INFORMATION CONTAINED IN THIS REPORT ON FORM 6-K

Nasdaq Letter

On March 12, 2025, Primega Group Holdings Limited (the “Company”) received a letter from the Listing Qualifications staff of The Nasdaq Stock Market (“Nasdaq”) notifying the Company that based on the closing bid price of the Company for the period from January 28, 2025 to March 11, 2025, the Company no longer meets the continued listing requirement of Nasdaq under Nasdaq Listing Rules 5550(a)(2), to maintain a minimum bid price of \$1 per share.

The notification has no immediate effect on the listing of the Company’s ordinary shares. Nasdaq has provided the Company with a 180 calendar days compliance period, or until September 8, 2025, in which to regain compliance with Nasdaq continued listing requirement. In the event that the Company does not regain compliance in the compliance period, the Company may be eligible for an additional 180 calendar days, should the Company meet the continued listing requirement for market value of publicly held shares and all other initial listing standards for The Nasdaq Capital Market, with the exception of the bid price requirement, and is able to provide written notice of its intention to cure the deficiency during the second compliance period, by effecting a reverse stock split, if necessary. However, if it appears that the Company will not be able to cure the deficiency, or if the Company is otherwise not eligible, Nasdaq will provide notice that the Company’s securities will be subject to delisting.

The Company is currently evaluating options to regain compliance and intends to timely regain compliance with Nasdaq’s continued listing requirement. Although the Company will use all reasonable efforts to achieve compliance with Rule 5550(a)(2), there can be no assurance that the Company will be able to regain compliance with that rule or will otherwise be in compliance with other Nasdaq continued listing requirement.

This Form 6-K is filed to satisfy the obligation under Nasdaq Listing Rule 5810(b) that the Company publicly disclose the deficiency within four (4) business days after the date of the deficiency letter.

Attached as Exhibit 99.1 to this Report on Form 6-K is a copy of the press release of the Company, dated March 14, 2025.
