Remarks

Due to size limitations, purchases made over multiple days have been aggregated. This shows where the dates of payment and acquisition are different. In those situations, the purchase date represents the first date of shares in the group, and the payment date reflects the last date of shares in the group. All purchases, with dates and exact amounts, were previously disclosed on Forms 3/4 filings. The reporting person undertakes to provide, upon request by the SEC staff or a security holder of the issuer, full information regarding the number of shares purchased on each date for any aggregated disclosures. The shares from 1/31/2024 represent shares to be sold upon conversion of outstanding series B convertible preferred stock owned by the holder; the holder has not yet converted any such shares of series B convertible preferred stock. Any conversion will be reported on a Form 4. The shares are owned by Ault Lending, LLC, a wholly owned subsidiary of Hyperscale Data, Inc.
