### About Vinci Partners

Vinci Partners is a leading alternative investment platform in Brazil, established in 2009. Vinci Partners' business segments include private equity, public equities, real estate, private credit, infrastructure, special situations, investment products and solutions and retirement services, each managed by dedicated investment teams with an independent investment committee and decision-making process. We also have a corporate advisory business, focusing mostly on pre-initial public offering, or pre-IPO, and merger and acquisition, or M&A, advisory services for Brazilian middle-market companies.

### Forward-Looking Statements

This press release contains forward-looking statements that can be identified by the use of words such as "anticipate," "believe," "could," "expect," "should," "plan," "intend," "estimate" and "potential," among others. By their nature, forward-looking statements are necessarily subject to a high degree of uncertainty and involve known and unknown risks, uncertainties, assumptions and other factors because they relate to events and depend on circumstances that will occur in the future whether or not outside of our control. Such factors may cause actual results, performance or developments to differ materially from those expressed or implied by such forward-looking statements and there can be no assurance that such forward-looking statements will prove to be correct. The forward-looking statements included herein speak only as at the date of this press release and we do not undertake any obligation to update these forward-looking statements. Past performance does not guarantee or predict future performance. Moreover, neither we nor our affiliates, officers, employees and agents undertake any obligation to review, update or confirm expectations or estimates or to release any revisions to any forward-looking statements to reflect events that occur or circumstances that arise in relation to the content of this press release. Further information on these and other factors that could affect our financial results is included in filings we have made and will make with the U.S. Securities and Exchange Commission from time to time.
