ABOUT THE MEETING

WHAT AM I VOTING ON?

You will be voting to elect seven directors.

WHO IS ENTITLED TO VOTE?

You may vote if you owned stock as of the close of business on August 15, 2001. Each share of common stock is entitled to one vote. As of August 15, 2001, we had 138,089,368 shares of common stock outstanding.

HOW DO I VOTE BEFORE THE MEETING?

You have two voting options:

1. By mail by completing, signing and returning the enclosed proxy card, or
2. By telephone through calling the number shown on your proxy card.

If you hold your shares in the name of a bank or broker, whether you can vote by telephone depends on their voting processes. Please follow the directions on your proxy card carefully.

CAN I VOTE AT THE MEETING?

You may vote your shares at the meeting if you attend in person. Even if you plan to attend the meeting, we encourage you to vote your shares by proxy. You may vote by proxy through the mail or by telephone.

CAN I CHANGE MY MIND AFTER I VOTE?

You may change your vote at any time before the polls close at the meeting. However, you may only do this by (1) signing another proxy with a later date and returning it to the address on the proxy card before the meeting, (2) voting again by telephone before 10:30 a.m. on October 30, 2001, or (3) voting in person at the meeting.

WHAT IF I RETURN MY PROXY CARD BUT DO NOT PROVIDE VOTING INSTRUCTIONS?

Proxies that are signed and returned but do not contain instructions will be voted by the person named in the enclosed proxy card "FOR" the election of the nominee directors.

HOW DO I VOTE IF I PARTICIPATE IN THE CLAYTON HOMES, INC. 401(K) RETIREMENT PLAN FOR CLAYTON HOMES, INC. TEAM MEMBERS?

Shares credited to your Clayton Homes, Inc. 401(k) Retirement Plan are on your proxy card. You may vote your shares by mail or by telephone as described on the enclosed proxy card. If you also own stock in your name or through a broker, you will receive another card for those shares.

HOW DO I VOTE IF I PARTICIPATE IN THE DIVIDEND REINVESTMENT PLAN?

The proxy card you have received includes your dividend reinvestment plan shares. You may vote your shares by mail, by telephone as described on the enclosed proxy card or at the meeting.

WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is American Stock Transfer and Trust Company and may be reached by phone at 1-800-937-5449.

HOW CAN I ATTEND THE MEETING?

The annual meeting is open to all holders of Clayton Homes, Inc. common stock. For directions to the meeting, please call our Investor Relations department at 865-380-3000. We look forward to having you at the meeting!

MAY STOCKHOLDERS ASK QUESTIONS AT THE MEETING?

Yes. Representatives of the Company will answer stockholders' questions of general interest at the end of the meeting.

ABOUT THE MEETING

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a proxy by mail or telephone. In order for us to conduct the meeting, a majority of our outstanding shares of common stock as of August 15, 2001, must be present in person or by proxy at the meeting. This is referred to as a quorum.

HOW MANY VOTES ARE NEEDED TO ELECT DIRECTORS?

The seven nominees receiving the highest number of "Yes" votes will be elected as directors. This number is called a plurality. Shares not voted, whether by marking "Abstain" on your proxy card, by broker non-vote (which is described above), or otherwise, will have no impact on the election of directors. Unless a properly executed proxy card is marked "Withhold Authority," the proxy given will be voted "FOR" the seven nominees for director.

ARE DISSENTERS' RIGHTS APPLICABLE TO ANY OF THE PROPOSALS?

No, dissenters' rights do not apply to any of the proposals.

WILL MY SHARES BE VOTED IF I DO NOT PROVIDE MY PROXY?

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms have the authority under the New York Stock Exchange rules to vote customers' unvoted shares, which are referred to as "broker non-votes," on certain "routine" matters, including the election of directors. Shares represented by broker non-votes are counted for purposes of establishing a quorum. At the meeting, shares represented by broker non-votes will be counted by the brokerage firm in the election of directors, but will not be counted on any other matters that are voted on because these other matters are not considered "routine" under the applicable rules. If you hold your shares directly in your own name, they will not be voted if you do not provide a proxy or attend the meeting and vote the shares yourself.

CAN MY SHARES BE VOTED ON MATTERS OTHER THAN THOSE DESCRIBED IN THIS PROXY?

Yes. The Company has not received proper notice of, and is not aware of, any business to be transacted at the meeting other than as indicated in this proxy statement. If any other item or proposal properly comes before the meeting, the proxies received will be voted in accordance with the discretion of the proxy holders.

COMPENSATION COMMITTEE REPORT

WHAT IS THE PHILOSOPHY OF EXECUTIVE COMPENSATION?

To structure and administer executive compensation in a way that individual compensation is largely dependent on the Company's performance. The compensation plan for executives incorporates three elements:

- Annual Base Salary
- Performance based annual bonus
- Long-term stock incentive compensation The variable components of the compensation programs are designed to attract and motivate results-oriented people to achieve higher levels of performance while focusing on the goals of the Company and its shareholders.

HOW ARE THE BASE SALARY AMOUNTS DECIDED?

Company executives, including the Chief Executive Officer, receive base salaries, which are intended to support minimal managerial lifestyles.

HOW ARE STOCK OPTIONS GRANTED?

Stock options are granted to executive officers and other employees at the fair market value of the Common Stock on the date of grant and become vested over a specified period of employment. The number of shares granted is based upon the Company's performance based on the overall industry and economic environment, the achievement of Earnings Per Share (EPS) growth targets and individual performance in the previous year.

HOW ARE THE BONUS AMOUNTS DECIDED?

The key components in determining bonus amounts include the financial performance of the Company based on the overall industry and economic environment, and the percentage increase in EPS over the prior year. Adjustments to the bonus program to reflect individual performance are made annually. The fact that a significant portion of the compensation paid to the Company's executive officers is based upon increases in EPS helps ensure that the Chief Executive Officer and other members of management are sensitized to the needs and desires of stockholders. The members are Dr. Warren Neel, Wilma Jordan and Tom McAdams.

AUDIT COMMITTEE REPORT AND AUDIT FEES

WHO SERVES ON THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS?

The members of the committee were Dr. Warren Neel, Dan W. Evins, and John J. Kalec. Dr. Warren Neel and Dan W. Evins are independent under the rules of the New York Stock Exchange. John J. Kalec who served as the Company's CFO from August 1996 until August 1998, received a waiver from the Board to serve on the committee due to his financial expertise and the best interests of the Company. Wilma H. Jordan replaced John J. Kalec on July 24, 2001.

WHAT DOCUMENT GOVERNS THE ACTIVITY OF THE AUDIT COMMITTEE?

The Audit Committee acts under a written charter, which sets forth its responsibilities and duties, as well as requirements for the committees' composition and meetings. A copy of the Audit Committee Charter is attached as Appendix I.

WHAT ACTION HAS THE AUDIT COMMITTEE TAKEN?

The Audit Committee has:

- Reviewed and discussed the audited financial statements with the Company's management.

This report has been furnished by the members of the Audit Committee:

- Dr. Warren Neel
- Dan W. Evins

AUDIT FEES

Fees for the fiscal year 2001 audit, including reviews of financial statements included in Forms 10-Q, totaled approximately \$182,000. Review with members of the public accounting firm selected as outside auditors for the Company, the scope of the prospective audit, the estimated fees, and such other matters pertaining to such audit as the Committee may deem appropriate. Review with management the extent of non-audit services to be provided by the outside auditors, in relation to the objectivity needed in the audit. Review with the outside auditors any questions, comments or suggestions they may have relating to the internal controls, accounting practices or procedures of the Company or its subsidiaries. Receive from the outside auditors the report required by Independence Standards Board Standard No. 1 as in effect at that time. Discuss with the outside auditors any potential impact to their objectivity and independence, and make any necessary recommendations to the board of directors.
2. Review annually the public accounting firm to be outside auditors for the Company, set their compensation, and recommend their approval by the Board of Directors. If circumstances warrant, approve any discharge of the outside auditors.
3. Review with management and the outside auditors the annual and quarterly financial statements of the Company prior to the filing of a report on Form 10-K or 10-Q with the Securities and Exchange Commission. The review is to encompass significant transactions not a normal part of the Company's operations, material changes in accounting principles or practices, and significant adjustments proposed by the outside auditors. The Audit Committee, or the chair of the Audit Committee as representative of the entire Audit Committee, shall communicate with the outside auditors quarterly, prior to the release of quarterly earnings to the public and filing of Form 10-Q, if practical, regarding the results of their interim financial review.
4. Review the audit process with management and the outside auditors, upon completion of their annual audit. Such review will include an evaluation of the cooperation received by the outside auditors; any disagreements with management which, if not satisfactorily resolved, would have caused them to modify their report on the financial statements; and management's comments regarding the audit. Review the outside auditor's required communication of any material weaknesses in internal controls, and assess the adequacy of management's corrective actions.
5. Review at least annually the programs of the Company's internal audit department, receive summaries of all audit reports issued by internal audit, and review the significant matters contained in such reports.
6. Review the effects of any important new pronouncements of the accounting profession and other regulatory bodies on the Company's accounting and reporting policies.
7. Review and assess the adequacy of the Audit Committee charter annually, submit it to the Board of Directors for approval, and have the document published in accordance with Securities and Exchange Commission regulations.
