warrants to the other Party that the following statements are true, correct and complete as of the date hereof:

(a) such Party has the corporate, governmental entity, or similar authority to enter into this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court; and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized;

(b) the execution, delivery, and performance by such Party of this Agreement does not and will not (A) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar organization, constitutive or other governing documents) or those of any of its subsidiaries, or (B) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party;

(c) the execution, delivery, and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or notice to, or other action, with or by, any federal, state, or governmental authority or regulatory body, except such filings as may be necessary and/or required by the SEC and, in the case of the Debtors, any requisite approval of the Bankruptcy Court; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court.

The Supporting Public Entity further represents and warrants to the Company that it (A)(i) is the owner of all the Supporting Public Entity's Claims, including the Wildfire Claims, and, prior to the date hereof, has made no assignment, sale, participation, grant, conveyance, pledge or other Transfer of any such Claims to any person that is not a party to this Agreement and has not entered into any other agreement to assign, sell participate, grant, convey, pledge, or otherwise transfer, in whole or in part, any portion of its right, title, or interests in any of the Claims that are inconsistent or conflict with the representations, warranties of the Supporting Public Entity herein or that would render it otherwise unable to comply with this Agreement and perform its obligations hereunder, either generally or with respect to any specific Claims, (ii) has the sole investment or voting discretion with respect to such Claims, (iii) has the full power and authority to vote on, and take action with respect to, and consent to matters concerning such Claims, or exchange or Transfer such Claims, (iv) has the full power and authority to bind or act on behalf of the beneficial owners of such Claims, if any and (v) does not own any other Claims and (B) other than pursuant to this Agreement, such Claims are free and clear of any pledge, lien, security

interest, charge, claim, equity, option, proxy, voting restriction, or other limitation on disposition or encumbrance of any kind that would prevent in any way the Supporting Public Entity's performance of its obligations hereunder as of the date hereof and at the time such obligations are required to be performed.

8. Mediation Communications Privilege and Confidentiality.

Any and all communications, information, and/or documents related and leading up to, including during any and all parts of a mediation and/or settlement negotiation process, including the preparation of this Agreement, are confidential, and will not be disclosed to any third-party without the prior written consent of the Parties, except (a) to enforce any term of this Agreement, (b) to the extent required to be disclosed in mandatory filings with the U.S. Securities and Exchange Commission, (c) to the extent required or necessary to receive legal, tax or accounting advice, (d) as otherwise required by law, (e) to the extent required to be disclosed in mandatory filings with the U.S. Internal Revenue Service; (f) to the extent such terms have already been publicly disclosed as permitted by this paragraph; and (g) as required to effectuate the covenants of the Parties herein in connection with the Chapter 11 Cases (including in any Definitive Document). Prior to any Party's initial public disclosure of confidential information or communications pursuant to this paragraph, that Party shall permit the other Party to review a draft of such initial public disclosure and shall in good faith consider any edits proposed by the other Party. The Parties also agree that they shall not take the position in any public communication that the amount of the Settlement Payment or the Plan Treatment are not a reasonable amount to fully liquidate, settle and resolve all the Plan Support Public Entities' Wildfire Claims in a confirmed plan.

9. Amendments and Waivers.

This Agreement, including any exhibits or schedules hereto, may not be waived, modified, amended or supplemented except in a writing signed by the Company and the Supporting Public Entity.

10. Effectiveness.

This Agreement shall become effective and binding on the Parties, to the fullest extent permissible under applicable law, on the Plan Support Effective Date, and not before such date.

11. Governing Law; Jurisdiction; Jury Trial and Section 1542 Waivers.

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of California and applicable federal law, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the Bankruptcy Court and each Party hereby irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, Courts of the State of California and of the United States District Court

of the Northern District of California, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the Bankruptcy Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the proceeding in such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

(d) IN CONNECTION WITH THE PLAN RELEASE, THE PUBLIC ENTITY RELEASING PARTIES ACKNOWLEDGE THAT THEY HAVE BEEN ADVISED BY THEIR ATTORNEYS CONCERNING, AND ARE FAMILIAR WITH, CALIFORNIA CIVIL CODE § 1542 AND, TO THE EXTENT SAID PROVISION APPLIES TO THIS AGREEMENT, THE SUPPORTING PUBLIC ENTITY RELEASING PARTIES EXPRESSLY WAIVE ANY AND ALL RIGHTS AND BENEFITS THEY MAY HAVE UNDER *CALIFORNIA CIVIL CODE §1542*, AS WELL AS UNDER ANY OTHER STATE OR FEDERAL STATUTE OR COMMON LAW PRINCIPLE OF SIMILAR EFFECT. *CALIFORNIA CIVIL CODE §1542* PROVIDES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

12. Specific Performance/Remedies.

It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by a Party and the non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys'

fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy (or the posting of any bond), including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder.

13. Survival.

Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Parties set forth in the following Sections: 5(f), 7, 8, 11, 12, 14, 15, 16, 17, 18, 19, 20, and 21 hereof (and any defined terms used in any such Sections) shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided, however, that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

14. Headings.

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

15. Successors and Assigns; Severability; Several Obligations.

This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 15 shall be deemed to permit Transfers of the Supporting Public Entity's Claims. If any provision of this Agreement, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

16. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary hereof.

17. Prior Negotiations; Entire Agreement.

This Agreement constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company and the Supporting Public Entity shall continue in full force and effect.

18. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement may be delivered by facsimile or otherwise, which shall be deemed to be an original for the purposes of this paragraph.

(c) Each Party acknowledges that it has had an opportunity to receive information from the other Party and that it has been represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(d) Each Party hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the relevant Claims and the operations, businesses, financial and other conditions and prospects of the Company.

2. Debtor Plan Terms.

(a) The Debtor Plan shall be in form and substance satisfactory to the Debtors in their sole discretion and shall provide for, among other things, the treatment and resolution of all Claims and interests in a manner acceptable to the Debtors; *provided that*, the Debtor Plan must be consistent with the provisions of this Agreement and provide for the Plan Treatment.

(i) Treatment of Supporting Public Entity's Wildfire Claims. On the Effective Date, or as soon as practicable thereafter but in no event later than 30 days after the Effective Date, the Company shall remit, or cause to be remitted, to the Supporting Public Entity, in full and final satisfaction and discharge of its Wildfire Claims, the Settlement Payment of \$3 million payable to the law firm of Baron & Budd's Trust Account (the " **Plan Treatment** ") prior to the filing of the Debtor Plan with the Bankruptcy Court. Without in any way limiting the fact that the Settlement Payment shall be in full and final settlement, release and discharge of all Wildfire Claims of the Supporting Public Entity, the Settlement Payment shall be in restitution for any economic damages or harm incurred, and all other Wildfire Claims of the Supporting Public Entity (including any Claims for attorneys' fees and the costs of any investigation, subject to a possible 503(b) application) shall be released and discharged for no additional consideration. The Company shall support the Plan Treatment and the incorporation of the Plan Treatment in any Debtor Plan. As detailed in Section 20, the Plan Treatment shall not constitute an admission or concession on the part of any Party of any claim or fault or liability or damages or defense whatsoever.

(ii) Segregated Defense Fund. Subject to the Plan Support Public Entities affirmatively voting to accept the Debtors' Plan, the Debtors' Plan shall further provide for the creation of a single segregated fund for the benefit of the Plan Support Public Entities in the amount of \$10 million to be funded promptly, but no less than 30 days after the Effective Date, and the Debtors shall be obligated to use such fund to reimburse the Plan Support Public Entities for any and all legal fees and costs associated with the defense or resolution of any Third Party Claims against the Supporting Public Entity. Such fund shall be maintained by the Debtors until the later of (a) the expiration of the applicable limitations period for any and all such Third-Party Claims and (b) the conclusion of all litigation involving Third Party Claims, including appeals.

(iii) Debtor Releases. Subject to payment in full by the Company of the Settlement Payment to Baron & Budd's Trust Account, in addition to the Public Entity Releasing

Parties providing full and complete releases in favor of the Released Parties, any and all of the Supporting Public Entity's Wildfire Claims shall be deemed satisfied, released and discharged in accordance with Section 1141 of the Bankruptcy Code and other applicable law, and forever barred to the fullest extent permitted by law (collectively, the "**Plan Release**").

(iv) **Public Entity Releases**. Debtors and the Reorganized Debtors and the Debtors' and the Reorganized Debtors' predecessors, successors, assigns, subsidiaries, affiliates, current and former officers and directors, principals, shareholders, members, partners, managers, employees, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors, and other professionals shall fully and completely release and forever discharge the Public Entity Releasing Parties from any and all claims, debts, causes of action, agreements and/or liabilities whatsoever, both at law and in equity, that such entities ever had, now have or may hereafter have against the Public Entity Releasing Parties pertaining to, or arising directly or indirectly from or related in any way to the Fires.

3. Agreements of the Supporting Public Entity.

(a) **Agreement to Support**.

(i) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that, as long as the Debtor Plan is consistent with this Agreement, the Supporting Public Entity shall use all reasonable efforts during the Plan Support Period to support the Debtor Plan with respect to the Debtor's Plan Treatment of the Wildfire Claims, in accordance with the terms set forth herein, and to act in good faith to consummate the Plan Treatment with respect to the Supporting Public Entity's Wildfire Claims in a timely manner.

(ii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, unless compliance is waived in writing by the Company, the Supporting Public Entity agrees that the Settlement Payment is reasonable and sufficient in order to liquidate, settle and resolve all of the Supporting Public Entity's Wildfire Claims against the Company including those alleged in the Operative Complaints and that it will not object to any Debtor Plan or any other plan on the grounds that the Settlement Payment is unreasonable or insufficient in any way. The Supporting Public Entity also agrees that it will not support any plan that provides for any different recovery from the Settlement Payment, unless this Agreement has been terminated pursuant to the terms hereof.

(iii) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees to the Plan Treatment of its Wildfire Claims and, if the Debtor Plan is confirmed by the Bankruptcy Court, to take reasonable actions necessary to consummate the Debtor Plan with respect to the Plan Treatment of the Wildfire Claims.

(iv) Subject to the Supporting Public Entity Consent Right and the terms and conditions of this Agreement, the Supporting Public Entity agrees that it shall not directly or indirectly, or encourage any other entity to directly or indirectly to: (A) object to, delay, impede,

or take any other action or any inaction to interfere with the acceptance, implementation, consummation, or amendment (whether before or after confirmation) of the Plan Treatment of the Supporting Public Entity's Wildfire Claims in the Debtor Plan, *provided* that in the case of an amendment, to the extent required by the terms of this Agreement, the Company has obtained the consent of the Supporting Public Entity; (B) seek, solicit, encourage, formulate, consent to, propose, file, support, negotiate, vote for, or take any other action in furtherance of any treatment of the Supporting Public Entity's Wildfire Claims in any restructuring, workout, merger, consolidation, business combination, joint venture, partnership, or sale of assets, plan of arrangement, or plan of reorganization for the Debtors other than the Plan Treatment in the Debtor Plan, including, for the avoidance of doubt, making or supporting any filings with the Bankruptcy Court (or instructing or authorizing their counsel to make any statement on the record at any hearing in the Chapter 11 Cases), or making or supporting any press release, press report or comparable public statement, or filing with respect to any alternative or competing treatment of the Wildfire Claims proposed with respect to any other restructuring, workout, plan of arrangement, or plan of reorganization, other than the Debtor Plan; (C) exercise any right or remedy for the enforcement, collection, or recovery of any Wildfire Claim against the Debtors or any direct or indirect subsidiaries of the Debtors that are not Debtors; and/or (D) otherwise support the treatment of the Wildfire Claims proposed in any plan or sale process proposed by any entity other than the Debtors.

(b) **Voting**. Subject to the Supporting Public Entity Consent Right, the terms and conditions of this Agreement, and the receipt by the Supporting Public Entity of a Disclosure Statement approved by the Bankruptcy Court and other solicitation materials in respect to the Debtor Plan providing for the Plan Treatment and otherwise consistent with this Agreement, the Supporting Public Entity agrees that, for the duration of the Plan Support Period, it shall, to the extent the Supporting Public Entity is entitled to vote on such a Debtor Plan (but subject to Section 3(d) below): (i) timely vote (or cause to be voted) all of its Wildfire Claims to accept the Debtor Plan as it pertains to the Plan Treatment of the Wildfire Claims by delivering its duly executed and completed ballot or ballots, as applicable, accepting the Debtor Plan on a timely basis following commencement of the solicitation of acceptances of the Debtor Plan in accordance with sections 1125 and 1126 of the Bankruptcy Code, (ii) not change or withdraw the Wildfire Claim vote (or cause or direct such vote to be changed or withdrawn), (iii) timely vote (or cause to be voted) its Wildfire Claims against (and shall not directly or indirectly, through any person or entity, seek, solicit, propose, support, assist, engage in negotiations in connection with or participate in the formulation, preparation, filing or prosecution of) any plan, plan proposal, restructuring proposal, offer of dissolution, winding up, liquidation, sale or disposition of assets, reorganization, merger or restructuring of the Company other than the Debtor Plan.

(c) **Transfers**. During the Plan Support Period, the Supporting Public Entity shall not sell, use, loan, pledge, assign, transfer, permit the participation in, or otherwise dispose of (each, a "**Transfer**") directly or indirectly, in whole or in part, any of its Wildfire Claims or any ownership (including any beneficial ownership)¹ in its Wildfire Claims, or any option thereon or

¹ As used herein, the term "**beneficial ownership**" means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Claims or the right to acquire such Claims.

any right or interest therein (including grant any proxies, deposit any interest in any of its Wildfire Claims into a voting trust or enter into a voting agreement with respect to any such Wildfire Claims). Any Transfer made in violation of this Section 2(c) shall be void *ab initio* and the Company shall have the right to enforce the voiding of such Transfer.

(d) Retention of Rights as to Non-Wildfire Claims. Notwithstanding anything to the contrary in this Agreement, the Supporting Public Entity shall have the right to (i) assert any and all Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (ii) defend any objections or other disputes with respect to any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, (iii) object to the Debtor Plan solely with respect to any provisions therein providing for the treatment or payment of any Non-Wildfire Claims it may have in the Chapter 11 Cases against the Debtors, and (iv) vote its Non-Wildfire Claims in any manner deemed appropriate to the Supporting Public Entity, in its sole discretion.

(e) Certain Tax Matters. In furtherance of the Plan Treatment, the Supporting Public Entity agrees to file all applicable United States federal, state and local tax returns, filings and submissions in a manner consistent with treatment of all amounts distributable as restitution, including any filings required to be made by the Supporting Public Entity under Section 6050X of the U.S. Internal Revenue Code. As may be reasonably requested by the Company, the Supporting Public Entity shall reasonably cooperate with the Company in connection with the Company's preparation and filing of any applicable tax returns, filings or submissions and any audit or other tax proceeding with respect thereto, to the extent related to this Agreement; provided, however, the Supporting Public Entity shall not be obligated to incur any unreimbursed out-of-pocket cost, expense or liability in connection with such cooperation.

(f) The Parties acknowledge and agree that (i) the Supporting Public Entity did not demand and the Company did not agree that any portion of the Settlement Payment is on account of any claims or damages of the Supporting Public Entity as to which any monies or benefits were provided, are being provided, or will be provided to the Supporting Public Entity from California Office of Emergency Services ("OES"), the Federal Emergency Management Agency ("FEMA") or any other government payment or assistance, or any insurers or re-insurers of the Supporting Public Entity, (ii) the Settlement Payment and Plan Treatment provided for in this Agreement does not evidence any settlement of any claims the OES, FEMA or any other government entity or agency, or the Supporting Public Entity's insurers or re-insurers may have against the Company, and (iii) nothing in this Agreement in any way releases, limits, modifies or in any way affects any claims that OES, FEMA, or any other government entity or agency, or the Supporting Public Entity's insurers or re-insurers may have against the Company (including, but not limited to, any insurance provider subrogation claims).

4. Agreements of the Company.

(a) Filing of Supporting Public Entity's Claims. Subject to the terms and conditions of this Agreement, the Supporting Public Entity, in order to protect its rights if this Agreement is terminated, may file timely proofs of claim in the Chapter 11 Cases in any amount the Supporting Public Entity deems appropriate evidencing any and all Claims it may have against the Debtors, including but not limited to the Wildfire Claims; provided, however, the Debtors shall not object to, seek any setoff with respect to, dispute the amount of, or otherwise contest any

Wildfire Claim submitted by the Supporting Public Entity during the Plan Support Period and shall affirmatively support the Plan Treatment of the Supporting Public Entity's Wildfire Claims consistent with this Agreement; provided further that the Supporting Public Entity hereby acknowledges and agrees that the Settlement Payment is a reasonable amount to fully liquidate, settle and resolve all of its Wildfire Claims regardless of the Claim amount that may be asserted in such proofs of Claim and the Supporting Public Entity, with the exception of filing the proofs of Claim provided for in this section, will not during the Plan Support Period take any public or private position to the contrary. For avoidance of doubt, if this Agreement is terminated, the Debtors may object to any proofs of claim filed by the Supporting Public Entity on any basis whatsoever.

(b) Covenants. Subject to the terms and conditions hereof, unless compliance is waived in writing by the Supporting Public Entity, the Company agrees that during the Plan Support Period they shall:

(i) prepare or cause to be prepared the Debtor Plan, Disclosure Statement and all relevant motions, applications, orders, agreements and other documents directly related thereto, each of which, for the avoidance of doubt, shall contain terms and conditions consistent with the Plan Treatment;

(ii) provide draft copies of the foregoing documents that the Company intends to file with the Bankruptcy Court to counsel for the Supporting Public Entity as soon as reasonably practicable prior to such documents being filed with the Bankruptcy Court, and to consult in good faith with counsel for the Supporting Public Entity regarding the form and substance of any of the foregoing documents in advance of the filing, execution, distribution or use (as applicable) thereof;

(iii) include the necessary provisions in any Debtor Plan proposed by the Debtors to effectuate the Plan Treatment and to carry out the terms of this Agreement;

(iv) support and take all commercially reasonable efforts to facilitate the solicitation and confirmation of the Debtor Plan, including the Plan Treatment, and take all reasonably necessary actions to consummate the Debtor Plan, including the Plan Treatment, and the transactions contemplated thereby;

(v) unless pursuant to a fiduciary obligation under Section 4(b), (A) cease and cause to be terminated any ongoing solicitation, discussions and negotiations with respect to any alternative plan that is not consistent with the Plan Treatment; (B) not, directly or indirectly, seek, solicit, negotiate, support, engage in or initiate discussions relating to, or enter into any agreements relating to any alternative plan that is not consistent with the Plan Treatment; (C) not solicit or direct any person or entity, including any of its representatives or members of the Company's board of directors (or equivalent) or any direct or indirect holders of existing equity securities of the Company, to undertake any of the foregoing;

(vi) use reasonable best efforts to obtain the consent, or the waiver of lack of consent as a defense, of the Company's insurance carriers for the policy years 2017 and

2018 in a timely manner and in no event later than the date the Debtors commence solicitation of votes on the Debtor Plan; and

(c) **Fiduciary Duty Obligations**. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require the board of directors, or any such similar governing body of any Company entity to take any action, or to refrain from taking any action, with respect to the Debtor Plan or any contemplated restructuring transactions to the extent such board of directors or other such similar governing body determines that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or would be inconsistent with the exercise of its fiduciary duties under applicable law.

5. Termination of Agreement.

(a) **Automatic Termination**. Unless waived or modified by agreement between the Parties, this Agreement shall terminate automatically, without any further action required by any Party (i) upon the occurrence of the Effective Date and the receipt of the Settlement Payment by the law firm of Baron & Budd's Trust Account or (ii) upon the effective date of a plan of reorganization in the Chapter 11 Cases confirmed by the Bankruptcy Court other than the Debtor Plan, without affecting any obligations that the Supporting Public Entity has with respect to said non-Debtor plan of reorganization under this Agreement.

(b) **Mutual Termination**. This Agreement may be terminated by mutual agreement of the Parties upon the receipt of written notice delivered in accordance with Section 19 hereof.

(c) **General Termination Events**. The Agreement may be terminated by either Party, by the delivery to the other Party of a written notice in accordance with Section 19 hereof, upon the occurrence and continuation of any of the following events:

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any ruling, judgment or order enjoining the consummation of or rendering illegal the Debtor Plan, and either (A) such ruling, judgment or order has been issued at the request of or with the acquiescence of the Company, or (B) in all other circumstances, such ruling, judgment or order has not been stayed, reversed or vacated within 90 calendar days after such issuance; or

(ii) the Bankruptcy Court enters an order (A) converting any of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code or (B) dismissing any of the Chapter 11 Cases.

(d) **Supporting Public Entity Termination Event**. This Agreement may be terminated by the Supporting Public Entity by the delivery to the Company of a written notice in accordance with Section 19 hereof by the Supporting Public Entity, if:

(i) the Federal Emergency Management Agency (FEMA) or the California Office of Emergency Services (COES) fail to agree in writing that no reimbursement is required from the Supporting Public Entity on account of any assistance rendered by

either agency in connection with the Fires from the Settlement Payment to be paid by the Debtors to the Supporting Public Entity under the Debtor Plan as provided in Section 2(b)(i) hereof, and that the Supporting Public Entity is released from any obligation to pursue any of the claims held by FEMA or COES against the Company; or

(ii) the Debtors file with the Bankruptcy Court a Debtor Plan that provides for any Settlement Payment to the Supporting Public Entity in a total amount less than \$3 million, the Bankruptcy Court modifies any filed Debtor Plan so as to provide for any settlement payment to the Supporting Public Entity in a total amount less than \$3 million or such Debtor Plan is otherwise materially inconsistent with the Plan Treatment; or

(iii) the Company breaches or otherwise fails to perform, in any material respect, any of the representations, warranties, agreements, or covenants of the Company set forth in this Agreement, which breach or failure remains uncured upon the earlier of: (A) five days prior to the Effective Date of the Debtor Plan, or (B) the expiration of 15 days after the receipt by the Company from the Supporting Public Entity of written notice of such breach or failure to perform; or

(iv) with respect to the Supporting Public Entity, prior to the expiration of the time period for notices of claims to be timely filed against that Supporting Public Entity, a material amount of Third Party Claims (materiality being determined with respect to the circumstances of the Supporting Public Entity) have been noticed against the Supporting Public Entity and (a) the Debtors file with the Bankruptcy Court a Debtor Plan that does not provide for a release of all Third Party Claims against the Supporting Public Entity or (b) the Bankruptcy Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity. Under the circumstances described in subpart (b) of the preceding sentence in which the Court rules that it will not approve a release of all Third Party Claims against the Supporting Public Entity and the Supporting Public Entity exercises its right to terminate this Agreement under this Section 5(d)(iv), the Supporting Public Entity shall have the right to revoke its vote in favor of the Debtor Plan and file an opposition to the plan should it so choose. For purposes hereof, Third Party Claims shall mean any and all past, present or future claims against the Supporting Public Entity in any way relating to the Fires held by entities or individuals other than the Debtors or the Plan Support Public Entities, including but not limited to claims by individual plaintiffs or subrogated insurance carriers against the Supporting Public Entity for personal injuries, property damage, reimbursement of insurance payments and/or wrongful death relating in any way to the Fires.

(e) This Agreement may be terminated by the Company, by the delivery to the Supporting Public Entity of a written notice in accordance with Section 19 hereof by the Company upon a Company Termination Event.

A “Company Termination Event” shall mean any of the following:

(i) the failure to obtain the consent, or the waiver of lack of consent as a defense, of the Company’s insurance carriers for the policy years 2017 and 2018;

(ii) the breach in any material respect by the Supporting Public Entity of any of the representations, warranties or covenants of the Supporting Public Entity set forth in this Agreement, which breach remains uncured for a period of 15 days after the receipt by the Supporting Public Entity from the Company of written notice of such breach;

(iii) the board of directors, managers, or similar governing body, as applicable, of any Company entity determines in good faith that continued performance under this Agreement would be inconsistent with the exercise of its fiduciary duties under applicable law; or

(iv) the termination of any Public Entity PSA between the Company and any Plan Support Public Entity for any reason and by any entity pursuant to the terms of that Public Entity PSA. For the avoidance of doubt, in the event that any individual Plan Support Public Entity terminates their Public Entity PSA just as to itself, the Company shall have the right pursuant to this provision to terminate all Public Entity PSAs.

(f) Effect of Termination. Upon the termination of this Agreement in accordance with this Section 5, and except as provided in Section 13 hereof, this Agreement shall forthwith become void and of no further force or effect and each Party shall, except as provided otherwise in this Agreement, be immediately released from its liabilities, obligations, commitments, undertakings and agreements under or related to this Agreement and shall have all the rights and remedies that it would have had and shall be entitled to take all actions, whether with respect to the Debtor Plan and contemplated restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement; provided, however, that in no event shall any such termination relieve a Party from liability for its breach or non-performance of its obligations hereunder prior to the date of such termination. Upon any such termination of this Agreement, the Supporting Public Entity may, upon written notice to the Company and the other Parties, revoke its vote or any consents given prior to such termination, whereupon any such vote or consent shall be deemed, for all purposes, to be null and void *ab initio* and shall not be considered or otherwise used in any manner by the Parties in connection with the Debtor Plan and contemplated restructuring and this Agreement. Notwithstanding anything to the contrary herein, the Supporting Public Entity shall not have a right to terminate this Agreement if a default or failure (including by action, inaction or misrepresentation) by the Supporting Public Entity of its obligations, undertakings, representations, warranties, or covenants hereunder is the cause, directly or indirectly, of the event giving rise to the right to terminate.

6. Good Faith Cooperation; Further Assurances.

Subject to the terms and conditions hereof, each of the Parties shall take such action as may be reasonably necessary or reasonably requested by the other Party to carry out the purposes and intent of this Agreement.

7. Representations and Warranties.

Each Party represents and warrants to the other Party that the following statements are true, correct and complete as of the date hereof:

(a) such Party has the corporate, governmental entity, or similar authority to enter into this Agreement and carry out the transactions contemplated hereby and perform its obligations contemplated hereunder, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court; and the execution and delivery of this Agreement and the performance of such Party's obligations hereunder have been duly authorized;

(b) the execution, delivery, and performance by such Party of this Agreement does not and will not (A) violate any provision of law, rule or regulation applicable to it or any of its subsidiaries or its charter or bylaws (or other similar organization, constitutive or other governing documents) or those of any of its subsidiaries, or (B) conflict with, result in a breach of or constitute (with due notice or lapse of time or both) a default under any material contractual obligation to which it or any of its subsidiaries is a party;

(c) the execution, delivery, and performance by such Party of this Agreement does not and will not require any registration or filing with, consent or approval of, or notice to, or other action, with or by, any federal, state, or governmental authority or regulatory body, except such filings as may be necessary and/or required by the SEC and, in the case of the Debtors, any requisite approval of the Bankruptcy Court; and

(d) this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms, subject, in the case of the Debtors, to any requisite approval of the Bankruptcy Court.

The Supporting Public Entity further represents and warrants to the Company that it (A)(i) is the owner of all the Supporting Public Entity's Claims, including the Wildfire Claims, and, prior to the date hereof, has made no assignment, sale, participation, grant, conveyance, pledge or other Transfer of any such Claims to any person that is not a party to this Agreement and has not entered into any other agreement to assign, sell participate, grant, convey, pledge, or otherwise transfer, in whole or in part, any portion of its right, title, or interests in any of the Claims that are inconsistent or conflict with the representations, warranties of the Supporting Public Entity herein or that would render it otherwise unable to comply with this Agreement and perform its obligations hereunder, either generally or with respect to any specific Claims, (ii) has the sole investment or voting discretion with respect to such Claims, (iii) has the full power and authority to vote on, and take action with respect to, and consent to matters concerning such Claims, or exchange or Transfer such Claims, (iv) has the full power and authority to bind or act on behalf of the beneficial owners of such Claims, if any and (v) does not own any other Claims and (B) other than pursuant to this Agreement, such Claims are free and clear of any pledge, lien, security

interest, charge, claim, equity, option, proxy, voting restriction, or other limitation on disposition or encumbrance of any kind that would prevent in any way the Supporting Public Entity's performance of its obligations hereunder as of the date hereof and at the time such obligations are required to be performed.

8. Mediation Communications Privilege and Confidentiality.

Any and all communications, information, and/or documents related and leading up to, including during any and all parts of a mediation and/or settlement negotiation process, including the preparation of this Agreement, are confidential, and will not be disclosed to any third-party without the prior written consent of the Parties, except (a) to enforce any term of this Agreement, (b) to the extent required to be disclosed in mandatory filings with the U.S. Securities and Exchange Commission, (c) to the extent required or necessary to receive legal, tax or accounting advice, (d) as otherwise required by law, (e) to the extent required to be disclosed in mandatory filings with the U.S. Internal Revenue Service; (f) to the extent such terms have already been publicly disclosed as permitted by this paragraph; and (g) as required to effectuate the covenants of the Parties herein in connection with the Chapter 11 Cases (including in any Definitive Document). Prior to any Party's initial public disclosure of confidential information or communications pursuant to this paragraph, that Party shall permit the other Party to review a draft of such initial public disclosure and shall in good faith consider any edits proposed by the other Party. The Parties also agree that they shall not take the position in any public communication that the amount of the Settlement Payment or the Plan Treatment are not a reasonable amount to fully liquidate, settle and resolve all the Plan Support Public Entities' Wildfire Claims in a confirmed plan.

9. Amendments and Waivers.

This Agreement, including any exhibits or schedules hereto, may not be waived, modified, amended or supplemented except in a writing signed by the Company and the Supporting Public Entity.

10. Effectiveness.

This Agreement shall become effective and binding on the Parties, to the fullest extent permissible under applicable law, on the Plan Support Effective Date, and not before such date.

11. Governing Law; Jurisdiction; Jury Trial and Section 1542 Waivers.

(a) This Agreement shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the law of the State of California and applicable federal law, without giving effect to the conflicts of law principles thereof.

(b) Each Party irrevocably agrees that any legal action, suit or proceeding arising out of or relating to this Agreement brought by any party or its successors or assigns shall be brought and determined in the Bankruptcy Court and each Party hereby irrevocably submits to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court does not have (or abstains from) jurisdiction, Courts of the State of California and of the United States District Court

of the Northern District of California, and any appellate court from any thereof, for itself and with respect to its property, generally and unconditionally, with regard to any such proceeding arising out of or relating to this Agreement. Each Party further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive any argument that such service is insufficient. Each Party hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any proceeding arising out of or relating to this Agreement, (i) any claim that it is not personally subject to the jurisdiction of the Bankruptcy Court as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of such court or from any legal process commenced in such court (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the proceeding in such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such court.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

(d) IN CONNECTION WITH THE PLAN RELEASE, THE PUBLIC ENTITY RELEASING PARTIES ACKNOWLEDGE THAT THEY HAVE BEEN ADVISED BY THEIR ATTORNEYS CONCERNING, AND ARE FAMILIAR WITH, CALIFORNIA CIVIL CODE §1542 AND, TO THE EXTENT SAID PROVISION APPLIES TO THIS AGREEMENT, THE SUPPORTING PUBLIC ENTITY RELEASING PARTIES EXPRESSLY WAIVE ANY AND ALL RIGHTS AND BENEFITS THEY MAY HAVE UNDER *CALIFORNIA CIVIL CODE §1542*, AS WELL AS UNDER ANY OTHER STATE OR FEDERAL STATUTE OR COMMON LAW PRINCIPLE OF SIMILAR EFFECT. *CALIFORNIA CIVIL CODE §1542* PROVIDES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

12. Specific Performance/Remedies.

It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by a Party and the non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys'

fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy (or the posting of any bond), including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder.

13. Survival.

Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Parties set forth in the following Sections: 5(f), 7, 8, 11, 12, 14, 15, 16, 17, 18, 19, 20, and 21 hereof (and any defined terms used in any such Sections) shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; provided, however, that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

14. Headings.

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

15. Successors and Assigns; Severability; Several Obligations.

This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; provided, however, that nothing contained in this Section 15 shall be deemed to permit Transfers of the Supporting Public Entity's Claims. If any provision of this Agreement, or the application of any such provision to any person or entity or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

16. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary hereof.

17. Prior Negotiations; Entire Agreement.

This Agreement constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company and the Supporting Public Entity shall continue in full force and effect.

18. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement may be delivered by facsimile or otherwise, which shall be deemed to be an original for the purposes of this paragraph.

PG&E and Local Public Entities Resolve 2015, 2017 and 2018 Wildfire Claims

SAN FRANCISCO, Calif.—Pacific Gas and Electric Company (PG&E) has reached agreements to resolve the wildfire claims held by 18 local public entities (cities, counties, districts and public agencies) impacted by the 2015 Butte Fire, 2017 Northern California wildfires and 2018 Camp Fire. Under the agreements, \$1 billion in payments will be made as part of a Chapter 11 Plan of Reorganization to be filed in PG&E's pending Chapter 11 case (POR).

"We remain focused on supporting our customers and the communities impacted by wildfires and helping them recover and rebuild. This is an important first step toward an orderly, fair and expeditious resolution of wildfire claims and a demonstration of our willingness to work collaboratively with stakeholders to achieve mutual acceptable resolutions. We hope to continue making progress with other stakeholders," said PG&E Corporation President and CEO Bill Johnson.

The payment of the settlement funds is subject to Bankruptcy Court confirmation of, and the occurrence of the effective date under, the POR, which will provide for the payment of the settlement funds to the local government agencies in full settlement and satisfaction of their wildfire claims. While the filing date of the POR with the Bankruptcy Court remains uncertain, PG&E intends to complete the Chapter 11 process as expeditiously as possible.

JAMS Mediator Judge Jay Gandhi (Ret.) presided over several days of in-person mediation sessions held in San Francisco that resulted in the settlement.

During the Chapter 11 process PG&E remains fully committed to enhancing its wildfire safety efforts, as well as helping to restore and rebuild communities impacted by the wildfires. The company is also committed to continuing to deliver safe and reliable natural gas and electric service to its customers every day.

The agreements with the public entities reflect a consensual resolution of their claims against PG&E for damages related to the wildfires. A list of the public entities is below.
