The master servicer or the special servicer, to the extent required, performed the servicing function identified with respect to Item 1122(d)(2)(iii) of Regulation AB, and each such party included Item 1122(d)(2)(iii) of Regulation AB in the assessment of compliance with applicable servicing criteria and accountant's attestation report for the subject transaction. As a result, this Annual Report on Form 10-K does not include an assessment of compliance with applicable servicing criteria of the trustee. One or more other servicers of the mortgage loans serviced under the Pooling and Servicing Agreement, the Orlando Airport Marriott Lakeside Mortgage Loan and the Riverfront Plaza Mortgage Loan have delivered one or more assessments of compliance with respect to Item 1122(d)(2)(iii) of Regulation AB.

Wilmington Trust, National Association acts as trustee of the mortgage loans serviced under the Pooling and Servicing Agreement, the 20 Times Square Mortgage Loan and the Aventura Mall Mortgage Loan. However, during the reporting period, the trustee did not perform any servicing function with respect to the servicing criteria specified in Item 1122(d)(2)(iii) of Regulation AB. The master servicer or the special servicer, to the extent required, performed the servicing function identified with respect to Item 1122(d)(2)(iii) of Regulation AB, and each such party included Item 1122(d)(2)(iii) of Regulation AB in the assessment of compliance with applicable servicing criteria and accountant's attestation report for the subject transaction. As a result, this Annual Report on Form 10-K does not include an assessment of compliance with applicable servicing criteria of the trustee. One or more other servicers of the mortgage loans serviced under the Pooling and Servicing Agreement, the 20 Times Square Mortgage Loan and the Aventura Mall Mortgage Loan have delivered one or more assessments of compliance with respect to Item 1122(d)(2)(iii) of Regulation AB.

This Annual Report on Form 10-K includes assessments of compliance with applicable servicing criteria and accountants' attestation reports from CoreLogic Solutions, LLC. This entity was engaged by each master servicer under the Pooling and Servicing Agreement and each primary servicer of the 20 Times Square Mortgage Loan and the Aventura Mall Mortgage Loan to remit tax payments received from the escrow accounts of borrowers to local taxing authorities, to report tax amounts due, to verify tax parcel information, and to verify non-escrow tax payments. These servicing functions are included within the servicing criteria set forth in Item 1122(d)(4)(xi) of Regulation AB. Therefore, under the principles-based definition of "servicer" set forth in Item 1101(j) of Regulation AB that looks to the functions that an entity performs, this vendor is a "servicer" for the purposes of Item 1122 of Regulation AB. See Compliance and Disclosure Interpretations, Section 301.01 (Item 1101(j)).

The assessments of compliance with applicable servicing criteria, accountants' attestation reports and servicer compliance statements of the certificate administrator of the Hilton Clearwater Beach Resort & Spa Mortgage Loan, the 20 Times Square Mortgage Loan, the Aventura Mall Mortgage Loan, the Orlando Airport Marriott Lakeside Mortgage Loan and the Riverfront Plaza Mortgage Loan are omitted from this Annual Report on Form 10-K as the certificate administrator pursuant to the related pooling and servicing agreement or trust and servicing agreement does not perform any activities that address servicing criteria with respect to the issuing entity and because they are each not a "servicer" that meets the criteria in Item 1108(a)(2)(i) through (iii) of Regulation AB.

With respect to the *pass* loan combinations that include the Aventura Mall Mortgage Loan, the Riverfront Plaza Mortgage Loan and the Orlando Airport Marriott Lakeside Mortgage Loan, (i) the report on assessment of compliance with servicing criteria and attestation report on assessment of compliance with servicing criteria of Peninsula Surveillance LLC as operating advisor of the Orlando Airport Marriott Lakeside Mortgage Loan, listed on the Exhibit Index are omitted from this Annual Report on Form 10-K as they are not required to be included on this Annual Report on Form 10-K per Instruction 3 to Item 1122 of Regulation AB because it is a party performing activities that address servicing criteria related to 5% or less of the assets of the issuing entity; and (ii) the servicer compliance statements of CWCapital Asset Management LLC as special servicer of the Aventura Mall Mortgage Loan and K-Star Asset Management LLC as special servicer of the Riverfront Plaza Mortgage Loan, listed on the Exhibit Index are omitted from this Annual Report on Form 10-K as they are not required by Item 1123 of Regulation AB to be included on this Annual Report on Form 10-K because they are each an unaffiliated party that is not a "servicer" that meets the criteria in Item 1108(a)(2)(i) through (iii) of Regulation AB.

Item 1117 of Regulation AB, Legal Proceedings.

The registrant knows of no material pending legal proceeding involving the trust or any party related to the trust, other than routine litigation incidental to the duties of those respective parties, and the following, with respect to CWCapital Asset Management LLC, as special servicer.

From time to time, CWCapital Asset Management LLC, a Delaware limited liability company ("CWCAM"), is a party to lawsuits and other legal proceedings as part of its duties as a special servicer (e.g., enforcement of loan obligations) and/or arising in the ordinary course of business. Other than as set forth in the following paragraphs, there are currently no legal proceedings pending, and no legal proceedings known to be contemplated by governmental authorities, against CWCAM or of which any of its property is the subject, that are material to the certificateholders.

On December 1, 2017, a complaint against CWCAM and others was filed in the United States District Court for the Southern District of New York styled as CWCapital Cobalt V.Ltd. v. CWCapital Investments LLC, et al., No. 17-cv-9463 (the "Original Complaint"). The gravamen of the Original Complaint alleged breaches of a contract and fiduciary duties by CWCAM's affiliate, CWCapital Investments LLC in its capacity as collateral manager for the collateralized debt obligation transaction involving CWCapital Cobalt V.Ltd. In total, there are 14 counts pled in the Original Complaint. Of those 14, 5 claims were asserted against CWCAM for aiding and abetting breach of fiduciary duty, conversion and unjust enrichment. On May 23, 2018, the Original Complaint was dismissed for lack of subject matter jurisdiction. On June 28, 2018, CWCapital Cobalt V.Ltd. filed a substantially similar complaint in the Supreme Court of the State of New York, County of New York styled as CWCapital Cobalt V.Ltd. v. CWCapital Investments LLC, et al., Index No. 65377/2018 (the "New Complaint"). The gravamen of the New Complaint is the same as the previous complaint filed in the United States District Court for the Southern District of New York. In total there are 16 counts pled in the New Complaint. Of those 16 counts, 5 claims were asserted against CWCAM for aiding and abetting breach of fiduciary duty, conversion and unjust enrichment, 1 count seeks a declaratory judgment that the plaintiff has the right to enforce the contracts in question and 1 count seeks an injunction requiring the defendants to recognize the plaintiff as the directing broker for the trusts in question. On January 11, 2019, the plaintiff dismissed with prejudice the declaratory judgment and injunction counts. The New Complaint and related summons was not served on the defendants until July 13, 2018 and July 16, 2018. The plaintiff's motion for a preliminary injunction was denied by the court on July 31, 2018. On August 3, 2018, the defendants, including CWCAM, filed a motion to dismiss the New Complaint in its entirety. On August 20, 2019, the court entered an order granting defendants' motion almost in its entirety, dismissing 11 of the 16 counts and partially dismissing 2 additional counts. Of the remaining counts, 2 are asserted against CWCAM for aiding and abetting breach of fiduciary duty and unjust enrichment. On September 19, 2019, CWCapital Cobalt V.Ltd. filed a notice of appeal relating to the August 20, 2019 dismissal order and on September 26, 2019, filed an amended complaint against CWCI and CWCAM attempting to address deficiencies relating to certain of the claims dismissed by the August 20, 2019 order. CWCI and CWCAM filed its Motion to Dismiss the amended complaint on October 28, 2019. The court heard argument on the Motion to Dismiss the amended complaint on January 22, 2020 and on October 23, 2020, the court granted the motion dismissing the amended claims. On November 30, 2020, CWCapital Cobalt V.Ltd. filed a notice of appeal relating to the October 23, 2020 dismissal order. On April 27, 2021, the First Department affirmed the dismissal as to claims against CWCAM that were part of the August 20, 2019 dismissal, but reversed the dismissal of two counts for breach of the Collateral Management Agreement against CWCI. CWCI sought leave to file an appeal of the decision. The plaintiff also sought leave to appeal the dismissal of the claims against CWCAM. Both requests for leave were denied by the First Department. On May 15, 2020, CWCI and CWCAM filed a motion to renew its motion to dismiss as to 4 of the remaining counts (including the remaining two counts against CWCAM for aiding and abetting breach of fiduciary duty and unjust enrichment), based on a decision entered by Judge Fallon in a trust instruction proceeding in the US District Court for the Southern District of New York awarding summary judgment in favor of CWCAM. On September 7, 2021, the court denied the motion to renew. CWCI and CWCAM filed a notice of appeal, which they perfected by the filing of their opening brief on July 1, 2022. On November 15, 2022, the First Department affirmed the court's denial of the motion to renew. On October 1, 2021, CWCI and CWCAM moved to reargue the denial of the motion to renew (or alternatively, the motion to dismiss) with respect to certain of Cobalt's claims, including the remaining 2 claims against CWCAM, based on the First Department's April 27, 2021 decision. On March 24, 2022, the court denied the relief sought in the motion to reargue. CWCI and CWCAM appealed the court's decision on the motion to reargue and filed their opening brief on July 11, 2022. Discovery (both fact and expert) concluded on March 1, 2024. CWCAM and CWCI filed a motion for summary judgment on March 29, 2024, seeking dismissal of all the claims in their entirety. On that same date, the plaintiff cross moved for summary judgment on one of the claims asserted against only CWCI. Oral argument on the parties' summary judgment motions were heard on October 22, 2024. On January 13, 2026, the court denied plaintiff's motion for summary judgment and granted, in part, and denied, in part, the motion filed by CWCI and CWCAM. Specifically, the court dismissed the remaining two counts against CWCAM for aiding and abetting breach of fiduciary duty and unjust enrichment. With respect to CWCI, the court dismissed two counts against CWCI in their entirety and dismissed portions of one count against CWCI. The only three counts that survived and remain in the case are against CWCI. The court severed the dismissed claims from the surviving claims. On January 22, 2026, CWCI and CWCAM submitted an order to the court, requesting that it direct the clerk's office to enter judgment on the dismissed claims and that CWCAM be dismissed as a defendant from the action. CWCAM believes that it has performed its obligations under the related pooling and servicing agreements in good faith.

On January 13, 2025, in the Supreme Court of the State of New York, ROC Debt Strategies II Bond Investments LLC ("Bridge Investment Group or "BIDGE"), as Directing Certificateholder ("DCH") filed suit against CWCapital Asset Management LLC ("CWCAM"), alleging breach of the subject Pooling and Servicing Agreement ("PSA") and violation of the Servicing Standard while acting as special servicer for the PREMF 2016-KS06 pool. It is alleged that CWCAM was negligent in the servicing of a portfolio of 9 loans (the "Ranger Portfolio") that were in special servicing starting in 2022. The suit demands unspecified compensatory damages and a CWCAM Judgment that CWCAM is not entitled to indemnification or payment for expenses from the Trust under the PSA. CWCAM disagrees vehemently with these allegations and a Motion to Dismiss was filed by CWCAM on March 14, 2025. The motion has been fully briefed and a hearing was held on August 25, 2025 while that motion was pending, the parties reached a business resolution and by stipulation the lawsuit was dismissed with prejudice on January 22, 2026.

Management's Assessment of Compliance with Applicable Servicing Criteria

Management of Wells Fargo Commercial Mortgage Servicing, a division of Wells Fargo Bank, National Association, (the "Company") is responsible for assessing compliance with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB of the Securities and Exchange Commission ("SEC") relating to the servicing of asset-backed securities and other structures backed by commercial and multifamily loans as listed in Appendix A to this letter (the "Platform"), except for the servicing criteria noted as INAPPLICABLE Servicing Criteria in Appendix B, which the Company has determined are not applicable to the activities it performs with respect to the Platform, as of and for the period from January 1, 2025 through February 28, 2025 (the "Period").

With respect to applicable servicing criterion 1122(d)(4)(vi), the Company performs applicable activities covered by this servicing criterion, with respect to the Platform, except the Company has engaged a vendor to perform certain tax payment activities. Such vendor has provided a separate Regulation AB Item 1122 management assessment and attestation for such activities.

With respect to applicable servicing criteria 1122(d)(4)(i) and 1122(d)(4)(v) the Company has engaged various vendors (the "Vendors") to perform the activities or portions of the activities required by these servicing criteria. The Company's management has determined that none of these vendors is considered a "servicer" as defined in Item 1101(j) of Regulation AB, and the Company's management has elected to take responsibility for assessing compliance with the servicing criteria applicable to each vendor as permitted by the SEC's *Compliance and Disclosure Interpretation ("C&DI") 200.06, Vendors Engaged by Servicers ("C&DI 200.06")*. The Company's management has policies and procedures in place designed to provide reasonable assurance that the vendors' activities comply in all material respects with the servicing criteria applicable to each vendor. The Company's management is solely responsible for determining that it meets the SEC requirements to apply C&DI 200.06 for the vendors and related applicable servicing criteria.

The Company's management has assessed the Company's compliance with the applicable servicing criteria as of and for the Period. In making this assessment, the Company's management used the servicing criteria set forth by the SEC in paragraph (d) of Item 1122 of Regulation AB. Based on such assessment, the Company's management believes that, as of and for the Period, the Company has complied in all material respects with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB relating to the servicing of the Platform.

The Company has not identified and is not aware of any material instance of noncompliance by the Vendors with the applicable servicing criteria as of and for the Period with respect to the Platform taken as a whole.

The Company has not identified any material deficiency in its policies and procedures to monitor the compliance by the Vendors with the applicable servicing criteria as of and for the Period with respect to the Platform taken as a whole.

KPMG LLP, an independent registered public accounting firm, has issued an attestation report with respect to management's assessment of compliance with the applicable servicing criteria as of and for Period.

Management's Assessment of Compliance with Applicable Servicing Criteria

Management of Trimont LLC, (the "Company") is responsible for assessing compliance with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB of the Securities and Exchange Commission ("SEC") relating to the servicing of asset-backed securities and other structures backed by commercial and multifamily loans as listed in Appendix A to this letter (the "Platform"), except for the servicing criteria noted as INAPPLICABLE Servicing Criteria in Appendix B, which the Company has determined are not applicable to the activities it performs with respect to the Platform, as of and for the period from March 1, 2025 through December 31, 2025 (the "Period").

With respect to applicable servicing criterion 1122(d)(4)(iii), the Company performs applicable activities covered by this servicing criterion, with respect to the Platform, except the Company has engaged a vendor to perform certain tax payment activities. Such vendor has provided a separate Regulation AB Item 1122 management assessment and attestation for such activities.

With respect to applicable servicing criteria 1122(d)(4)(i) and 1122(d)(4)(v) the Company has engaged various vendors (the "Vendors") to perform the activities or portions of the activities required by these servicing criteria. The Company's management has determined that none of these vendors is considered a "servicer" as defined in Item 1101(j) of Regulation AB, and the Company's management has elected to take responsibility for assessing compliance with the servicing criteria applicable to each vendor as permitted by the SEC's *Compliance and Disclosure Interpretation ("C&DI") 200.06, Vendors Engaged by Servicers ("C&DI 200.06")*. The Company's management has policies and procedures in place designed to provide reasonable assurance that the vendors' activities comply in all material respects with the servicing criteria applicable to each vendor. The Company's management is solely responsible for determining that it meets the SEC requirements to apply C&DI 200.06 for the vendors and related applicable servicing criteria.

The Company's management has assessed the Company's compliance with the applicable servicing criteria as of and for the Period. In making this assessment, the Company's management used the servicing criteria set forth by the SEC in paragraph (d) of Item 1122 of Regulation AB. Based on such assessment, the Company's management believes that, as of and for the Period, the Company has complied in all material respects with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB relating to the servicing of the Platform.

The Company has not identified and is not aware of any material instance of noncompliance by the Vendors with the applicable servicing criteria as of for the Period with respect to the Platform taken as a whole.

The Company has not identified any material deficiency in its policies and procedures to monitor the compliance by the Vendors with the applicable servicing criteria as of and for the Period with respect to the Platform taken as a whole.

KPMG LLP, an independent registered public accounting firm, has issued an attestation report with respect to management's assessment of compliance with the applicable servicing criteria as of and for Period.

See [Appendix B](#) for more information regarding such transition as it relates to the CMBS Platform (defined below).

Period: As of and for the twelve months ended December 31, 2025 (the "Period").

Platform: The platform consists of commercial mortgage-backed securities ("CMBS") transactions backed by pools of commercial mortgage loans and/or backed by CMBS for which the Company was appointed to perform trustee, securities administration, paying agent services, and/or related services, and for which either (a) some or all of the issued securities for such CMBS transactions were publicly offered pursuant to a registration statement delivered under the Securities Act of 1933, as amended, or (b) the issued securities for such CMBS transactions were privately offered pursuant to an exemption from registration and the Company has an obligation under the transaction agreements to deliver an assessment of compliance with the applicable servicing criteria under Item 1122(d) of Regulation AB; provided however that, (i) the platform excludes any transactions for which the offered securities were issued, sponsored and/or guaranteed by any agency or instrumentality of the U.S. government or any government-sponsored entity, and (ii) the platform excludes any transactions for which the offered securities were issued pursuant to a transaction that closed prior to January 1, 2006 and for which the Company outsources all material servicing activities (as defined by Regulation AB) to a party other than Computershare Trust Company or any affiliate thereof (the "CMBS Platform"). As a result of Wells Fargo's sale of the CTS division to Computershare, Wells Fargo has not accepted any appointments to perform trustee, securities administration, paying agent services, and/or related services on new CMBS transactions after November 1, 2021, other than a few exceptions to facilitate the transition of the CTS business to Computershare. [Appendix A](#) identifies the individual transactions defined by Management as constituting the CMBS Platform for the Period.

Applicable Servicing Criteria for the Period: Management has determined that the following servicing criteria set forth in Item 1122(d) are relevant to the servicing activities performed by the Company with respect to the CMBS Platform transactions for the Period: 1122(d)(1)(ii), 1122(d)(1)(iv), and 1122(d)(2)(iii) (the "Applicable Servicing Criteria"). Management has determined that all other servicing criteria set forth in Item 1122(d) are not applicable to the Company's servicing activities with respect to the CMBS Platform for the Period.

With respect to the CMBS Platform and the Period, Management provides the following assessment of the Company's compliance with respect to the Applicable Servicing Criteria:

- Management is responsible for assessing the Company's compliance with the Applicable Servicing Criteria.
- Management has assessed the Company's compliance with the Applicable Servicing Criteria. In performing this assessment, Management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.
- With respect to Applicable Servicing Criterion 1122(d)(2)(iii), Management has determined that there were no activities performed during the Period with respect to the CMBS Platform, because there were no occurrences of events that would require the Company to perform such activities.
- Based on such assessment for the Period, the Company has complied in all material respects with the Applicable Servicing Criteria for the Period.

KPMG LLP, an independent registered public accounting firm, has issued an attestation report with respect to Management's assessment of the Company's compliance with the Applicable Servicing Criteria for the Period.

Appendix B to the Company's Assessment of Compliance with the Applicable Servicing Criteria

Wells Fargo's transfer of its roles on the CMBS Platform transactions to Computershare is ongoing. As of the beginning of the Period, Wells Fargo had not transferred to Computershare the roles associated with its trustee, securities administration, paying agent services, and/or related services, and the duties, rights, and liabilities for such roles, under the relevant agreements for any of the CMBS Platform transactions. During all or a portion of the Period, for all the CMBS Platform transactions, Wells Fargo engaged Computershare as a subservicer¹ to perform virtually all of Wells Fargo's obligations pertaining to such roles under the transaction agreements. As a result, the Company has determined that Computershare is a party participating in the servicing function with respect to the CMBS Platform and the applicable servicing criteria relevant to the servicing activities performed by Computershare for the CMBS Platform (the "Computershare Applicable Servicing Criteria"). Accordingly, Computershare is taking, and Wells Fargo is not taking, responsibility for assessing Computershare's compliance with the Computershare Applicable Servicing Criteria for the CMBS Platform, as of and for the twelve months ended December 31, 2025.

¹ In this Assessment, the term "subservicer" means agent.

ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA
Document Custody Platform

The management ("Management") of the Corporate Trust Services division of Wells Fargo Bank, National Association (the "Company" or "Wells Fargo") is responsible for assessing the Company's compliance with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB of the Securities and Exchange Commission. Management has determined that the servicing criteria are applicable in regard to the servicing platform for the period as follows:

Sale of Corporate Trust Services Business. On November 1, 2021, Wells Fargo and certain of its affiliates sold substantially all of its Corporate Trust Services ("CTS") division to Computershare Trust Company, N.A. ("Computershare Trust Company"), Computershare Delaware Trust Company ("CDTC"), and Computershare Limited ("Computershare Limited") and collectively Computershare Trust Company and CDTC, "Computershare"). Virtually all CTS employees of Wells Fargo, along with most existing CTS systems, technology, and offices transferred to Computershare as part of the sale. See Appendix B for more information regarding such transition as it relates to the Document Custody Platform (defined below).

Period: As of and for the twelve months ended December 31, 2025 (the "Period").

Platform: The platform consists of residential mortgage-backed securities ("RMBS") transactions and commercial mortgage-backed securities ("CMBS") transactions, in each case for which the Company was appointed to provide document custody services, and for which either (a) some or all of the issued securities for such RMBS or CMBS transactions were publicly offered on or after January 1, 2006 pursuant to a registration statement delivered under the Securities Act of 1933, as amended, or (b) the issued securities for such RMBS or CMBS transactions were privately offered on or after January 1, 2006 pursuant to an exemption from registration and the Company has an obligation under the transaction agreements to deliver an assessment of compliance with the applicable servicing criteria under Item 1122(d) of Regulation AB; provided however that, the platform excludes any transactions for which the offered securities were issued, sponsored and/or guaranteed by any agency or instrumentality of the U.S. government or any government-sponsored entity, other than certain RMBS transactions for which the offered securities were issued, sponsored and/or guaranteed by the Federal Deposit Insurance Corporation (the "Document Custody Platform"). As a result of Wells Fargo's sale of the CTS division to Computershare, Wells Fargo has not accepted any new appointments to provide document custody services after November 1, 2021, other than a few exceptions to facilitate the transition of the CTS business to Computershare. Appendix A identifies the individual transactions defined by Management as constituting the Document Custody Platform for the Period.

Applicable Servicing Criteria for the Period: Management has determined that the following servicing criteria set forth in Item 1122(d) are relevant to the servicing activities performed by the Company with respect to the Document Custody Platform transactions for the Period: Item 1122(d)(1)(ii) and 1122(d)(1)(iv) (the "Applicable Servicing Criteria"). Management has determined that all other servicing criteria set forth in Item 1122(d) are not applicable to the Company's servicing activities with respect to the Document Custody Platform for the Period.

With respect to the Document Custody Platform and the Period, Management provides the following assessment of the Company's compliance with respect to the Applicable Servicing Criteria:

- Management is responsible for assessing the Company's compliance with the Applicable Servicing Criteria.
- Management has assessed the Company's compliance with the Applicable Servicing Criteria. In performing this assessment, Management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.
- Based on such assessment for the Period, the Company has complied in all material respects with the Applicable Servicing Criteria for the Period.

KPMG LLP, an independent registered public accounting firm, has issued an attestation report with respect to Management's assessment of the Company's compliance with the Applicable Servicing Criteria for the Period.

Management's Assertion

Report on Assessment of Compliance with Applicable Servicing Criteria

Park Bridge Lender Services LLC (the "Asserting Party" or "PBLS") is responsible for assessing its compliance, as of and for the calendar year ended December 31, 2025 (the "Reporting Period"), with the servicing criteria set forth in Title 17, Section 229.1122(d) of the Code of Federal Regulations.

The transactions covered by this assertion are those transactions processed by the Asserting Party in its capacity as operating advisor or trust advisor for the asset-backed securities transactions listed in Exhibit A attached hereto (the "Platform").¹

The Asserting Party is responsible for assessing its compliance with the servicing criteria applicable to it. The Asserting Party used the criteria in paragraph (d) of Item 1122 of Regulation AB (17 C.F.R. 229.1122) to assess its compliance. The full outline of the Asserting Party's contractually applicable servicing criteria under various securitization pooling and servicing agreements can be found in Exhibit B attached hereto. The servicing criteria listed in the column titled "Inapplicable Servicing Criteria" on Exhibit B hereto are not applicable to the Asserting Party based on the activities it performs with respect to the Platform.

Based on its assessment, the Asserting Party believes that, as of and for the periods the contractual obligations existed for the Platform in the Reporting Period listed in Exhibit A, the Asserting Party has complied in all material respects with the servicing criteria listed in the column titled "Applicable Servicing Criteria" on Exhibit B hereto (the "Applicable Servicing Criteria").

Forvis Mazars, LLP, an independent registered public accounting firm, has issued an attestation report on the assessment of compliance with the Applicable Servicing Criteria for the Reporting Period as set forth in this assertion.

ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA
Computershare Corporate Trust- CMBS Platform

The management ("Management") of the Computershare Corporate Trust division of Computershare Trust Company, National Association (the "Company") is responsible for assessing the Company's compliance with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB of the Securities and Exchange Commission. Management has determined that the servicing criteria are applicable to the servicing platform for the period as follows:

Purchase of corporate trust business. On November 1, 2021, Wells Fargo Bank, N.A. ("Wells Fargo") and certain of its affiliates sold substantially all of its Corporate Trust Services ("CTS") division to the Company, Computershare Delaware Trust Company ("CDTC"), and Computershare Limited ("Computershare Limited") and collectively with the Company and CDTC, "Computershare". Virtually all CTS employees of Wells Fargo, along with most existing CTS systems, technology, and offices transferred to Computershare as part of the sale.

For the CMBS Platform (defined below) and during the Period (defined below), the Company either (i) served directly in the related trustee, securities administration, paying agent, and/or related roles (collectively, the "CMBS Platform Roles"), or (ii) served as agent for Wells Fargo who remained in the related CMBS Platform Roles. More specifically, since its acquisition of the Wells Fargo CTS business on November 1, 2021, including during the Period, the Company has (i) closed new CMBS transactions and (ii) completed the transfer of certain CMBS transaction roles from Wells Fargo CTS to Computershare, for which, in each case, during all or a portion of the Period, the Company performed the related CMBS Platform Roles directly (the "Company's Direct Role Transactions"). The Company's Direct Role Transactions comprise a small percentage of the overall CMBS Platform transactions for the Period. For a significant majority of CMBS Platform transactions, the Company served, during all or a portion of the Period, as agent for Wells Fargo who remained in the related CMBS Platform Roles (the "Company's Agent Role Transactions"). For the Company's Agent Role Transactions, Wells Fargo had not, as of the beginning of the Period, transferred to Computershare the CMBS Platform Roles for the Company's Agent Role Transactions, and therefore the Company performed, during all or a portion of the Period, virtually all of Wells Fargo's contractual duties for such transactions as its agent. As a result, for the Company's Agent Role Transactions, the Company and Wells Fargo have determined that the Company is a party participating in the servicing function with respect to the CMBS Platform, and accordingly, the Company is taking responsibility for assessing its compliance with the Applicable Servicing Criteria (defined below) relevant to the servicing activities performed by the Company for the CMBS Platform, as of and for the twelve months ended December 31, 2025.

Period: As of January 1, 2025 through and including December 31, 2025 (the "Period").

Platform: The platform consists of commercial mortgage-backed securities ("CMBS") transactions backed by pools of commercial mortgage loans and/or backed by CMBS for which the Company provides trustee, securities administration, paying agent services, and/or related roles, either directly in the related role for such services or as the agent of the party performing such services, and for which either (a) some or all of the issued securities for such CMBS transactions were publicly offered pursuant to a registration statement delivered under the Securities Act of 1933, as amended, or (b) the issued securities for such CMBS transactions were privately offered pursuant to an exemption from registration and the Company (and/or the party for whom it acts agent) has an obligation under the transaction agreements to deliver an assessment of compliance with the applicable servicing criteria under Item 1122(d) of Regulation AB, provided however that, the platform excludes any transactions for which the offered securities were issued, sponsored and/or guaranteed by any agency or instrumentality of the U.S. government or any government-sponsored entity (the "CMBS Platform"). Appendix A identifies the individual transactions defined by Management as constituting the CMBS Platform for the Period.

Applicable Servicing Criteria: All servicing criteria set forth in Item 1122(d) are applicable to either the Company's obligations, or the obligations of the party for whom the Company ultimately acts as agent, in either case under the related transaction agreements with respect to the CMBS Platform for the Period (as applicable, the "Company's Obligations"), except for the following servicing criteria: 1122(d)(4)(vi), 1122(d)(4)(vii), 1122(d)(4)(viii), 1122(d)(4)(ix), 1122(d)(4)(x), 1122(d)(4)(xi), 1122(d)(4)(xii), 1122(d)(4)(xiii), 1122(d)(4)(xiv), which Management has determined are not applicable to the Company's Obligations with respect to the CMBS Platform for the Period, provided however that, with respect to the CMBS Platform (a) servicing criterion 1122(d)(1)(v) is applicable only to the Company's Obligations related to the aggregation of information received and the conveyance of such information, in each case, as required by the transaction agreements, and (b) servicing criterion 1122(d)(4)(iii) is applicable only to the Company's Obligations related to the process of making or effecting an addition, removal or substitution to the asset pool in accordance with the transaction agreements (the "Applicable Servicing Criteria").

Third parties classified as vendors: With respect to servicing criterion 1122(d)(4)(i), the Company engaged a vendor to handle certain Uniform Commercial Code filing obligations required by the servicing criterion. With respect to servicing criterion 1122(d)(2)(v) for certain transactions in the CMBS Platform, the Company engaged a vendor to make certain payments by check to investors and/or third parties, and such vendor also safeguards certain unissued checks. In each case, Management has determined that the vendor is not considered a "servicer" as defined in Item 1101(j) of Regulation AB, and Management elects to take responsibility for assessing compliance with the portion of the servicing criterion applicable to each vendor as permitted by the SEC's *Compliance and Disclosure Interpretation ("C&D") 200.06, Vendors Engaged by Servicers ("C&D 200.06")*. The Company has policies and procedures in place designed to provide reasonable assurance that the activities of each vendor comply in all material respects with the servicing criterion applicable to the vendor. Management is solely responsible for determining that the Company meets the SEC requirements to apply *C&D 200.06* for each vendor and the related servicing criterion.

With respect to the CMBS Platform and the Period, Management provides the following assessment of the Company's compliance with respect to the Applicable Servicing Criteria:

- Management is responsible for assessing the Company's compliance with the Applicable Servicing Criteria.
- Management has assessed the Company's compliance with the Applicable Servicing Criteria, including the servicing criteria for which compliance is determined based on C&D 200.06, as described above. In performing this assessment, Management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.
- With respect to Applicable Servicing Criteria 1122(d)(1)(iii), 1122(d)(2)(iii), and 1122(d)(4)(iii), Management has determined that there were no activities performed during the Period with respect to the CMBS Platform, because there were no occurrences of events that would require the Company to perform such activities.
- Based on such assessment for the Period, the Company has complied in all material respects with the Applicable Servicing Criteria for the Period.

PricewaterhouseCoopers LLP, an independent registered public accounting firm, has issued an attestation report with respect to Management's assessment of the Company's compliance with the Applicable Servicing Criteria for the Period.

ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA
Computershare Corporate Trust - Document Custody Platform

The management ("Management") of the Computershare Corporate Trust division of Computershare Trust Company, National Association (the "Company") is responsible for assessing the Company's compliance with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB of the Securities and Exchange Commission. Management has determined that the servicing criteria are applicable to the servicing platform for the period as follows:

Purchase of corporate trust business. On November 1, 2021, Wells Fargo Bank, N.A. ("Wells Fargo") and certain of its affiliates sold substantially all of its Corporate Trust Services ("CTS") division to the Company, Computershare Delaware Trust Company ("CDTC"), and Computershare Limited ("Computershare Limited") and collectively with the Company and CDTC, "Computershare". Virtually all CTS employees of Wells Fargo, along with most existing CTS systems, technology, and offices transferred to Computershare as part of the sale.

For the Document Custody Platform (defined below) transactions and during the Period (defined below), the Company either (i) served directly in the related document custody services role (collectively, the "Document Custody Platform Role"), or (ii) served as agent for Wells Fargo who remained in the related Document Custody Platform Role. More specifically, since its acquisition of the Wells Fargo CTS business on November 1, 2021, including during the Period, the Company (i) closed new document custody transactions and (ii) completed the transfer of certain document custody transactions from Wells Fargo CTS to Computershare, for which, in each case, during all or a portion of the Period, the Company performed the related Document Custody Platform Role directly (the "Company's Direct Role Transactions"). The Company's Direct Role Transactions comprise a minority of the overall Document Custody Platform transactions for the Period. For a significant majority of the Document Custody Platform transactions, the Company served, during all or a portion of the Period, as agent for Wells Fargo who remained in the related Document Custody Platform Role (the "Company's Agent Role Transactions"). For the Company's Agent Role Transactions, Wells Fargo had not, as of the beginning of the Period, transferred to Computershare the Document Custody Platform Role, and therefore the Company performed, during all or a portion of the Period, virtually all of Wells Fargo's contractual duties for such transactions as its agent. As a result, for the Company's Agent Role Transactions, the Company and Wells Fargo have determined that the Company is a party participating in the servicing function with respect to the Document Custody Platform, and accordingly, the Company is taking responsibility for assessing its compliance with the Applicable Servicing Criteria (defined below) relevant to the servicing activities performed by the Company for the Document Custody Platform, as of and for the twelve months ended December 31, 2025.

Period: As of January 1, 2025 through and including December 31, 2025 (the "Period").

Platform: The platform consists of residential mortgage-backed securities ("RMBS") transactions, commercial mortgage-backed securities ("CMBS") transactions, and other asset-backed securities ("ABS") transactions, in each case for which the Company provides document custody services, either directly in the related role for such services or as the agent of the party performing such services, and for which either (a) some or all of the issued securities for such RMBS, CMBS, and ABS transactions were publicly offered on or after January 1, 2006 pursuant to a registration statement delivered under the Securities Act of 1933, as amended, or (b) the issued securities for such RMBS, CMBS, and ABS transactions were privately offered on or after January 1, 2006 pursuant to an exemption from registration and the Company (and/or the party for whom it acts as agent) has an obligation under the transaction agreements to deliver an assessment of compliance with the applicable servicing criteria under Item 1122(d) of Regulation AB; provided however that, the platform excludes any transactions for which the offered securities were issued, sponsored and/or guaranteed by any agency or instrumentality of the U.S. government or any government-sponsored entity, other than certain RMBS transactions for which the offered securities were issued, sponsored and/or guaranteed by the Federal Deposit Insurance Corporation (the "Document Custody Platform"). Appendix A identifies the individual transactions defined by Management as constituting the Document Custody Platform for the Period.

Applicable Servicing Criteria: Management has determined that the servicing criteria set forth in Item 1122(d)(1)(ii), 1122(d)(1)(v), 1122(d)(4)(i), 1122(d)(4)(ii), 1122(d)(4)(iii) and 1122(d)(4)(iv) are applicable to the Company's obligations, or the obligations of the party for whom the Company ultimately acts as agent, in either case under the related transaction agreements with respect to the Document Custody Platform for the Period (as applicable, the "Company's Obligations"); provided however that, with respect to the Document Custody Platform, servicing criterion 1122(d)(4)(iii) is applicable only as it relates to the Company's Obligation to review and maintain the required loan documents related to any additions, removals or substitutions in accordance with the transaction agreements (the "Applicable Servicing Criteria"). Management has determined that all other servicing criteria set forth in Item 1122(d) are not applicable to the Company's Obligations with respect to the Document Custody Platform for the Period.

Third parties classified as vendors: With respect to servicing criteria 1122(d)(4)(i) and 1122(d)(4)(ii), for certain ABS transactions included in the Document Custody Platform, the Company has engaged a vendor to handle certain aspects of maintaining and safeguarding pool assets, the security thereon, and related documents as required by such servicing criteria. Management has determined that the vendor is not considered a "servicer" as defined in Item 1101(j) of Regulation AB, and Management elects to take responsibility for assessing compliance with the portion of servicing criteria 1122(d)(4)(i) and 1122(d)(4)(ii) applicable to this vendor as permitted by the SEC's *Compliance and Disclosure Interpretation ("C&D") 200.06, Vendors Engaged by Servicers ("C&D") 200.07*. The Company has policies and procedures in place designed to provide reasonable assurance that the vendor's activities comply in all material respects with the servicing criteria applicable to the vendor. Management is solely responsible for determining that the Company meets the SEC requirements to apply *C&D 200.06* for the vendor and the related servicing criteria.

With respect to the Document Custody Platform and the Period, Management provides the following assessment of the Company's compliance with respect to the Applicable Servicing Criteria:

- Management is responsible for assessing the Company's compliance with the Applicable Servicing Criteria.
- Management has assessed the Company's compliance with the Applicable Servicing Criteria, including the servicing criteria for which compliance is determined based on C&D 200.06 as described above. In performing this assessment, Management used the criteria set forth by the Securities and Exchange Commission in paragraph (d) of Item 1122 of Regulation AB.
- With respect to Applicable Servicing Criterion 1122(d)(4)(iii), Management has determined that there were no activities performed during the Period with respect to the Document Custody Platform, because there were no occurrences of events that would require the Company to perform such activities.
- Based on such assessment for the Period, the Company has complied in all material respects with the Applicable Servicing Criteria for the Period.

PricewaterhouseCoopers LLP, an independent registered public accounting firm, has issued an attestation report with respect to Management's assessment of the Company's compliance with the Applicable Servicing Criteria for the Period.

**Management's Report on Assessment of Compliance
with SEC Regulation AB Servicing Criteria**

Midland Loan Services, a division of PNC Bank, National Association ("Midland" or the "Company"), is responsible for compliance with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB of the Securities and Exchange Commission ("Regulation AB"), as set forth in Appendix A.

Midland has assessed its compliance with the applicable servicing criteria as of and for the year ended December 31, 2025 (the "Reporting Period"). In making this assessment, Midland used the criteria set forth by the Securities and Exchange Commission ("SEC") in Item 1122(d) of Regulation AB. This report covers all transactions serviced on the *Enterprise*® Loan Management System (the "Platform") during the Reporting Period.

Midland engaged certain vendors, which are not servicers as defined in item 1101(j) of Regulation AB (the "Vendors"), to perform specific and limited or scripted activities related to portions of the servicing criteria as set forth in Appendix A. Midland elects to take responsibility for assessing compliance with the servicing criteria or portion of the servicing criteria applicable to such Vendors' activities as set forth in Appendix A. Midland has not identified and is not aware of any material instances of noncompliance by the Vendors with the applicable servicing criteria as of December 31, 2025 and for the Reporting Period with respect to the Platform taken as a whole, nor has it identified any material deficiencies in its policies and procedures to monitor the compliance by the Vendors with the applicable servicing criteria as of December 31, 2025 and for the Reporting Period with respect to the Platform taken as a whole.

Based on this assessment, Midland concludes that, as of and for the year ended December 31, 2025, Midland has complied in all material respects with the applicable servicing criteria set forth in Item 1122(d) of Regulation AB.

PricewaterhouseCoopers LLP, an independent registered public accounting firm, has issued an attestation report on Midland's compliance with the applicable servicing criteria as of and for the year ended December 31, 2025 for all transactions serviced on the *Enterprise*® Loan Management System.

The Company has determined that servicing criterion 1122(d)(4)(x) is applicable to the activities the Company performs with respect to the Platform, except for certain tax payment activities that the Company has engaged a third party to perform. With respect to servicing criterion 1122(d)(4)(ii), the Company has determined that there were no activities performed during the Period with respect to the Platform, because there were no occurrences of events that would require the Company to perform such activities. Management is responsible for the Company's compliance with the Applicable Servicing Criteria for the Platform. Our responsibility is to express an opinion on Management's Assertion about the Company's compliance with the Applicable Servicing Criteria for the Platform based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants to obtain reasonable assurance and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the Applicable Servicing Criteria for the Platform and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities that comprise the Platform, testing selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the Applicable Servicing Criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the Applicable Servicing Criteria for the Platform.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

As described in the accompanying Management's Assessment of Compliance with Applicable Servicing Criteria, for servicing criteria 1122(d)(4)(i) and 1122(d)(4)(v), the Company has engaged various vendors to perform the activities required by these servicing criteria. The Company has determined that none of these vendors is considered a "servicer" as defined in Item 1101(j) of Regulation AB, and the Company has elected to take responsibility for assessing compliance with the servicing criteria applicable to each vendor as permitted by the SEC's Compliance and Disclosure Interpretation (C&DI) 200.06. Vendors Engaged by Servicers (C&DI 200.06). As permitted by C&DI 200.06, the Company has asserted that it has policies and procedures in place designed to provide reasonable assurance that the vendors' activities comply in all material respects with the servicing criteria applicable to each vendor. The Company is solely responsible for determining that it meets the SEC requirements to apply C&DI 200.06 for the vendors and related servicing criteria as described in its assertion, and we performed no procedures with respect to the Company's eligibility to apply C&DI 200.06.

In our opinion, Management's Assertion that Wells Fargo Commercial Mortgage Servicing, a division of Wells Fargo Bank, National Association, complied with the aforementioned Applicable Servicing Criteria, including servicing criteria 1122(d)(4)(i) and 1122(d)(4)(v) for which compliance is determined based on C&DI 200.06 as described above, as of and for the Period is fairly stated, in all material respects.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members of
Argentive Services Company LP

We have examined management's assertion, included in the accompanying Management's Report on Assessment of Compliance with Applicable Servicing Criteria ("Management's Report"), that Argentive Services Company LP (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the U.S. Securities and Exchange Commission's Regulation AB for the Commercial Mortgage Loans Platform (the "Platform") as of and for the year ended December 31, 2025, excluding criteria 1122(d)(1)(ii), 1122(d)(2)(i), 1122(d)(3)(i), 1122(d)(3)(ii), 1122(d)(3)(iv), 1122(d)(4)(i), 1122(d)(4)(v), 1122(d)(4)(s), 1122(d)(4)(x), 1122(d)(4)(xi), 1122(d)(4)(xii), 1122(d)(4)(xiii), 1122(d)(4)(xiv) and 1122(d)(4)(v), which management has determined are not applicable to the activities performed by the Company with respect to the Platform. The Platform consists of the asset-backed transactions and securities defined by management in its Management's Report. Management is responsible for the Company's compliance with the applicable servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the applicable servicing criteria for the Platform based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants, and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria for the Platform and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities constituting the Platform and evaluating whether the Company performed servicing activities related to those transactions and securities in compliance with the applicable servicing criteria for the period covered by this report. Accordingly, our testing may not have included servicing activities related to each asset-backed transaction or security constituting the Platform. Further, our examination was not designed to detect material noncompliance that may have occurred prior to the period covered by this report and that may have affected the Company's servicing activities during the period covered by this report. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the applicable servicing criteria.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

As described in Management's Report, the Company engaged various vendors to perform servicing activities with respect to criteria 1122(d)(2)(vii). The Company determined that each vendor is not considered a "servicer," as that term is defined in Item 1101(j) of Regulation AB, and therefore, the Company is assuming responsibility for compliance with such servicing criteria applicable to each vendor's servicing activities. In accordance with Regulation AB and its related interpretations, the requirement for management to assess compliance with the servicing criteria applicable to a vendor's activities is satisfied if the Company has instituted policies and procedures to monitor whether such vendor's activities comply in all material respects with such criteria. Compliance with the applicable servicing criteria is achieved if those policies and procedures are designed to provide reasonable assurance that such vendor's activities comply with such criteria and those policies and procedures are operating effectively for the period covered by Management's Report. Our examination does not provide a legal determination of whether a vendor is or is not considered a servicer, and therefore, on whether the Company, in its Management Report, is eligible to elect to take responsibility for assessing compliance with the servicing criteria applicable to each vendor's servicing activities.

In our opinion, management's assertion that Argentive Services Company LP complied with the aforementioned applicable servicing criteria as of and for the year ended December 31, 2025 for the Platform is fairly stated, in all material respects.

We have examined management's assertion, included in the accompanying ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA, that the Corporate Trust Services division of Wells Fargo Bank, National Association (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for commercial mortgage-backed securities ("CMBS") transactions backed by pools of commercial mortgage loans and/or backed by CMBS for which the Company was appointed to perform trustee, securities administration, paying agent services, and/or related services, and for which either (a) some or all of the issued securities for such CMBS transactions were publicly offered pursuant to a registration statement delivered under the Securities Act of 1933, as amended, or (b) the issued securities for such CMBS transactions were privately offered pursuant to an exemption from registration and the Company has an obligation under the transaction agreements to deliver an assessment of compliance with the applicable servicing criteria under Item 1122(d) of Regulation AB, provided however that: (i) the platform excludes any transactions for which the offered securities were issued, sponsored and/or guaranteed by any agency or instrumentality of the U.S. government or any government-sponsored entity, and (ii) the platform excludes any transactions for which the offered securities were issued pursuant to a transaction that closed prior to January 1, 2006 and for which the Company outsources all material servicing activities (as defined by Regulation AB) to a party other than Computershare Trust Company or any affiliate thereof (the "CMBS Platform") as of and for the twelve months ended December 31, 2025. Appendix A to the ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA identifies the individual asset-backed transactions and securities defined by management as constituting the CMBS Platform.

The Company's management has determined that the servicing criteria set forth in Item 1122(d)(1)(ii), 1122(d)(1)(iv) and 1122(d)(2)(ii) are applicable to the servicing activities performed by the Company with respect to the CMBS Platform as of and for the twelve months ended December 31, 2025 (the "Applicable Servicing Criteria"). With respect to Applicable Servicing Criterion 1122(d)(2)(iii), the Company's management has determined that there were no activities performed during the twelve months ended December 31, 2025 with respect to the CMBS Platform, because there were no occurrences of events that would require the Company to perform such activities. The Company's management has determined that all other servicing criteria set forth in Item 1122(d) are not applicable to the Company because the Company does not perform activities with respect to the CMBS Platform relating to those servicing criteria. Management is responsible for the Company's compliance with the Applicable Servicing Criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the Applicable Servicing Criteria based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants to obtain reasonable assurance and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the Applicable Servicing Criteria for the CMBS Platform and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities that comprise the CMBS Platform, testing selected servicing activities related to the CMBS Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the Applicable Servicing Criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the Applicable Servicing Criteria for the CMBS Platform.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

In our opinion, management's assertion that the Company complied with the aforementioned Applicable Servicing Criteria for the CMBS Platform as of and for the twelve months ended December 31, 2025 is fairly stated, in all material respects.

Our opinion on management's assertion does not extend to any other information that accompanies or contains our report. We do not express an opinion or any form of assurance on the statements in Appendix B to the ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA.

Report of Independent Registered Public Accounting Firm

The Board of Directors
Wells Fargo Bank, National Association:

We have examined management's assertion, included in the accompanying ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA, that the Corporate Trust Services division of Wells Fargo Bank, National Association (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for residential mortgage-backed securities ("RMBS") transactions and commercial mortgage-backed securities ("CMBS") transactions, in each case for which the Company was appointed to provide document custody services, and for which either (a) some or all of the issued securities for such RMBS or CMBS transactions were publicly offered on or after January 1, 2006 pursuant to a registration statement delivered under the Securities Act of 1933, as amended, or (b) the issued securities for such RMBS or CMBS transactions were privately offered on or after January 1, 2006 pursuant to an exemption from registration and the Company has an obligation under the transaction agreements to deliver an assessment of compliance with the applicable servicing criteria under Item 1122(d) of Regulation AB; provided however that, the platform excludes any transactions for which the offered securities were issued, sponsored and/or guaranteed by any agency or instrumentality of the U.S. government or any government-sponsored entity other than certain RMBS transactions for which the offered securities were issued, sponsored and/or guaranteed by the Federal Deposit Insurance Corporation (the "Document Custody Platform") as of and for the twelve months ended December 31, 2025. Appendix A to the ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA identifies the individual asset-backed transactions and securities defined by management as constituting the Document Custody Platform.

The Company's management has determined that the following servicing criteria set forth in Item 1122(d) are relevant to the servicing activities performed by the Company with respect to the Document Custody Platform as of and for the twelve months ended December 31, 2025: Item 1122(d)(1)(ii) and 1122(d)(1)(iv) (the "Applicable Servicing Criteria"). The Company's management has determined that all other servicing criteria set forth in Item 1122(d) are not applicable to the Company because the Company does not perform activities with respect to the Document Custody Platform relating to those servicing criteria. Management is responsible for the Company's compliance with the Applicable Servicing Criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the Applicable Servicing Criteria based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants to obtain reasonable assurance and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the Applicable Servicing Criteria for the Document Custody Platform and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities that comprise the Document Custody Platform, testing selected servicing activities related to the Document Custody Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the Applicable Servicing Criteria. Furthermore, our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to determine whether errors may have occurred either prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report for the selected transactions or any other transactions. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the Applicable Servicing Criteria for the Document Custody Platform.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

In our opinion, management's assertion that the Company complied with the aforementioned Applicable Servicing Criteria for the Document Custody Platform as of and for the twelve months ended December 31, 2025 is fairly stated, in all material respects.

Our opinion on management's assertion does not extend to any other information that accompanies or contains our report. We do not express an opinion or any form of assurance on the statements in Appendix B to the ASSESSMENT OF COMPLIANCE WITH THE APPLICABLE SERVICING CRITERIA.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Management of
CoreLogic Solutions, LLC:

We have examined management's assertion, included in the accompanying Management's Report on Assessment of Compliance with SEC Regulation AB Servicing Criteria, that CoreLogic Solutions, LLC (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the U.S. Securities and Exchange Commission's Regulation AB for the commercial mortgage loan outsourcing customers for which the Company served as the tax service provider (the "Platform") as of and for the year ended December 31, 2025, excluding criteria 1122(d)(1)(i-iii), 1122(d)(1)(v), 1122(d)(2)(i), 1122(d)(2)(ii-iv), 1122(d)(3)(i-iv), 1122(d)(4)(i-s), and 1122(d)(4)(vi-xv), which management has determined are not applicable to the activities performed by the Company with respect to the Platform. The Platform consists of the transactions performed for commercial mortgage loan outsourcing customers for which the Company served as the tax service provider. Management is responsible for the Company's compliance with the applicable servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the applicable servicing criteria for the Platform based on our examination.

Our examination was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants, and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria for the Platform and performing such other procedures as we considered necessary in the circumstances. Our examination included testing selected asset-backed transactions and securities constituting the Platform and evaluating whether the Company performed servicing activities related to those transactions and securities in compliance with the applicable servicing criteria for the period covered by this report. Accordingly, our testing may not have included servicing activities related to each asset-backed transaction or security constituting the Platform. Further, our examination was not designed to detect material noncompliance that may have occurred prior to the period covered by this report and that may have affected the Company's servicing activities during the period covered by this report. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the applicable servicing criteria.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, management's assertion that CoreLogic Solutions, LLC complied with the aforementioned applicable servicing criteria as of and for the year ended December 31, 2025 for the commercial mortgage loan outsourcing customers for which the Company served as the tax service provider is fairly stated, in all material respects.

Report of Independent Registered Public Accounting Firm

To the Audit Committee of Computershare Trust Company, National Association

We have examined management's assertion, included in the accompanying *Assessment of Compliance with the Applicable Servicing Criteria: Computershare Corporate Trust - CMBS Platform* that Computershare Trust Company, National Association (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the commercial mortgage-backed securities ("CMBS") transactions backed by pools of commercial mortgage loans and/or backed by CMBS for which the Company provides trustee, securities administration, paying agent services, and/or related roles, either directly in the related role for such services or as the agent of the party performing such services, and for which either (a) some or all of the issued securities for such CMBS transactions were publicly offered pursuant to a registration statement delivered under the Securities Act of 1933, as amended, or (b) the issued securities for such CMBS transactions were privately offered pursuant to an exemption from registration and either the Company (and/or the party for whom it acts agent) has an obligation under the transaction agreements to deliver an assessment of compliance with the applicable servicing criteria under Item 1122(d) of Regulation AB, provided however that, the platform excludes any transactions for which the offered securities were issued, sponsored and/or guaranteed by any agency or instrumentality of the U.S. government or any government-sponsored entity (the "CMBS Platform"), as of December 31, 2025 and for the year then ended (the "Period"), excluding criteria 1122(d)(4)(i), 1122(d)(4)(iv), 1122(d)(4)(v), 1122(d)(4)(vi), 1122(d)(4)(vii), 1122(d)(4)(viii), 1122(d)(4)(ix), 1122(d)(4)(x), 1122(d)(4)(xi), 1122(d)(4)(xii), 1122(d)(4)(xiii) and 1122(d)(4)(xiv), which Management has determined are not applicable to either the Company's obligations, or the obligations of the party for whom the Company ultimately acts as agent, in either case under the related transaction agreements with respect to the CMBS Platform for the Period (as applicable, the "Company's Obligations"); provided however that, with respect to the CMBS Platform (a) servicing criterion 1122(d)(1)(v) is applicable only to the Company's Obligations related to the aggregation of information received and the conveyance of such information, in each case, as required by the transaction agreements, and (b) servicing criterion 1122(d)(4)(iii) is applicable only to the Company's Obligations related to the process of making or effecting an addition, removal or substitution to the asset pool in accordance with the transaction agreements.

As described in management's assertion, for servicing criteria 1122(d)(4)(i) and 1122(d)(2)(v), the Company has engaged various vendors to perform the activities required by these servicing criteria. The Company has determined that these vendors are not considered "servicers" as defined in Item 1101(j) of Regulation AB, and the Company has elected to take responsibility for assessing compliance with the servicing criteria applicable to each vendor as permitted by Compliance and Disclosure Interpretation 200.06 of the SEC Division of Corporation Finance's interpretations of the rules adopted under Regulation AB and the Securities Act and the Exchange Act ("Interpretation 200.06"). As permitted by Interpretation 200.06, the Company has asserted that it has policies and procedures in place designed to provide reasonable assurance that the vendors' activities comply in all material respects with the servicing criteria applicable to each vendor. The Company is solely responsible for determining that it meets the SEC requirements to apply Interpretation 200.06 for the vendors and related criteria as described in its assertion, and we performed no procedures with respect to the Company's determination of its eligibility to use Interpretation 200.06.

Appendix A to management's assertion identifies the individual asset-backed transactions and securities defined by management as constituting the CMBS Platform.

The Company's management is responsible for its assertion and for the Company's compliance with the applicable servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the applicable servicing criteria based on our examination.

Our examination was conducted in accordance with the attestation standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the applicable servicing criteria is fairly stated, in all material respects, and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of selected asset-backed transactions and securities that comprise the CMBS Platform, testing of selected servicing activities related to the CMBS Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the applicable servicing criteria. Our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to detect noncompliance arising from errors that may have occurred prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides, and that the evidence we obtained is sufficient and appropriate to provide, a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements related to the engagement.

In our opinion, management's assertion that Computershare Trust Company, National Association complied with the aforementioned applicable servicing criteria as of and for the year ended December 31, 2025 for the CMBS Platform is fairly stated, in all material respects.

Report of Independent Registered Public Accounting Firm

To the Audit Committee of Computershare Trust Company, National Association

We have examined management's assertion, included in the accompanying *Assessment of Compliance with the Applicable Servicing Criteria: Computershare Corporate Trust - Document Custody Platform* that Computershare Trust Company, National Association (the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for the residential mortgage-backed securities ("RMBS") transactions, commercial mortgage-backed securities ("CMBS") transactions, and other asset-backed securities ("ABS") transactions, in each case for which the Company provides document custody services, either directly in the related role for such services or as the agent of the party performing such services, and for which either (a) some or all of the issued securities for such RMBS, CMBS, and ABS transactions were publicly offered on or after January 1, 2006 pursuant to a registration statement delivered under the Securities Act of 1933, as amended, or (b) the issued securities for such RMBS, CMBS, and ABS transactions were privately offered on or after January 1, 2006 pursuant to an exemption from registration and the Company (and/or the party for whom it acts as agent) has an obligation under the transaction agreements to deliver an assessment of compliance with the applicable servicing criteria under Item 1122(d) of Regulation AB; provided however that, the platform excludes any transactions for which the offered securities were issued, sponsored and/or guaranteed by any agency or instrumentality of the U.S. government or any government-sponsored entity, other than certain RMBS transactions for which the offered securities were issued, sponsored and/or guaranteed by the Federal Deposit Insurance Company (the "Document Custody Platform"), as of December 31, 2025 and for the year then ended (the "Period"), excluding criteria 1122(d)(1)(i); 1122(d)(4)(iii); 1122(d)(1)(v); 1122(d)(2)(i-vi); 1122(d)(3)(i-iv); and 1122(d)(4)(v-vi), which Management has determined are not applicable to either the Company's obligations, or the obligations of the party for whom the Company ultimately acts as agent, in either case under the related transaction agreements with respect to the Document Custody Platform for the Period (as applicable, the "Company's Obligations"); provided however that, with respect to the Document Custody Platform (a) servicing criterion 1122(d)(4)(iii) is applicable only as it relates to the Company's Obligation to review and maintain the required loan documents related to any additions, removals or substitutions in accordance with the transaction agreements.

As described in management's assertion, for servicing criteria 1122(d)(4)(i) and 1122(d)(4)(ii), the Company has engaged a vendor to perform the activities required by these servicing criteria. The Company has determined that this vendor is not considered a "servicer" as defined in Item 1101(j) of Regulation AB, and the Company has elected to take responsibility for assessing compliance with the servicing criteria applicable to the vendor as permitted by Compliance and Disclosure Interpretation 200.06 of the SEC Division of Corporation Finance's interpretations of the rules adopted under Regulation AB and the Securities Act and the Exchange Act ("Interpretation 200.06"). As permitted by Interpretation 200.06, the Company has asserted that it has policies and procedures in place designed to provide reasonable assurance that the vendor's activities comply in all material respects with the servicing criteria applicable to the vendor. The Company is solely responsible for determining that it meets the SEC requirements to apply Interpretation 200.06 for the vendor and related criteria as described in its assertion, and we performed no procedures with respect to the Company's determination of its eligibility to use Interpretation 200.06.

Appendix A to management's assertion identifies the individual asset-backed transactions and securities defined by management as constituting the Document Custody Platform.

The Company's management is responsible for its assertion and for the Company's compliance with the applicable servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the applicable servicing criteria based on our examination.

Our examination was conducted in accordance with the attestation standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the applicable servicing criteria is fairly stated, in all material respects, and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of selected asset-backed transactions and securities that comprise the Document Custody Platform, testing of selected servicing activities related to the Document Custody Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the applicable servicing criteria. Our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to detect noncompliance arising from errors that may have occurred prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides, and that the evidence we obtained is sufficient and appropriate to provide, a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements related to the engagement.

In our opinion, management's assertion that Computershare Trust Company, National Association complied with the aforementioned applicable servicing criteria as of and for the year ended December 31, 2025 for the Document Custody Platform is fairly stated, in all material respects.

Report of Independent Registered Public Accounting Firm

To the Board of Directors, The PNC Financial Services Group, Inc.

We have examined management's assertion, included in the accompanying Management's Report on Assessment of Compliance with SEC Regulation AB Servicing Criteria, that Midland Loan Services, a division of PNC Bank, National Association ("Midland" or the "Company") complied with the servicing criteria set forth in Item 1122(d) of the Securities and Exchange Commission's Regulation AB for all transactions serviced on the *Enterprise*® Loan Management System (the "Platform"), as of December 31, 2025 and for the year then ended, excluding criteria 1122(d)(1)(iii), 1122(d)(3)(i)(B), 1122(d)(3)(i)(C), 1122(d)(3)(f)(D), 1122(d)(3)(ii), 1122(d)(3)(iv), and 1122(d)(4)(vi), which the Company has determined are not applicable to the servicing activities performed by it with respect to the Platform. Midland's management is responsible for its assertion and for the Company's compliance with the applicable servicing criteria. Our responsibility is to express an opinion on management's assertion about the Company's compliance with the applicable servicing criteria based on our examination.

As described in management's assertion, for servicing criteria 1122(d)(1)(v), 1122(d)(2)(v), 1122(d)(3)(i)(A), 1122(d)(4)(i), 1122(d)(4)(iii), 1122(d)(4)(v), and 1122(d)(4)(vi) the Company has engaged certain vendors to perform the activities required by these servicing criteria. The Company has determined that these vendors are not considered "servicers" as defined in Item 1101(j) of Regulation AB, and the Company has elected to take responsibility for assessing compliance with the servicing criteria applicable to each vendor as permitted by Compliance and Disclosure Interpretation 200.06 of the SEC Division of Corporation Finance's interpretations of the rules adopted under Regulation AB and the Securities Act and the Exchange Act ("Interpretation 200.06"). As permitted by Interpretation 200.06, the Company has asserted that it has policies and procedures in place designed to provide reasonable assurance that the vendors' activities comply in all material respects with the servicing criteria applicable to each vendor. The Company is solely responsible for determining that it meets the SEC requirements to apply Interpretation 200.06 for the vendors and related criteria as described in its assertion, and we performed no procedures with respect to the Company's determination of its eligibility to use Interpretation 200.06.

Our examination was conducted in accordance with the attestation standards of the Public Company Accounting Oversight Board (United States) and in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion about compliance with the applicable servicing criteria is fairly stated, in all material respects, and, accordingly, included examining, on a test basis, evidence about the Company's compliance with the applicable servicing criteria and performing such other procedures as we considered necessary in the circumstances. Our examination included testing of selected asset-backed transactions and securities that comprise the Platform, testing of selected servicing activities related to the Platform, and determining whether the Company processed those selected transactions and performed those selected activities in compliance with the applicable servicing criteria. Our procedures were limited to the selected transactions and servicing activities performed by the Company during the period covered by this report. Our procedures were not designed to detect noncompliance arising from errors that may have occurred prior to or subsequent to our tests that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. We believe that our examination provides, and that the evidence we obtained is sufficient and appropriate to provide, a reasonable basis for our opinion. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements related to the engagement.

In our opinion, management's assertion that Midland complied with the aforementioned applicable servicing criteria as of and for the year ended December 31, 2025 for all transactions serviced on the *Enterprise*® Loan Management System is fairly stated, in all material respects.

Our procedures were limited to selected servicing activities performed by the Company during the period covered by this report and, accordingly, such samples may not have included servicing activities related to each commercial mortgage-backed securities transaction. Further, an examination is not designed to detect noncompliance arising from errors that may have occurred prior to the period specified above that may have affected the balances or amounts calculated or reported by the Company during the period covered by this report. Our examination does not provide a legal determination on the Company's compliance with the servicing criteria specified in the first paragraph.

In our opinion, Management's Assertion that the Company complied with the aforementioned applicable servicing criteria thereon, as of December 31, 2025 and for the period from January 1, 2025 to December 31, 2025 is fairly stated, in all material respects.

[1] On November 1, 2021, the Company, Computershare Delaware Trust Company and Computershare Limited purchased substantially all of the Corporate Trust Services business of Wells Fargo Bank, N.A. ("Wells Fargo"). For the transactions listed on Schedule I hereto and for the related Reporting Period, Wells Fargo remained in the related roles under the Servicing Agreements and the Company performed virtually all of Wells Fargo's obligations under the Servicing Agreements as Wells Fargo's agent. The Company's obligations as agent for Wells Fargo are set forth in a servicing agreement between the parties. For transactions with a Full-Year Reporting Period on Schedule I, the Company served as agent for Wells Fargo for the Full-Year Reporting Period. To the extent that Wells Fargo transferred the related role(s) under a Servicing Agreement to the Company at the end of a Partial-Year Reporting Period, the Company has provided a separate annual statement of compliance that covers the Company's activities under the related Servicing Agreement for the portion of the Full-Year Reporting Period after the transfer.
